Introduction

Bachelor of Arts is one of the most popular undergraduate programmes among students. The programme emphasises the study of social sciences, arts and humanities. The digitisation of education has encouraged students to pursue higher studies outside of their conventional classroom environment. As a result, online courses have gained immense popularity among learners who seek to study and fulfil their other commitments simultaneously.

Several top colleges in India offer an online BA programme, providing students with knowledge related to humanities and social disciplines. If you are looking for an online BA programme from top Indian universities, Career360 has prepared this E-book on '**Top UGC Approved Colleges Offering Online BA**' that will help you start your online BA journey.

What is Online BA - Course, Eligibility, Career Options

An [Online BA](#) is a two-year undergraduate programme. The course allows students to pursue their education in humanities and arts and various other related disciplines at their convenience. Students are provided with an understanding of multiple social science disciplines including history, political science, English, and sociology, among others. Several UGC-recognised universities in India offer a BA degree in online mode. The online BA course curriculum is structured across six semesters, providing students with a thorough knowledge of the social science subjects.

Online BA colleges in India offer an **online BA degree in multiple majors** including History, Political Science, Sociology, English, Philosophy, Journalism and Mass Communication, Fine Arts, and Hindi. Admission to online BA courses follows an online process. Students have to visit the university's official website, register and sign up, submit an online application form, complete the document verification process, and pay the programme fees to enrol in the programme.

After completing the online BA, graduates can pursue careers in academics, media, business, and social services. Some of the **popular job roles after Online BA** include [journalists](#), teachers, [research scientists](#), social media managers, [Clinical psychologists](#), historians, [social workers](#), and others.

Online BA Eligibility Criteria

Colleges offering online BA courses require students to fulfil specific eligibility criteria for admission to the course. The online BA eligibility criteria can vary from one college to another. Prospective students should visit the official university website to enrol for the online BA programme.

The following table highlights the common eligibility criteria that students must meet for the online BA admission:

Particulars	Values
Online BA Eligibility Criteria	Bachelor's degree in a relevant discipline from a recognised university
	Candidates must have secured a minimum of 50% marks or above in the qualifying exam.
