Correct Answer:- **Question Cancelled**

Question54:-Read the following passage and answer the question by choosing among the four alternatives given:

The year was 1888, and the streets of London were plagued by a series of gruesome murders. The infamous killer, Jack the Ripper, struck fear into the hearts of the city's residents as he preyed upon vulnerable women in the dimly lit alleys of Whitechapel. The murders were characterized by their brutality, with the victims being mutilated in a manner that suggested a deep-seated rage and a twisted sense of pleasure for the perpetrator. Despite the efforts of Scotland Yard and a fervent public outcry, Jack the Ripper managed to elude capture, leaving behind a trail of unsolved mysteries and countless theories about his true identity. Over the years, numerous suspects have emerged, ranging from ordinary citizens to prominent figures in society. The case has fascinated criminologists, historians, and amateur sleuths alike, who have tirelessly analyzed the available evidence, examined witness testimonies, and delved into the historical context of the time. Even to this day, the identity of Jack the Ripper remains one of the most enigmatic and perplexing mysteries in criminal history. Who was the man behind the grisly crimes? What drove him to commit such heinous acts? Will we ever uncover the truth behind Jack the Ripper's reign of terror?

Why is the case of Jack the Ripper considered one of the most perplexing mysteries in criminal history?

- A:-The murders occurred in various locations simultaneously.
- B:-The killer was never identified or captured.
- C:-The victims were all wealthy individuals.
- D:-The case involved complex forensic evidence.

Correct Answer:- Option-B

Question55:-Read the following passage and answer the question by choosing among the four alternatives given:

In the distant land of Euphoria, a realm shrouded in magic and mystery, a prophecy has long foretold the arrival of a chosen hero. According to ancient lore, this hero possesses extraordinary powers and is destined to save the kingdom from impending doom. The prophecy speaks of a perilous quest that the hero must undertake, facing formidable challenges and overcoming insurmountable odds. Legends whisper of a hidden artifact, known as the Crystal of Enlightenment, which holds the key to unlocking the hero's true potential. It is said that the Crystal is guarded by mythical creatures and hidden deep within the treacherous Abyssal Caverns. Many have

sought the Crystal, but none have returned. The fate of Euphoria hangs in the balance as the kingdom eagerly awaits the emergence of the chosen hero, the one who will bring light to the encroaching darkness.

What is the main objective of the chosen hero in the prophecy?

- A:-To obtain the Crystal of Enlightenment.
- B:-To explore the treacherous Abyssal Caverns.
- C:-To uncover the secrets of the mythical creatures.
- D:-To save the kingdom of Euphoria.

Correct Answer:- Option-D

Question56:-Read the following passage and answer the question by choosing among the four alternatives given:

In the ever-evolving world of business, competition is fierce, and companies are constantly seeking strategies to gain a competitive edge. One such strategy is innovation. Innovation is the lifeblood of business growth, as it allows companies to develop groundbreaking products, services, and processes that meet the changing needs and desires of customers. Innovative companies understand that standing still is not an option; they actively foster a culture of creativity and exploration. They encourage employees to think outside the box, take calculated risks, and embrace new ideas. These companies invest in research and development, allocate resources for experimentation, and collaborate with external partners to harness the power of collective intelligence. By embracing innovation, companies can stay ahead of the curve, seize new opportunities, and create a sustainable advantage in the dynamic marketplace.

Why is innovation important for businesses?

- A:-To create a sense of competition among employees.
- B:-To maintain a static and unchanging product lineup.
- C:-To meet the evolving needs of customers.
- D:-To avoid collaborating with external partners

Correct Answer:- Option-C

Question57:-Read the following passage and answer the question by choosing among the four alternatives given:

The Paris Agreement, signed in 2015, represents a landmark event in the realm of international relations and environmental policy. It was a global effort to address the pressing issue of climate change and mitigate its impacts. The agreement aimed to limit global warming to well below 2 degrees Celsius above pre-industrial levels and to pursue efforts to limit the temperature increase to 1.5 degrees Celsius. Under the Paris Agreement, countries committed to implementing measures to reduce greenhouse gas emissions, adapt to the impacts of climate change, and provide financial assistance to developing nations in their climate actions. The agreement emphasized the principle of common but differentiated responsibilities, recognizing that developed countries should take the lead in emission reductions and provide support to developing countries. The Paris Agreement garnered widespread international support, with 197 parties signing and 191 ratifying the agreement. It symbolizes a collective global effort to address the existential threat of climate change and marks a significant step forward in international cooperation for a sustainable future.

What does the Paris Agreement emphasize in its approach to climate change?

- A:-Sustainable economic growth and development.
- B:-Equal contribution from all nations.
- C:-Common but differentiated responsibilities.
- D:-Strict regulations and penalties.

Correct Answer:- Option-C

Question58:-Read the following passage and answer the question by choosing among the four alternatives given:

The Olympic Games, held every four years, bring together athletes from around the world in a celebration of sport and unity. The origins of the modern Olympics can be traced back to ancient Greece, where athletic competitions were held to honor the gods. Today, the Olympic Games encompass a wide range of sports, from track and field to swimming, gymnastics, and beyond. The Games provide a platform for athletes to showcase their skills, determination, and sportsmanship on an international stage. Athletes spend years honing their craft, pushing the boundaries of human potential, and striving for excellence. The Olympic Games foster a spirit of camaraderie, where competitors from different nations come together in friendly rivalry, promoting peace and understanding through the universal language of sports. The excitement, passion, and memorable moments created during the Olympic Games have captivated audiences for decades, inspiring generations to pursue their athletic dreams and embrace the values of fair play, perseverance, and respect.

What is the primary objective of the Olympic Games?

- A:-To honor the gods of ancient Greece.
- B:-To bring athletes from around the world together in friendly competition.
- C:-To achieve worldwide fame and recognition for participating athletes.
- D:-To promote commercial interests and generate revenue.
