SLAT 2024

Exam Analysis & Memory-Based
Questions (Test 1 & 2)

Symbiosis International University (SIU) conducted the [SLAT 2024](#) phase 2 exam on May 11, while SLAT phase 1 exams were conducted on May 5, 2024. According to the students, the exam was moderately difficult, with several questions featuring comprehension-based paragraphs. The SLAT Test 2 was relatively easier compared to the SLAT Test 1. The top choice among Symbiosis Law Schools is its Pune campus. [SLS Pune](#) always has the highest cut-offs in SLAT 2024, followed by Noida, Hyderabad and Nagpur campuses.

The SLAT 2024 question paper had both simple, fact-based and comprehension-based questions. Here is a brief analysis of [SLAT 2024 exam](#).

SLAT 2024 Section Wise Analysis for Phase 1

Sections	Difficulty level	Topics	Remarks
Logical reasoning	Moderate	Statement, assumptions, argument-based questions, questions on blood relations and alphabet coding	Slightly tricky
Legal Reasoning	Easy	Principle and fact-based questions. Questions on negligence and contract law	Simple fact-based questions.
Analytical reasoning	Moderate	Questions on simple and compound interest, profit and loss, data interpretation, probability, and percentage	Slightly on the lengthier side
Reading comprehension	Easy	4 passages. Direct questions based on the passage	Easy questions to be answered directly from the passage
GK	Easy to moderate	Questions on Olympics, organisations such as SEBI, full forms. Around 2-4 questions on current events.	Mostly static GK-based questions.
