All Questions with Solutions

Q. 1 **Directions:** Which answer figure will combine with the pattern in the question figure?

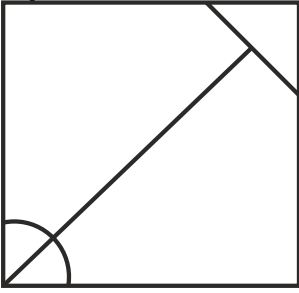

Option 1:

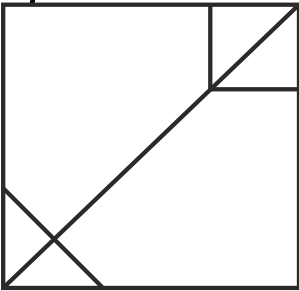

Option 2:

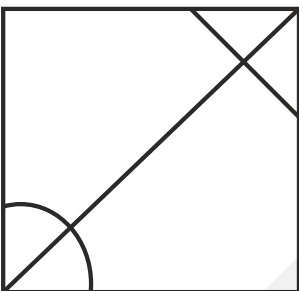

Option 3:

Option 4:

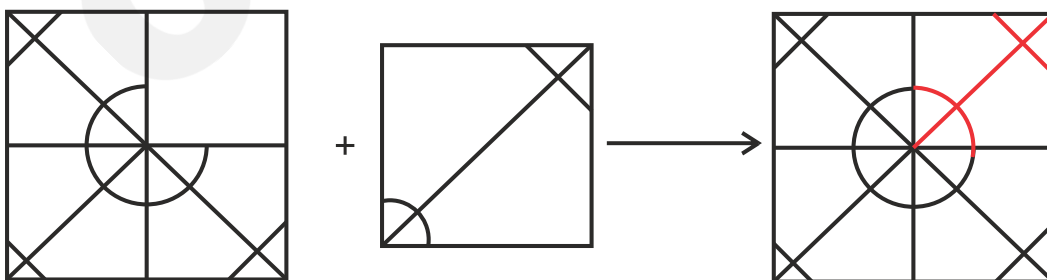

Correct Answer:

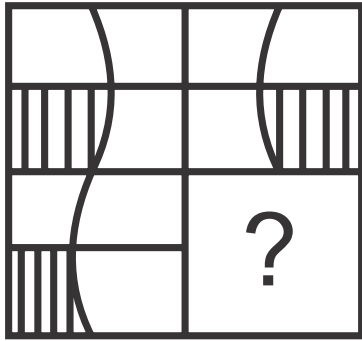

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

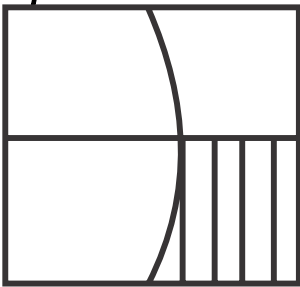

Hence, the **first option** is correct.

- Q. 2** **Directions:** Which answer figure will combine the pattern in the question figure?

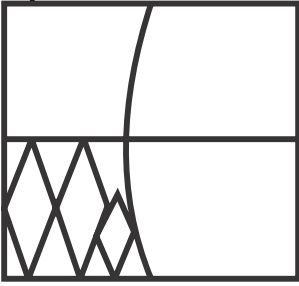

Option 1:

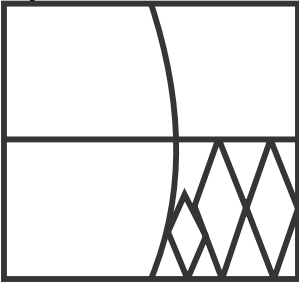

Option 2:

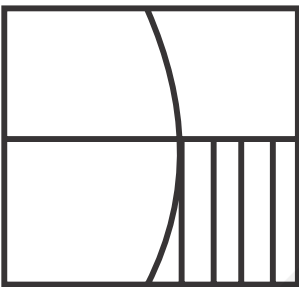

Option 3:

Option 4:

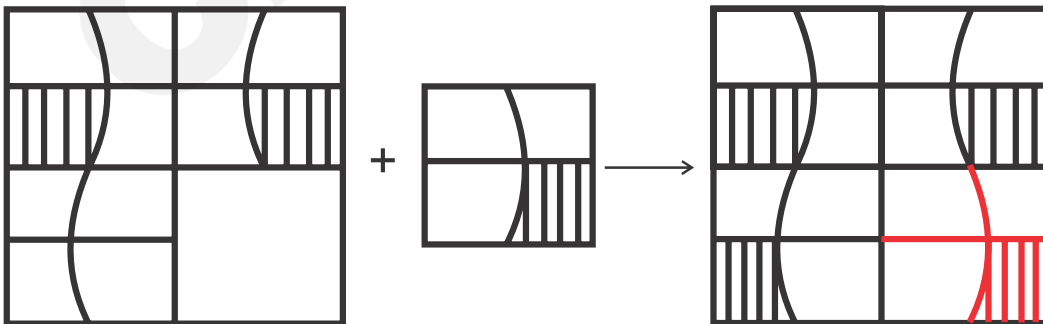

Correct Answer:

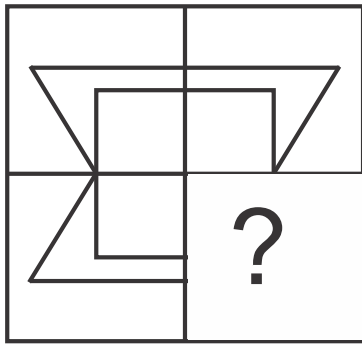

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

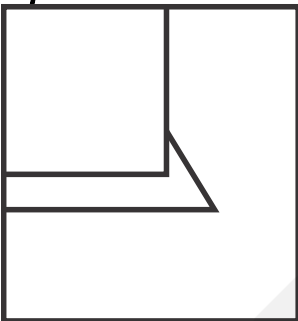

Hence, the **first option** is correct.

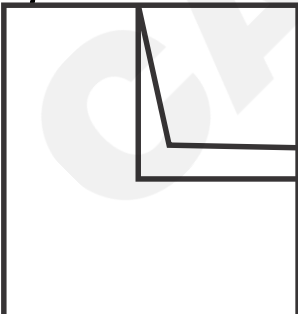

- Q. 3** **Directions:** Which answer figure will complete the pattern in the question figure?

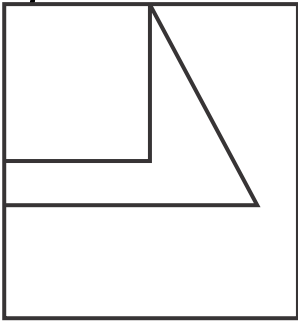

Option 1:

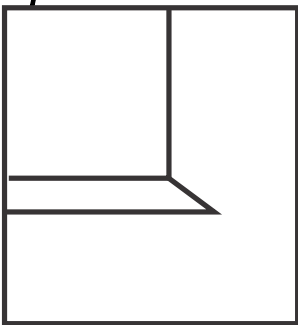

Option 2:

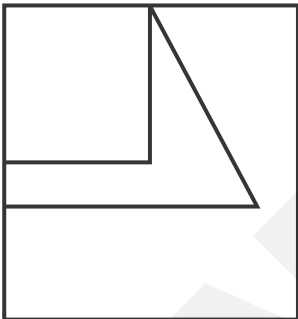

Option 3:

Option 4:

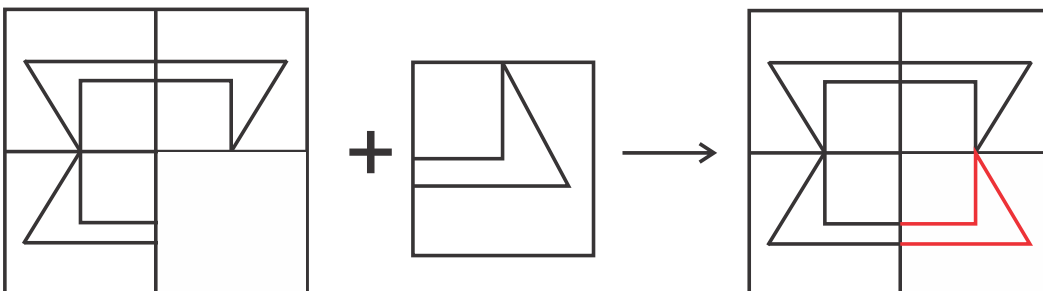

Correct Answer:

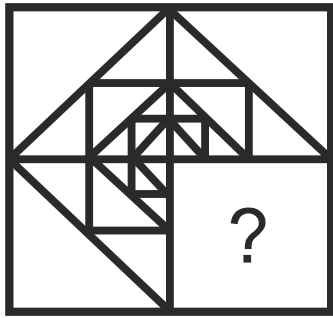

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

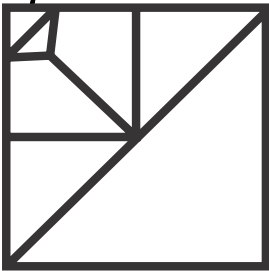

Hence, the **third option** is correct.

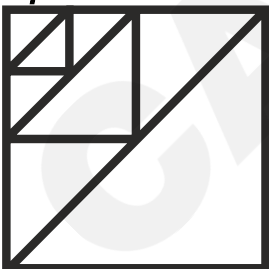

- Q. 4** **Directions:** Which answer figure will combine with the pattern in the question figure?

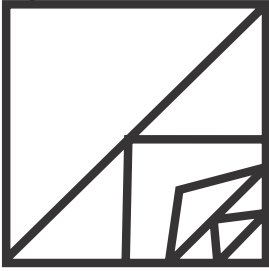

Option 1:

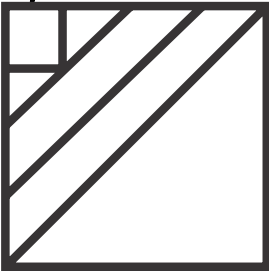

Option 2:

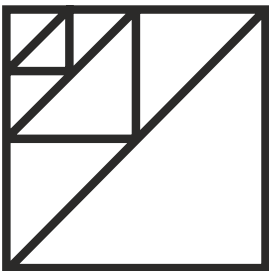

Option 3:

Option 4:

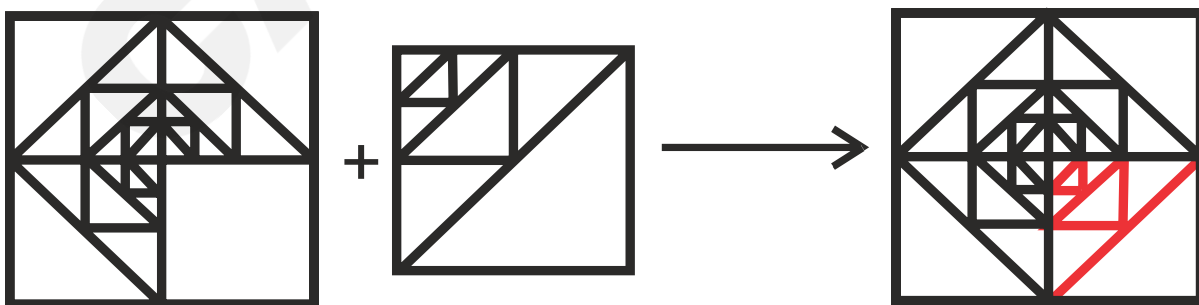

Correct Answer:

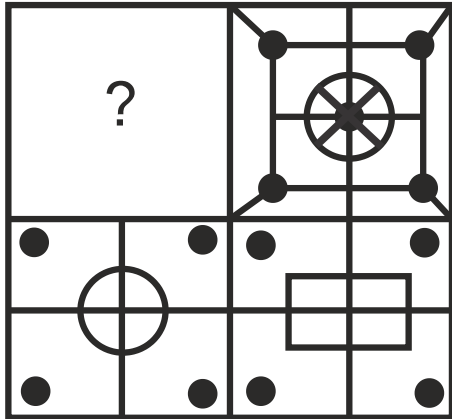

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

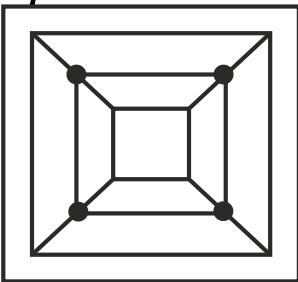

Hence, the **second option** is correct.

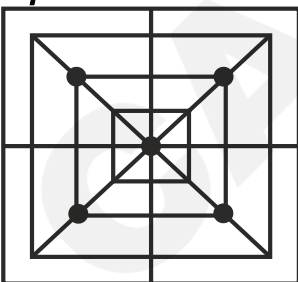

- Q. 5** **Directions:** Which answer figure will combine with the pattern in the question figure?

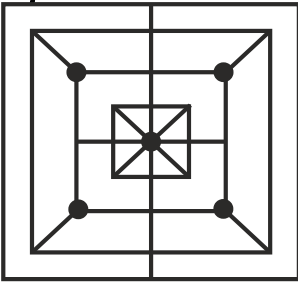

Option 1:

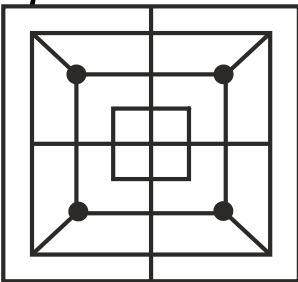

Option 2:

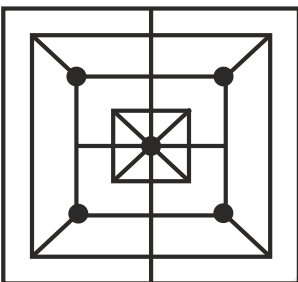

Option 3:

Option 4:

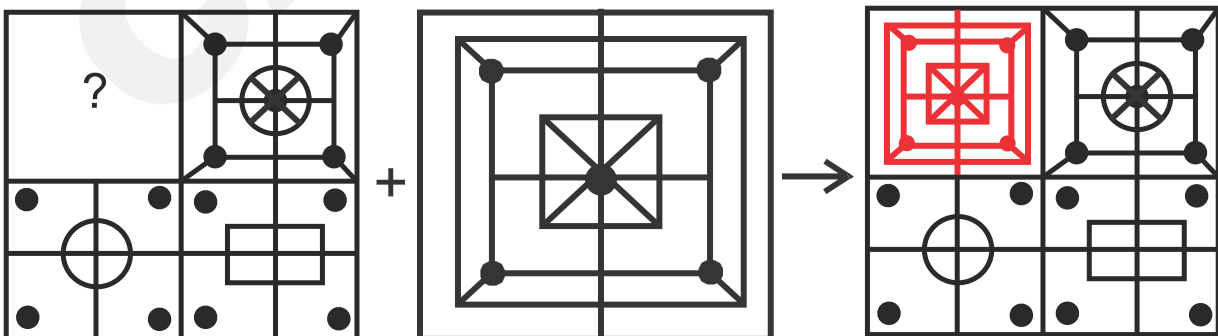

Correct Answer:

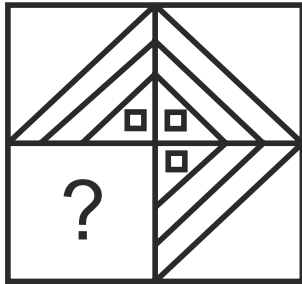

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

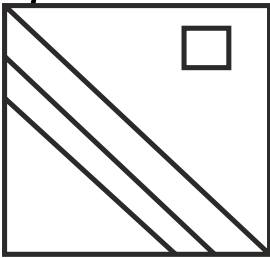

Hence, the **third option** is correct.

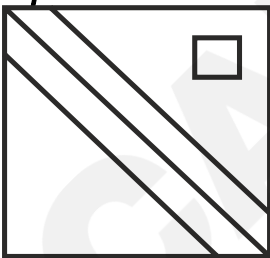

- Q. 6** **Directions:** Which answer figure will complete the pattern in the question figure?

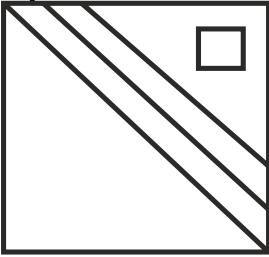

Option 1:

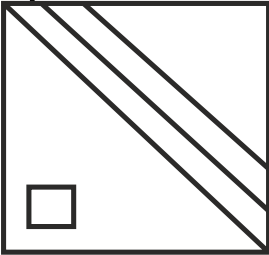

Option 2:

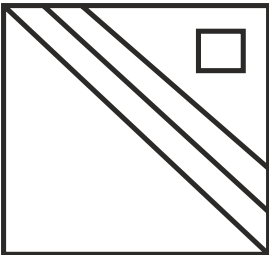

Option 3:

Option 4:

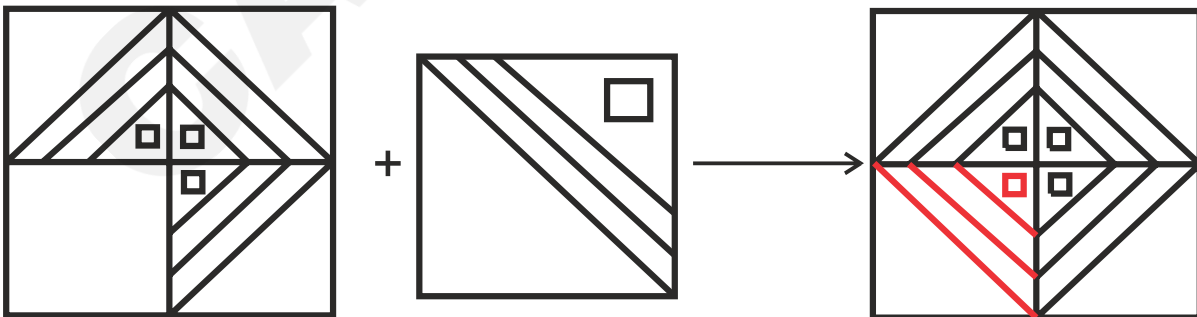

Correct Answer:

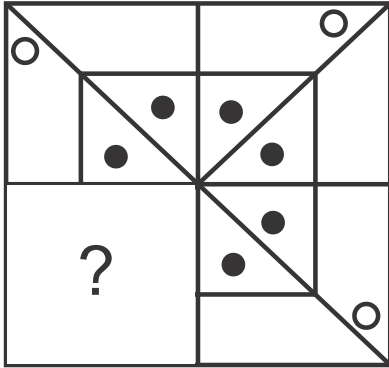

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

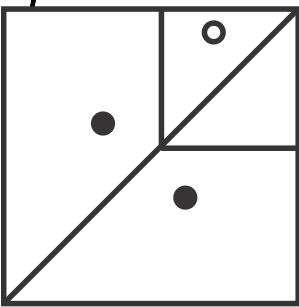

Hence, the **third option** is correct.

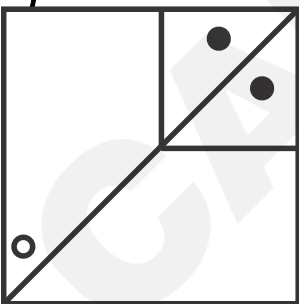

Q. 7 **Directions:** Which answer figure will complete the pattern in the question figure?

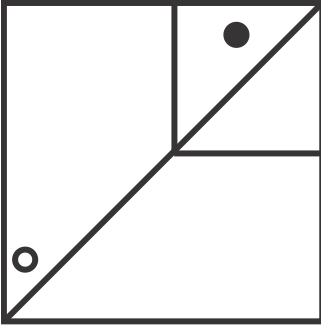

Option 1:

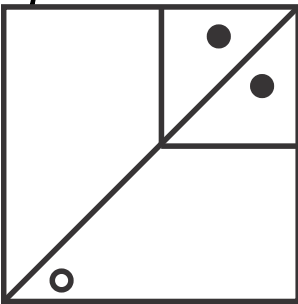

Option 2:

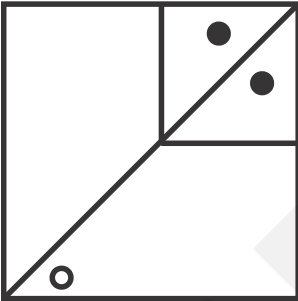

Option 3:

Option 4:

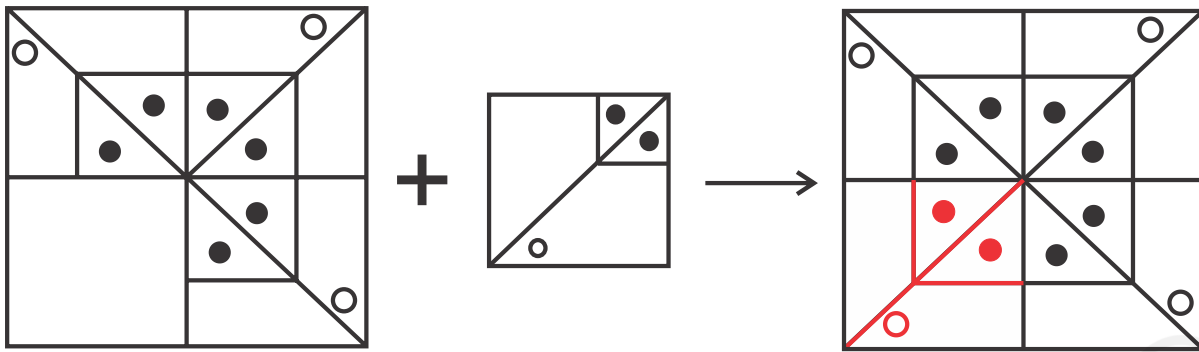

Correct Answer:

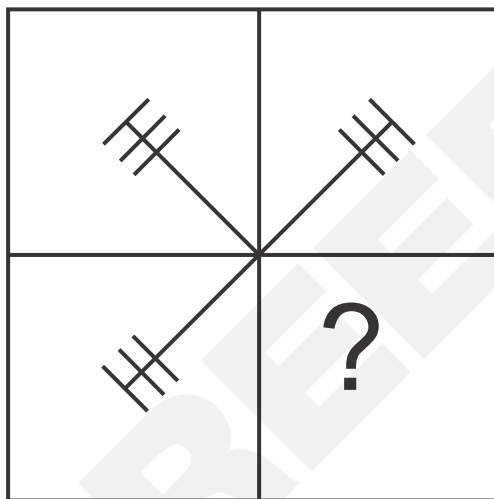

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

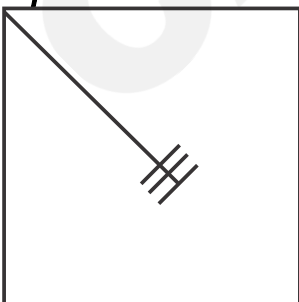

Hence, the **fourth option** is correct.

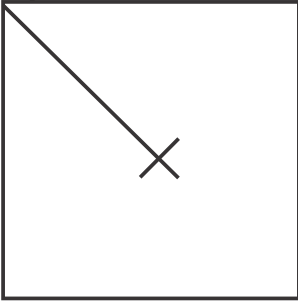

Q. 8 **Directions:** Which answer figure will complete the pattern in the question figure?

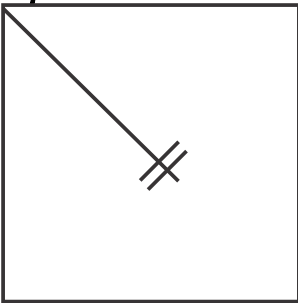

Option 1:

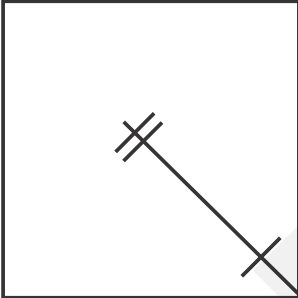

Option 2:

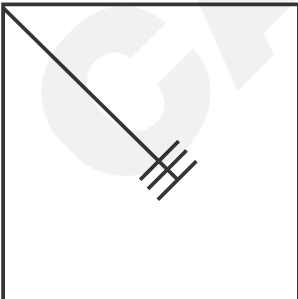

Option 3:

Option 4:

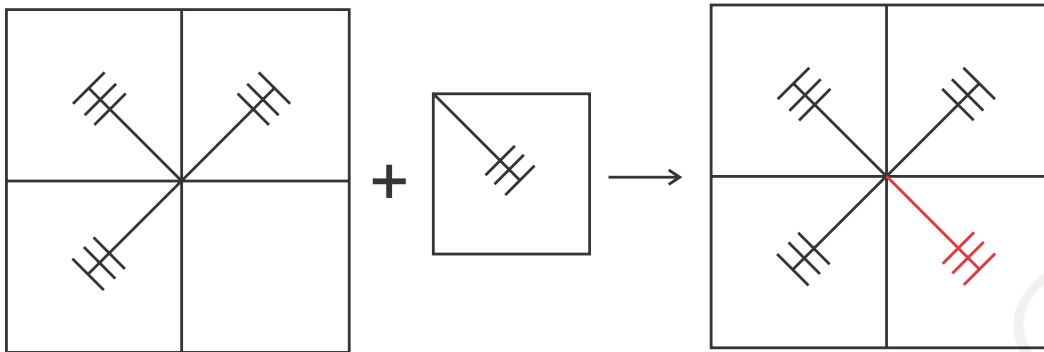

Correct Answer:

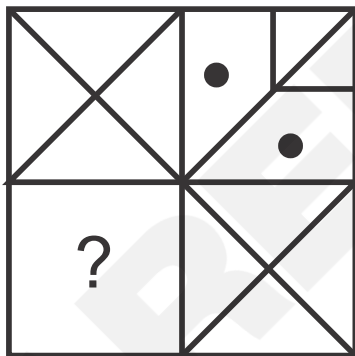

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

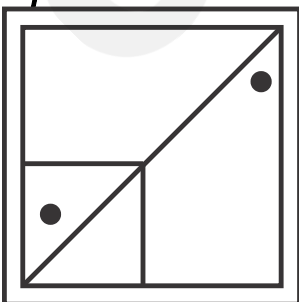

Hence, the **first option** is correct.

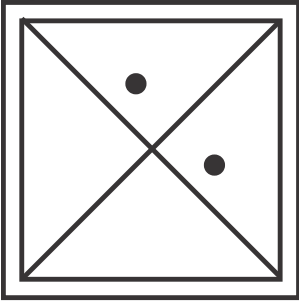

Q. 9 **Directions:** Which answer figure will complete the pattern in the question figure?

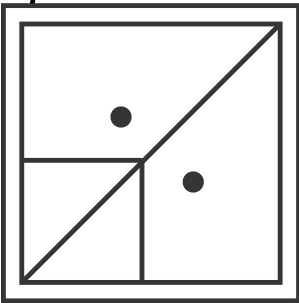

Option 1:

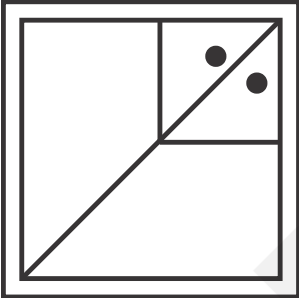

Option 2:

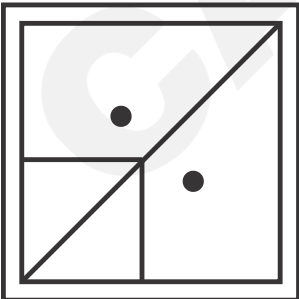

Option 3:

Option 4:

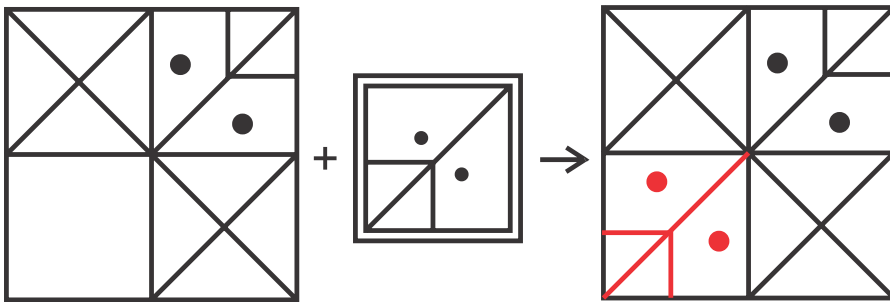

Correct Answer:

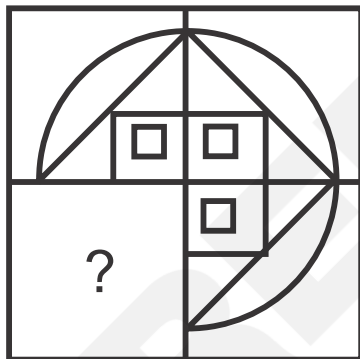

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

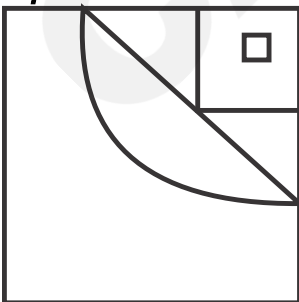

Hence, the **third option** is correct.

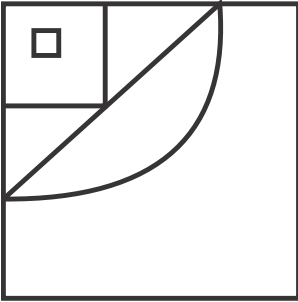

Q. 10 **Directions:** Which figure will complete the pattern in the given figure in the question?

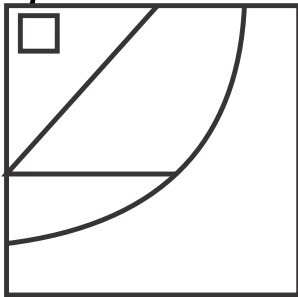

Option 1:

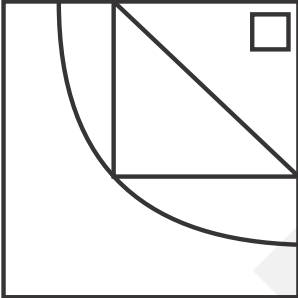

Option 2:

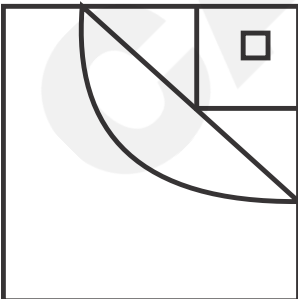

Option 3:

Option 4:

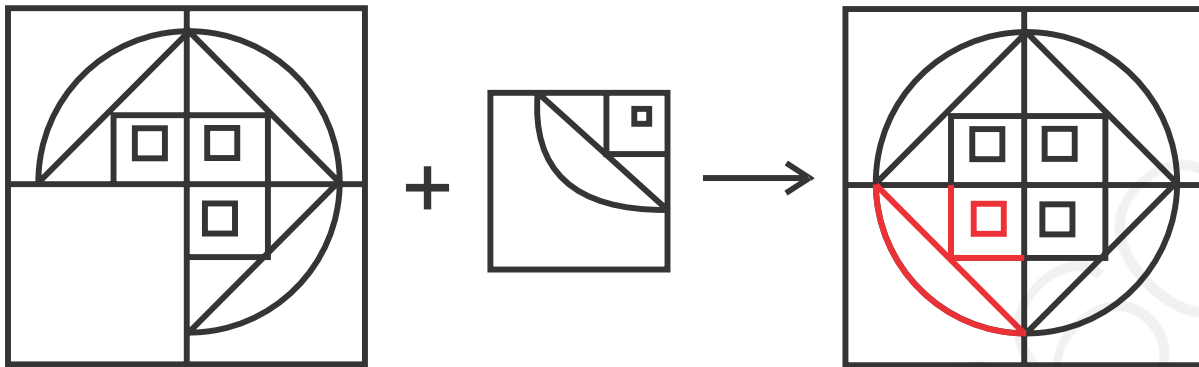

Correct Answer:

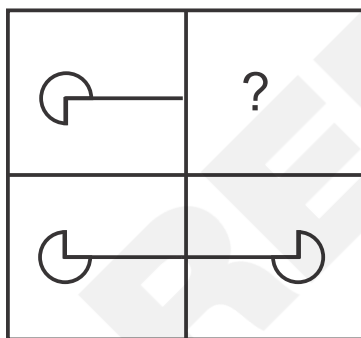

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

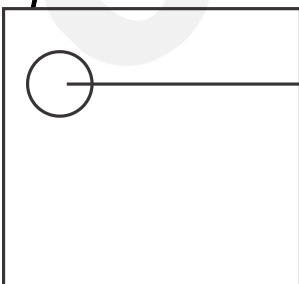

Hence, the **first option** is correct.

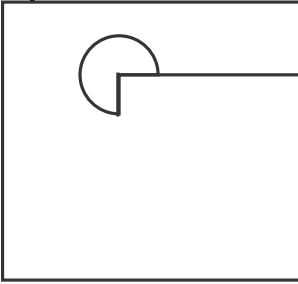

Q. 11 **Directions:** Which answer figure will complete the pattern in the question figure?

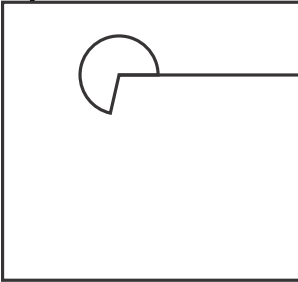

Option 1:

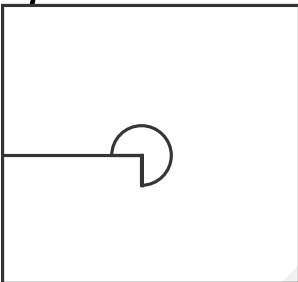

Option 2:

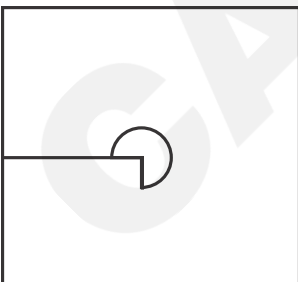

Option 3:

Option 4:

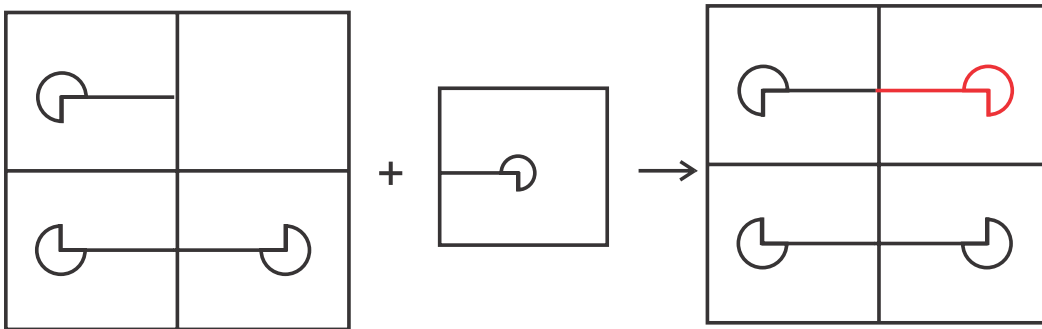

Correct Answer:

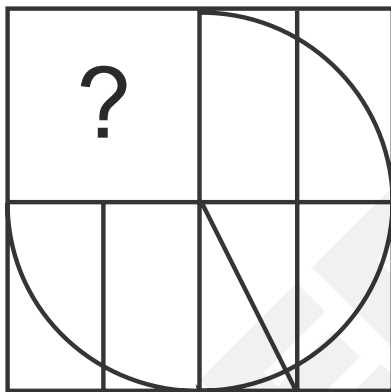

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

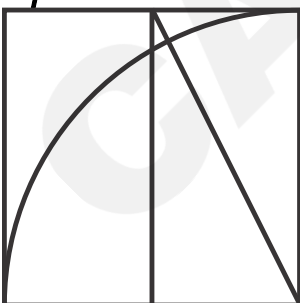

Hence, the **fourth option** is correct.

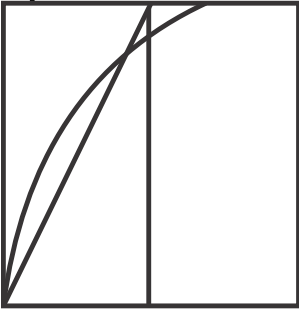

Q. 12 **Directions:** Which answer figure will complete the pattern in the question figure?

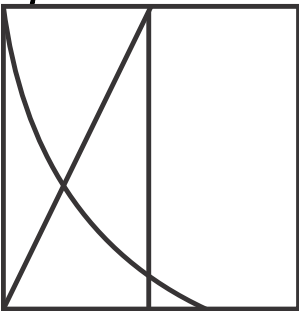

Option 1:

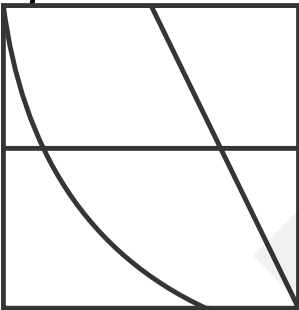

Option 2:

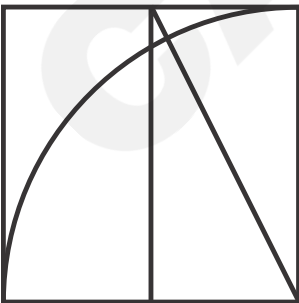

Option 3:

Option 4:

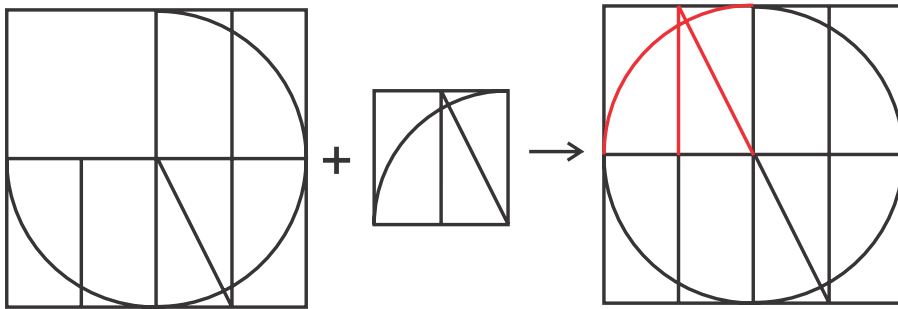

Correct Answer:

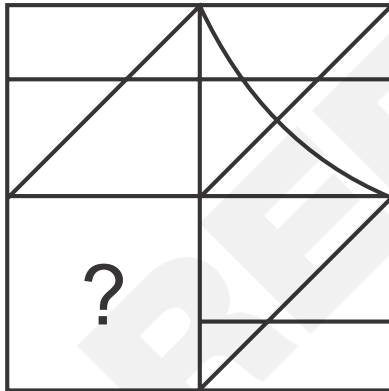

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

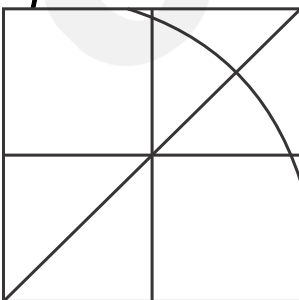

Hence, the **first option** is correct.

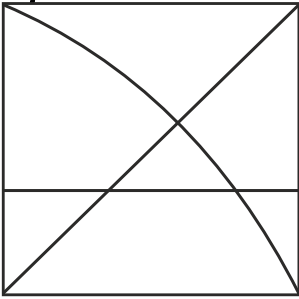

Q. 13 **Directions:** Which answer figure will complete the pattern in the question figure?

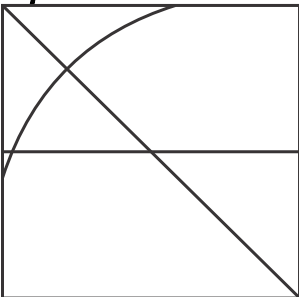

Option 1:

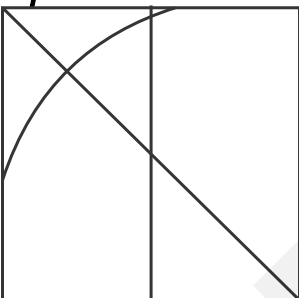

Option 2:

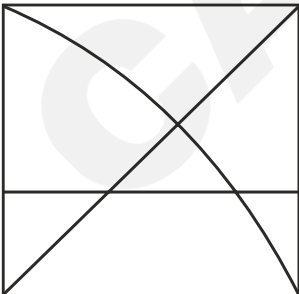

Option 3:

Option 4:

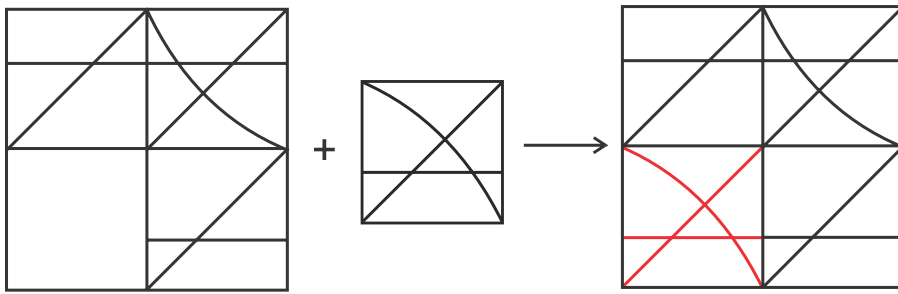

Correct Answer:

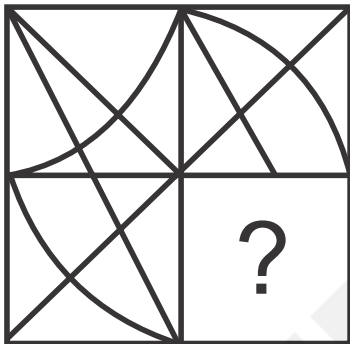

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

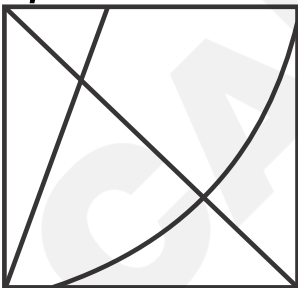

Hence, the **second option** is correct.

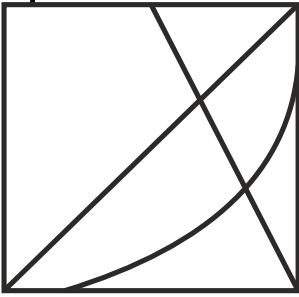

Q. 14 **Directions:** Which answer figure will complete the pattern in the question figure?

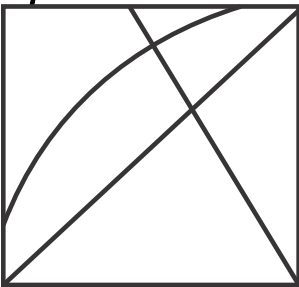

Option 1:

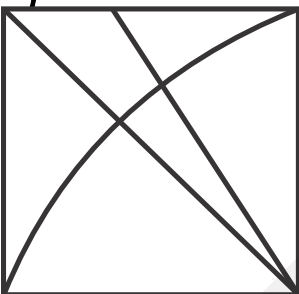

Option 2:

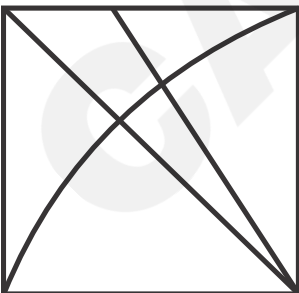

Option 3:

Option 4:

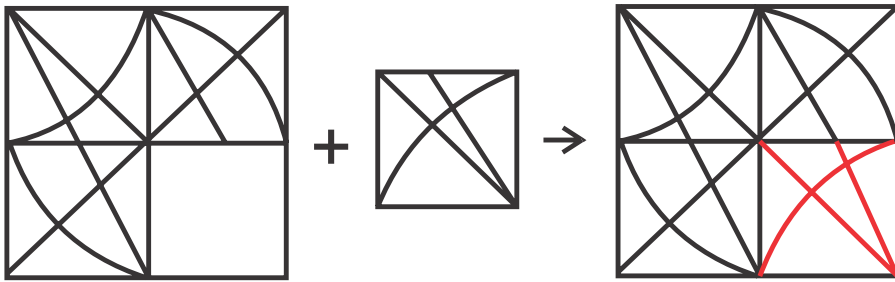

Correct Answer:

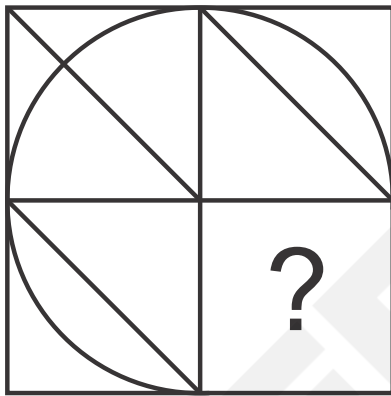

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

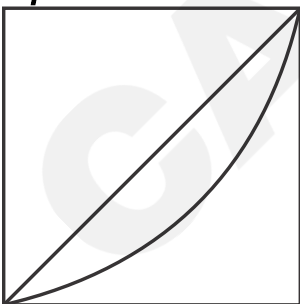

Hence, the **fourth option** is correct.

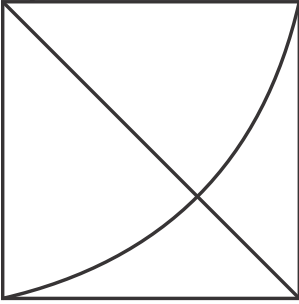

- Q. 15** **Directions:** Which answer figure will complete the pattern in the question figure?

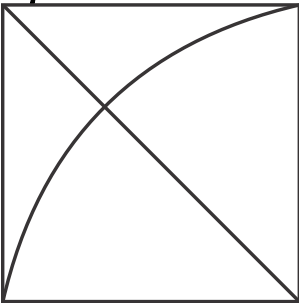

Option 1:

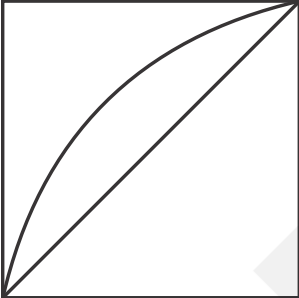

Option 2:

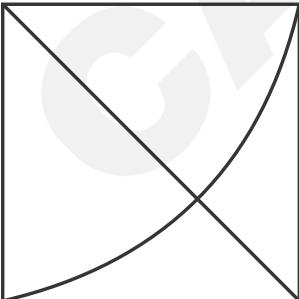

Option 3:

Option 4:

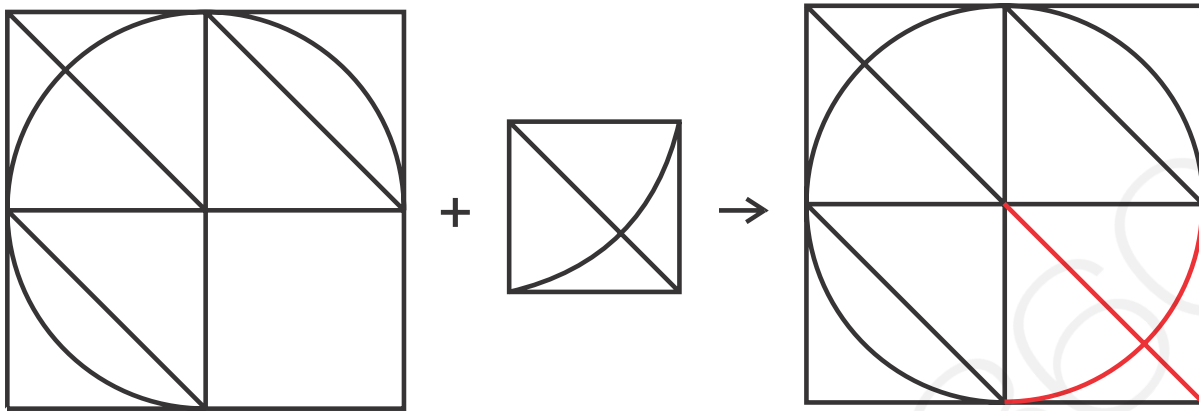

Correct Answer:

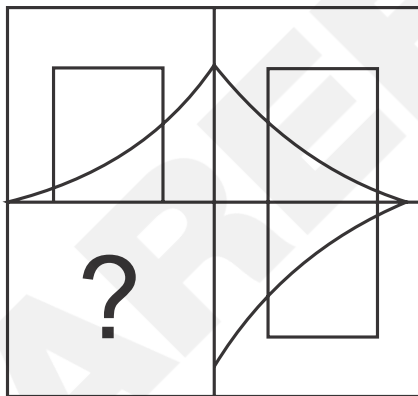

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

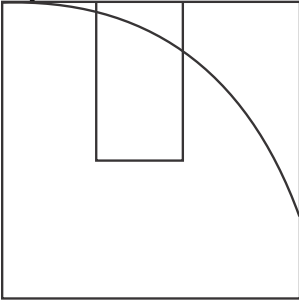

Hence, the **second option** is correct.

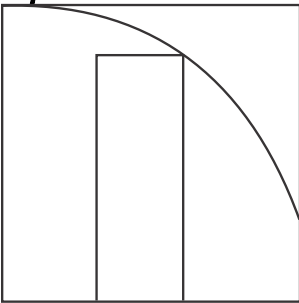

Q. 16 **Directions:** Which answer figure will complete the pattern in the question figure?

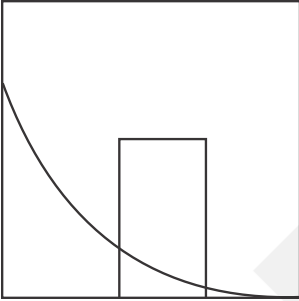

Option 1:

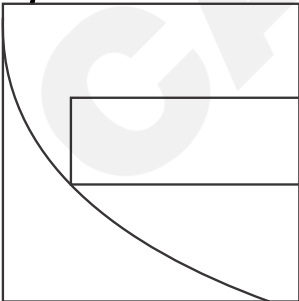

Option 2:

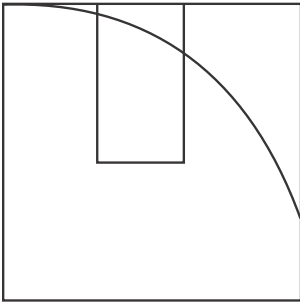

Option 3:

Option 4:

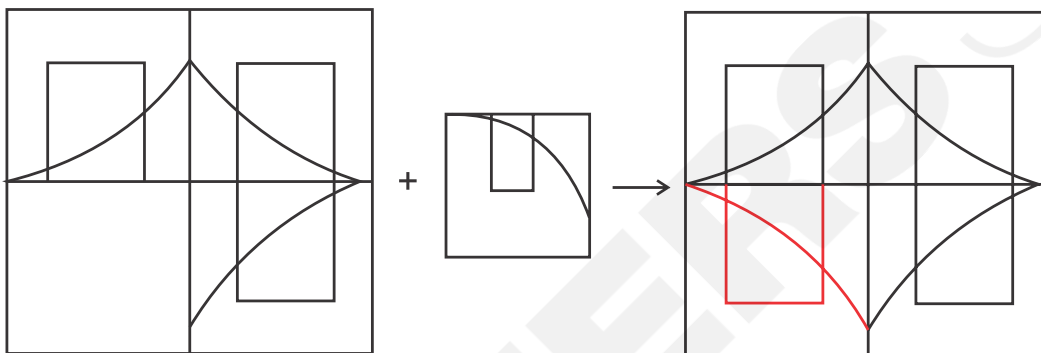

Correct Answer:

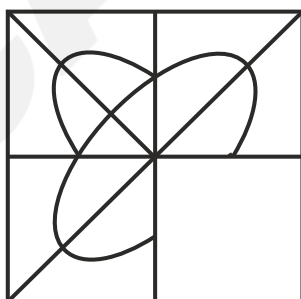

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

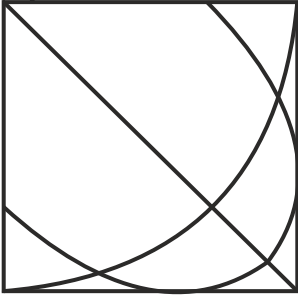

Hence, the **first option** is correct.

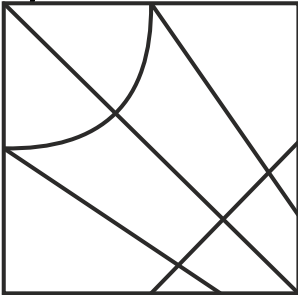

Q. 17 **Directions:** Which answer figure will complete the pattern in the question figure?

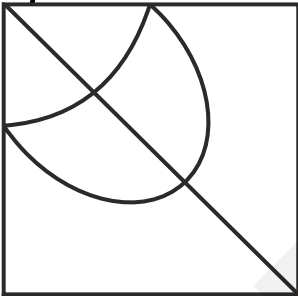

Option 1:

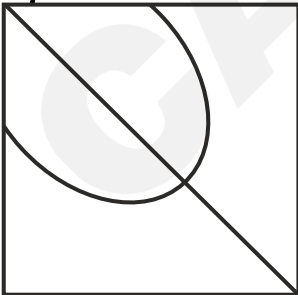

Option 2:

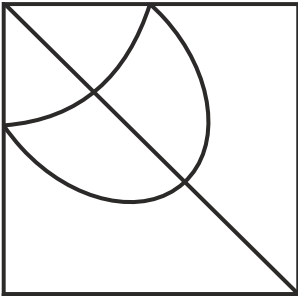

Option 3:

Option 4:

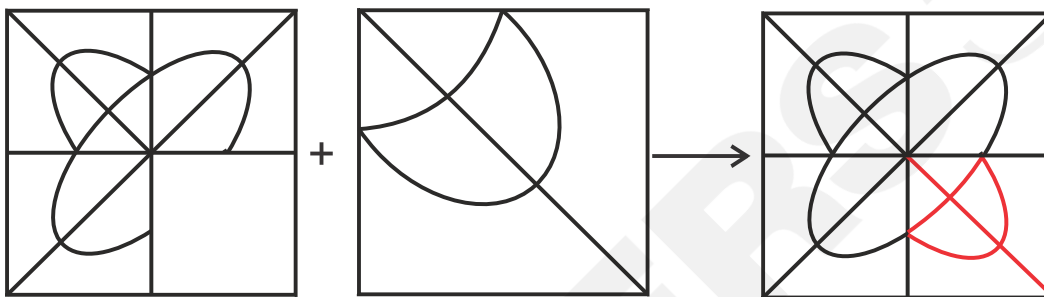

Correct Answer:

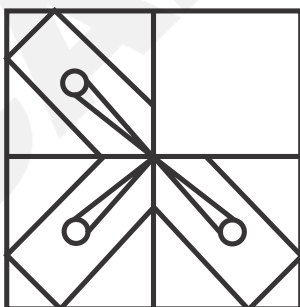

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

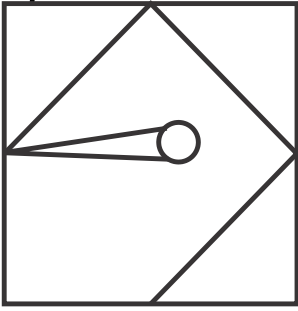

Hence, the **third option** is correct.

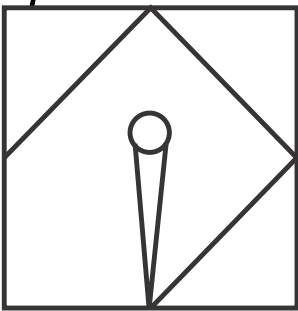

Q. 18 **Directions:** Which answer figure will complete the pattern in the question figure?

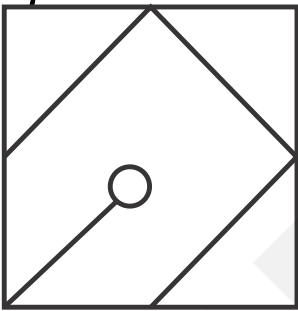

Option 1:

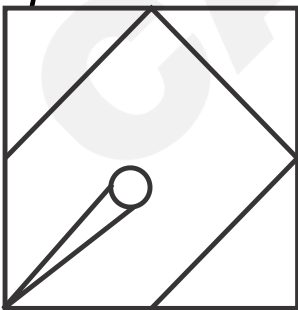

Option 2:

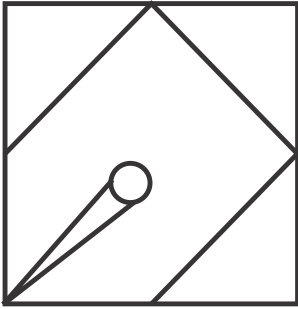

Option 3:

Option 4:

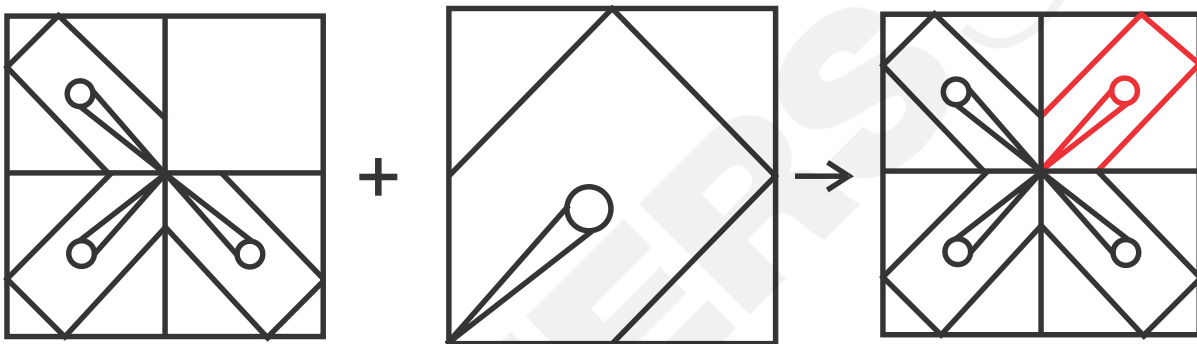

Correct Answer:

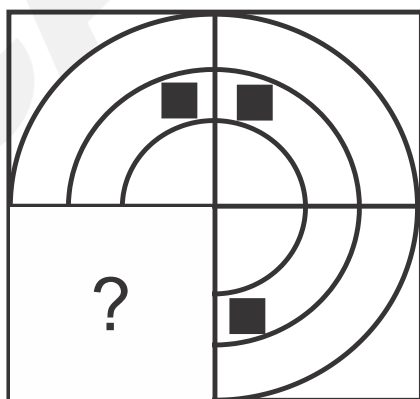

Solution:

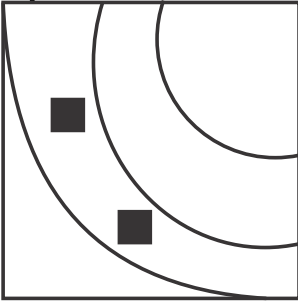

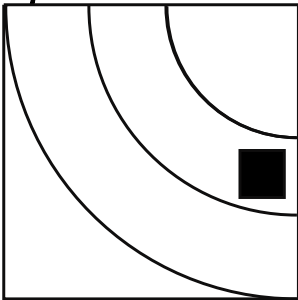

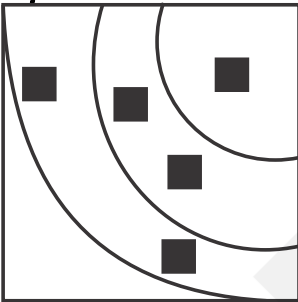

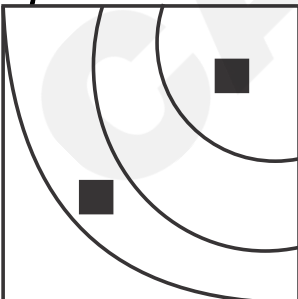

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

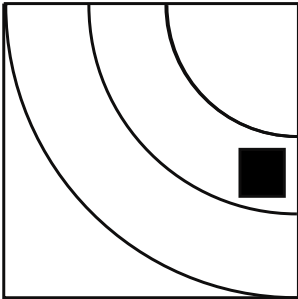

Hence, the **fourth option** is correct.

Q. 19 **Directions:** Which answer figure will complete the pattern in the question figure?

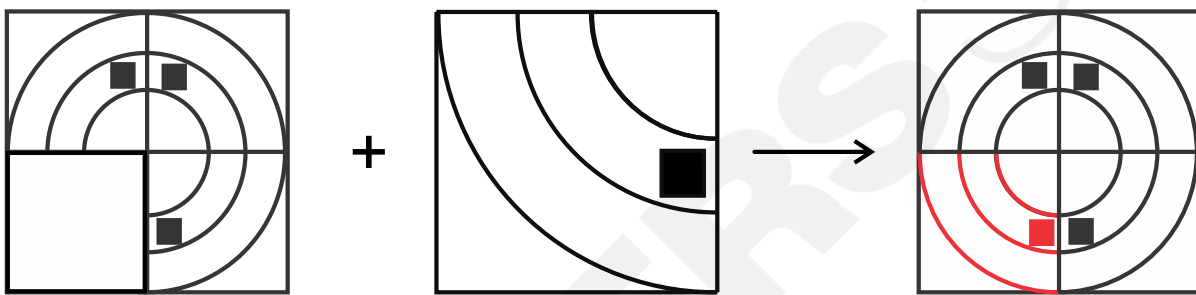

Option 1:**Option 2:****Option 3:****Option 4:**

Correct Answer:

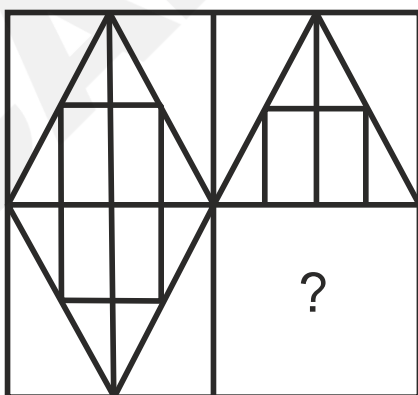

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

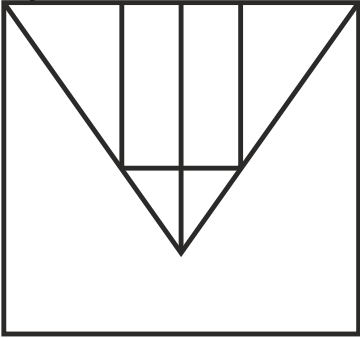

Hence, the **second option** is correct.

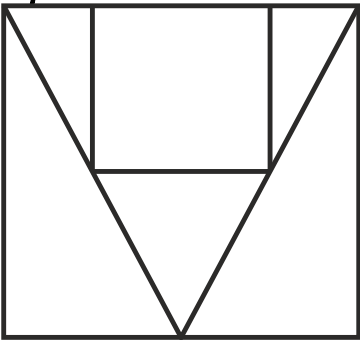

Q. 20 **Directions:** Which answer figure will complete the pattern in the question figure?

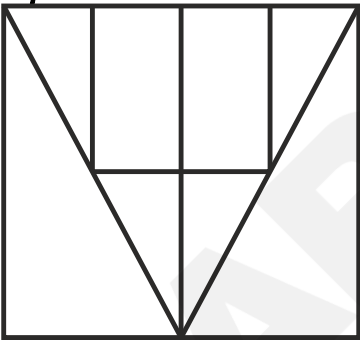

Option 1:

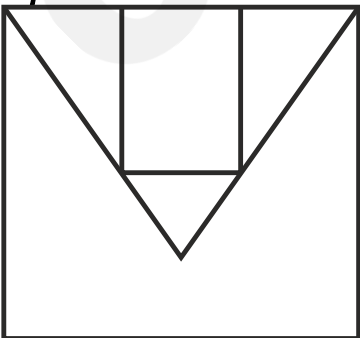

Option 2:

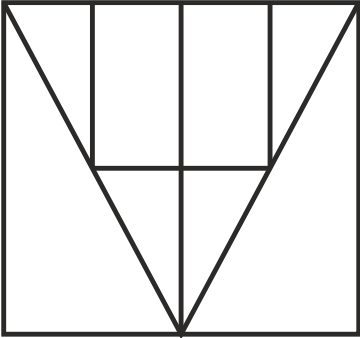

Option 3:

Option 4:

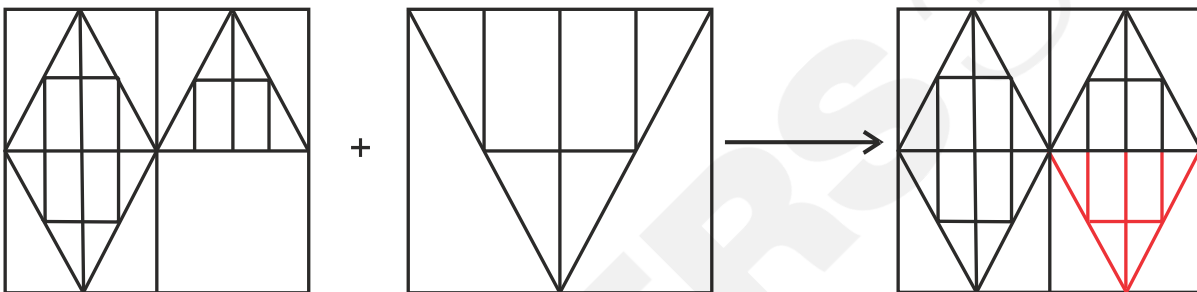

Correct Answer:

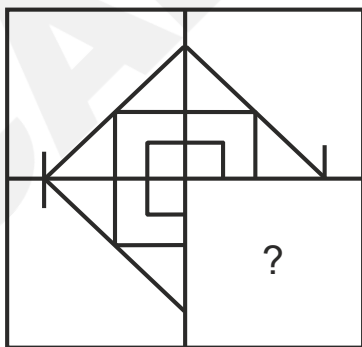

Solution:

The following figure will combine and make the complete pattern –

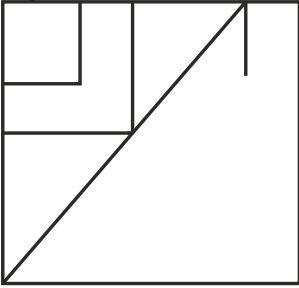

Hence, the **third option** is correct.

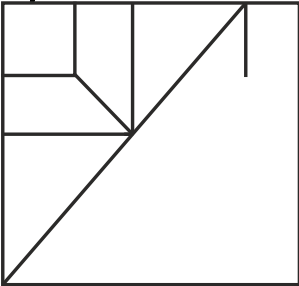

Q. 21 **Directions:** Which answer figure will complete the pattern in the question figure?

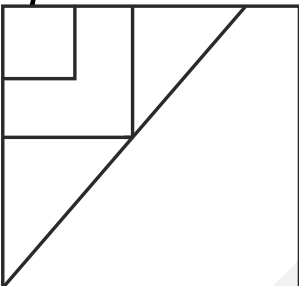

Option 1:

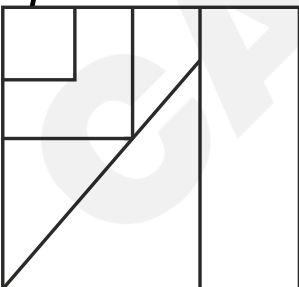

Option 2:

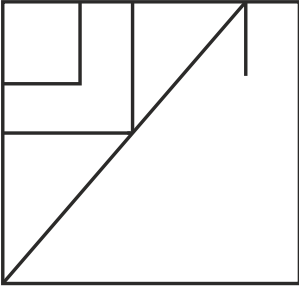

Option 3:

Option 4:

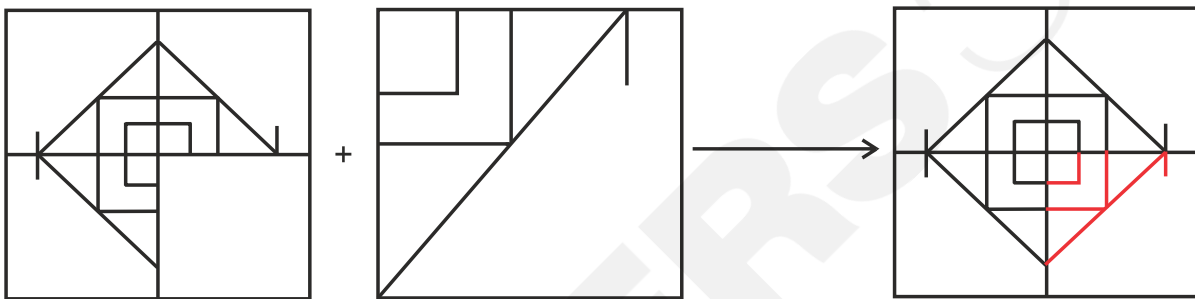

Correct Answer:

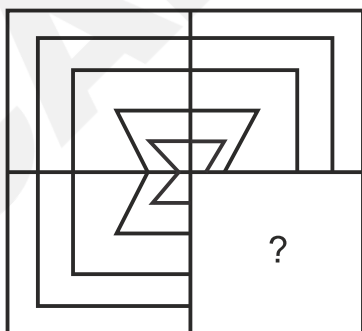

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

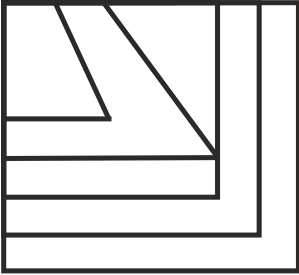

Hence, the **first option** is correct.

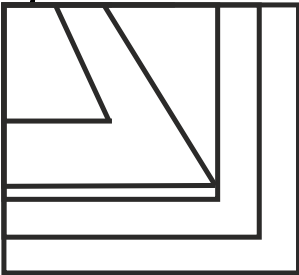

Q. 22 **Directions:** Which answer figure will complete the pattern in the question figure?

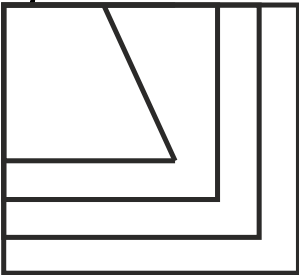

Option 1:

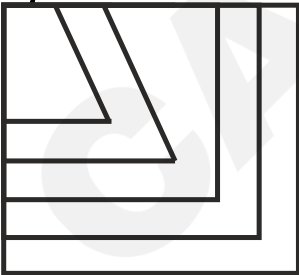

Option 2:

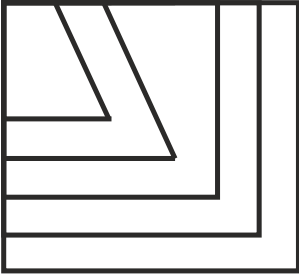

Option 3:

Option 4:

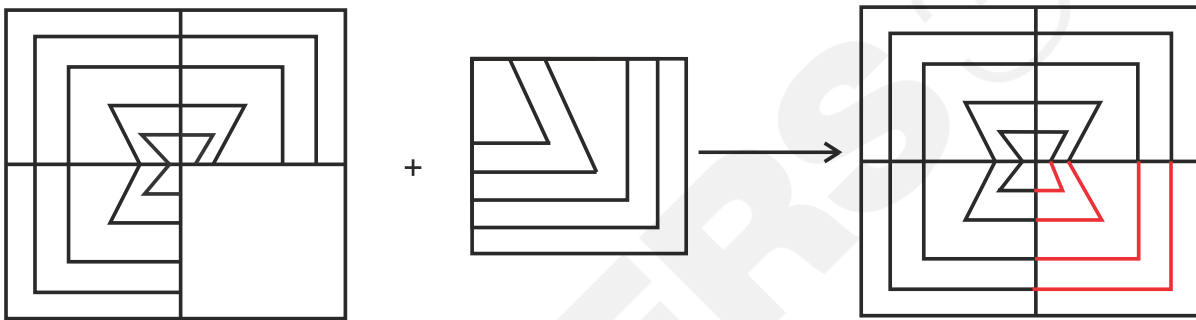

Correct Answer:

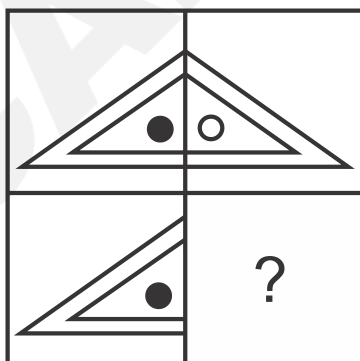

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

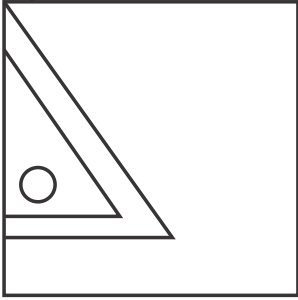

Hence, the **fourth option** is correct.

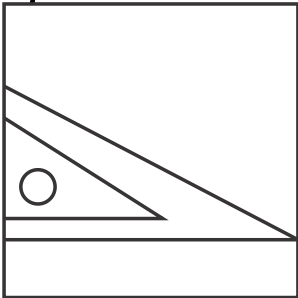

Q. 23 **Directions:** Which answer figure will complete the pattern in the question figure?

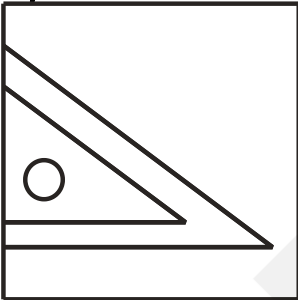

Option 1:

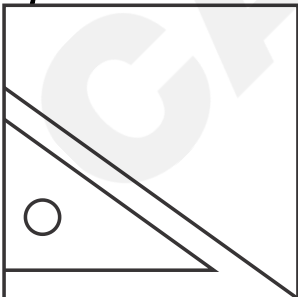

Option 2:

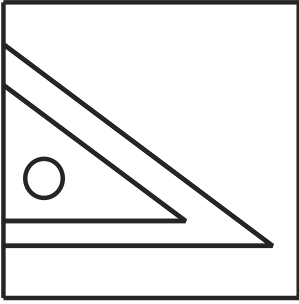

Option 3:

Option 4:

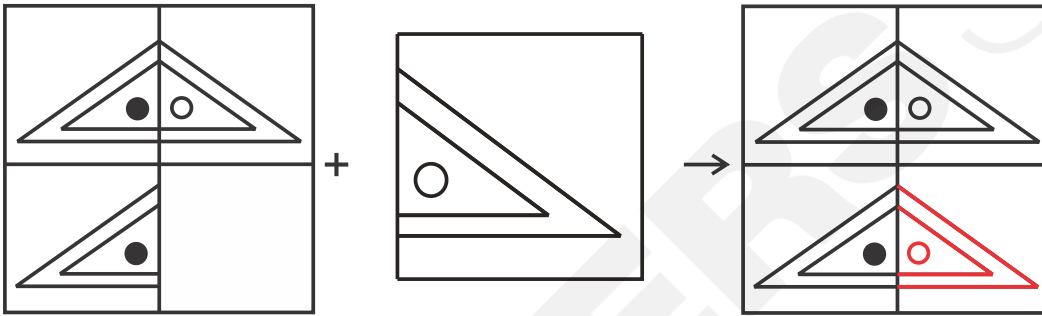

Correct Answer:

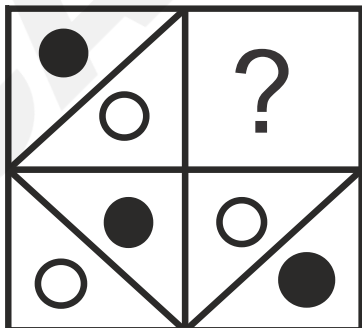

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

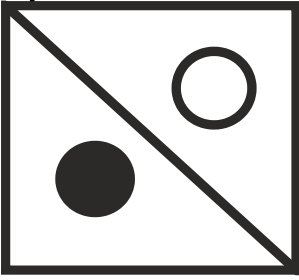

Hence, the **third option** is correct.

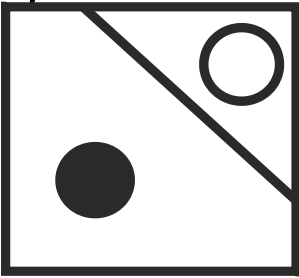

Q. 24 **Directions:** Which answer figure will complete the pattern in the question figure?

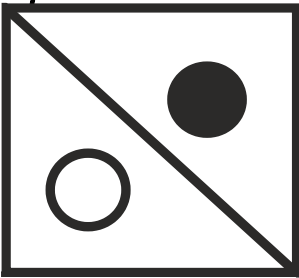

Option 1:

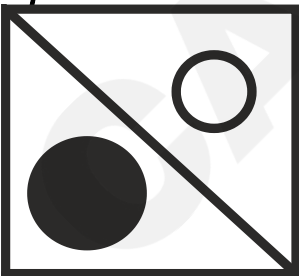

Option 2:

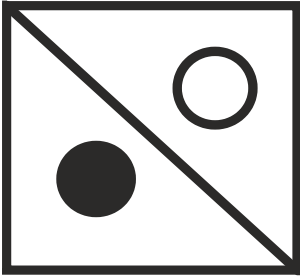

Option 3:

Option 4:

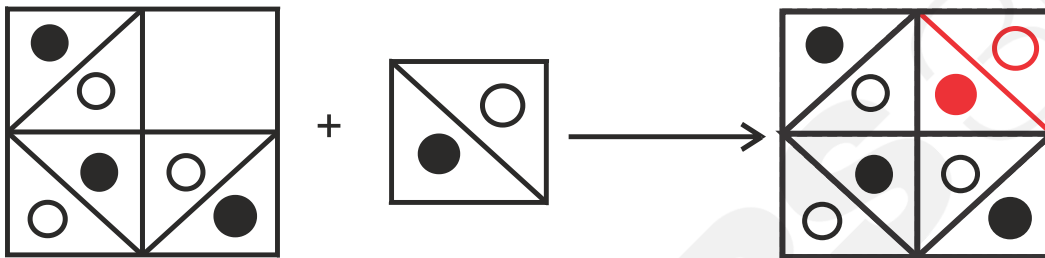

Correct Answer:

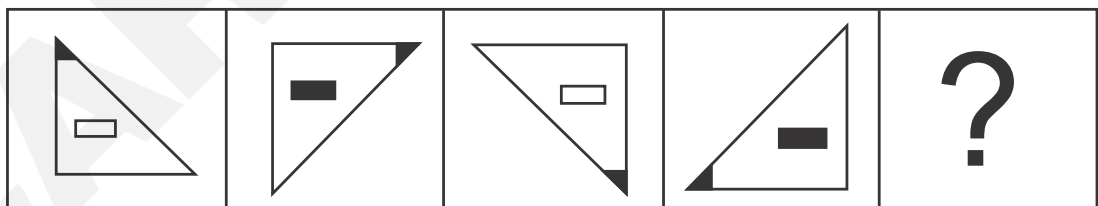

Solution:

The following figures can combine to form a complete pattern –

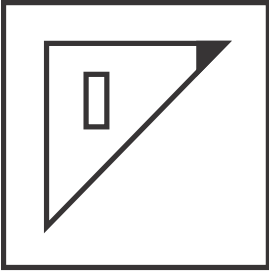

Hence, the **first option** is correct.

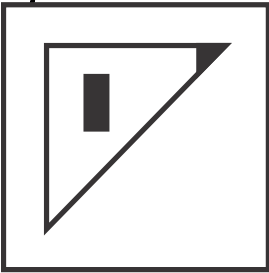

Q. 25 **Directions:** Select the figure that will come next in the following figure series.

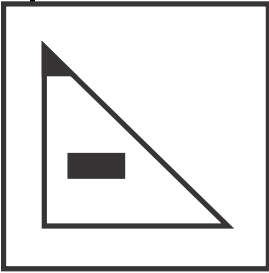

Option 1:

Option 2:

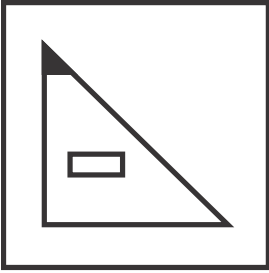

Option 3:

Option 4:

Correct Answer:

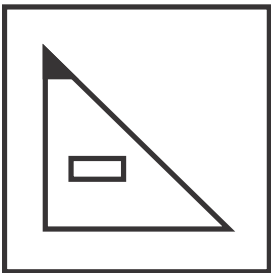

Solution:

According to the question figure –

1. The triangle is rotated by 90° in a clockwise direction.
2. The rectangle symbol inside the triangle is rotated by 90° in a clockwise direction and shaded unshaded alternatively.

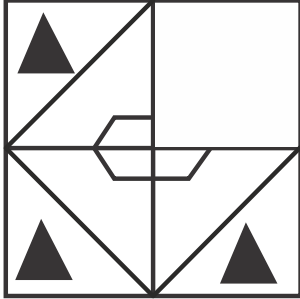

So, following the above pattern, the required figure will be as follows

–

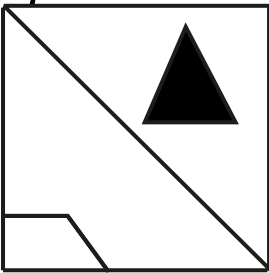

Hence, the **fourth option** is correct.

Q. 26 **Directions:** Which answer figure will complete the pattern in the question figure?

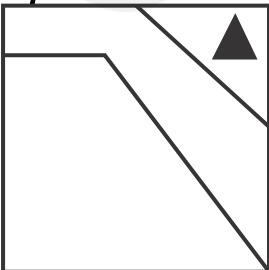

Option 1:

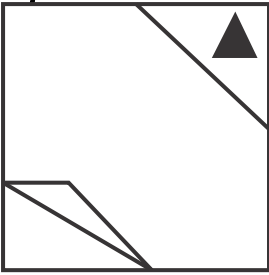

Option 2:

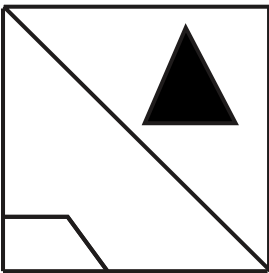

Option 3:

Option 4:

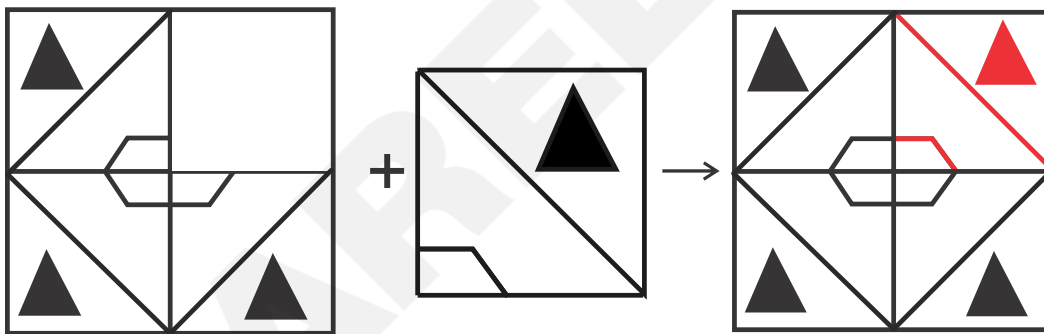

Correct Answer:

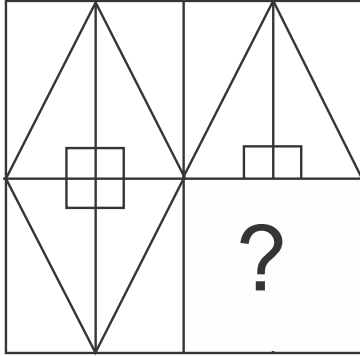

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

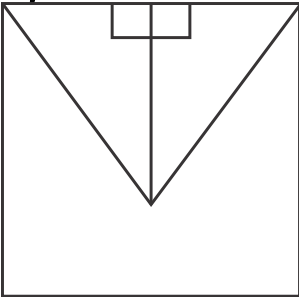

Hence, the **first option** is correct.

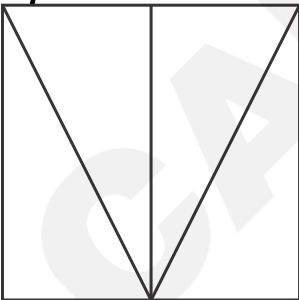

Q. 27 **Directions:** Which answer figure will complete the pattern in the question figure?

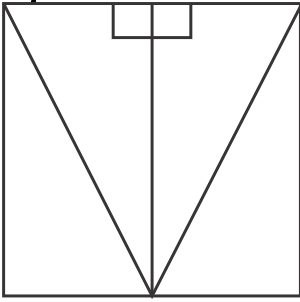

Option 1:

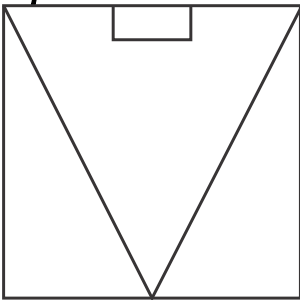

Option 2:

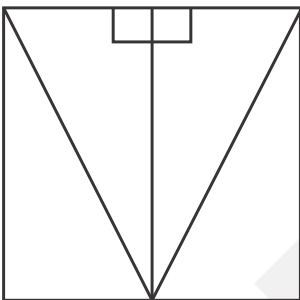

Option 3:

Option 4:

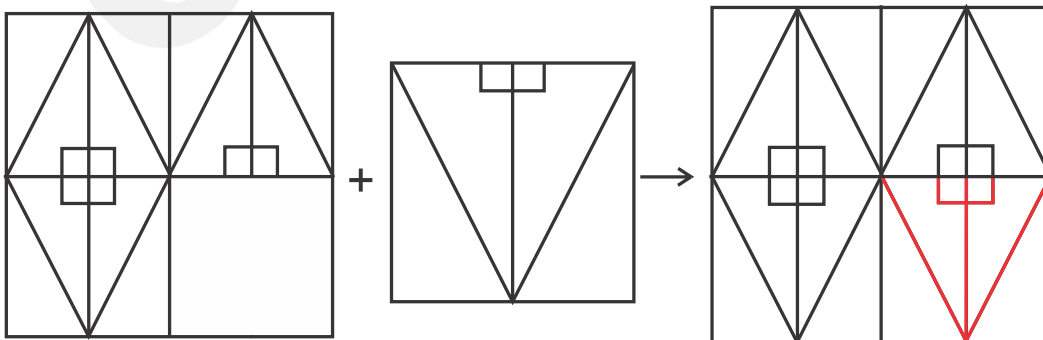

Correct Answer:

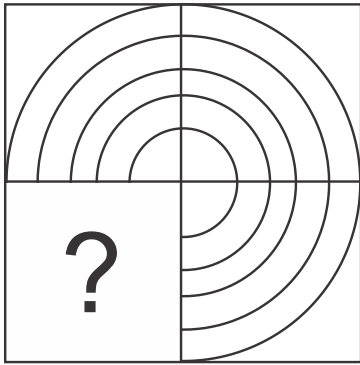

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

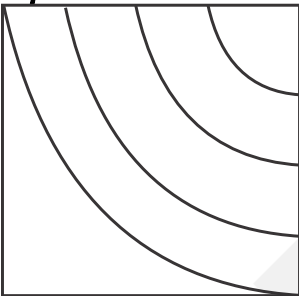

Hence, the **third option** is correct.

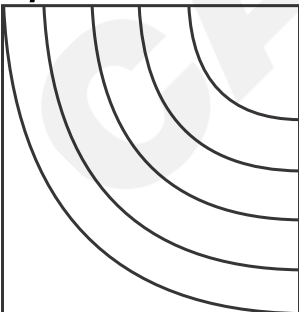

- Q. 28** **Directions:** Which answer figure will complete the pattern in the question figure?

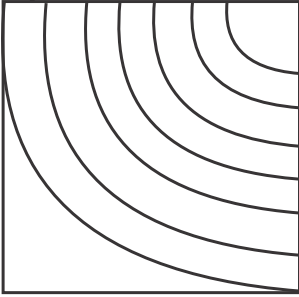

Option 1:

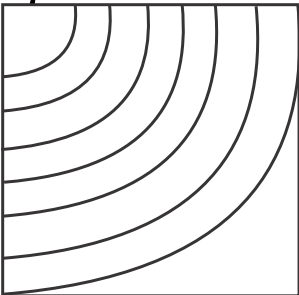

Option 2:

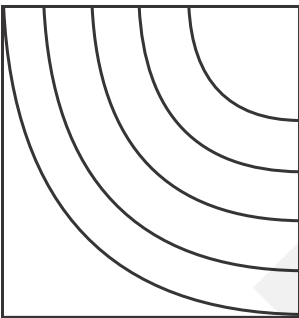

Option 3:

Option 4:

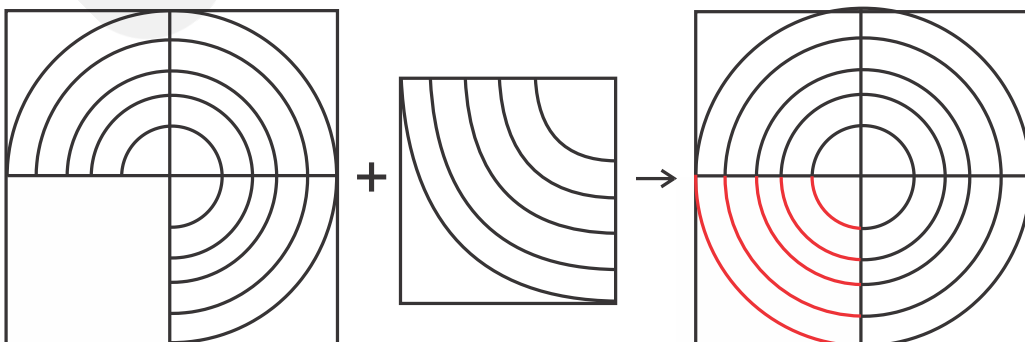

Correct Answer:

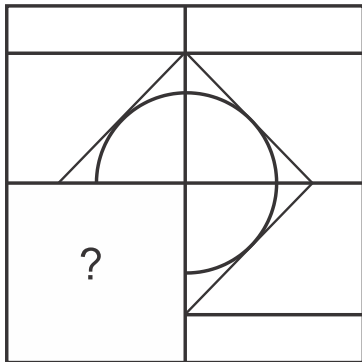

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

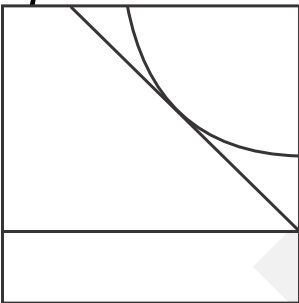

Hence, the **second option** is correct.

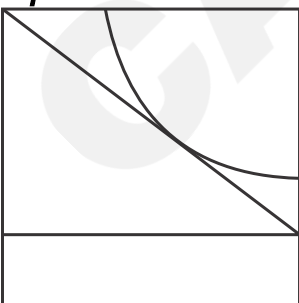

- Q. 29** **Directions:** Which answer figure will combine the pattern in the question figure?

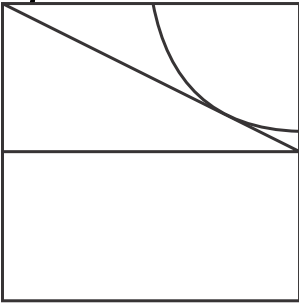

Option 1:

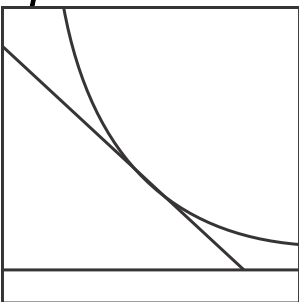

Option 2:

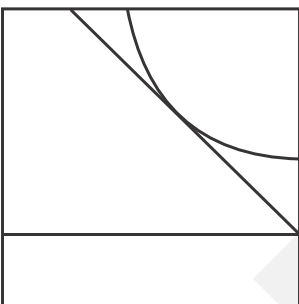

Option 3:

Option 4:

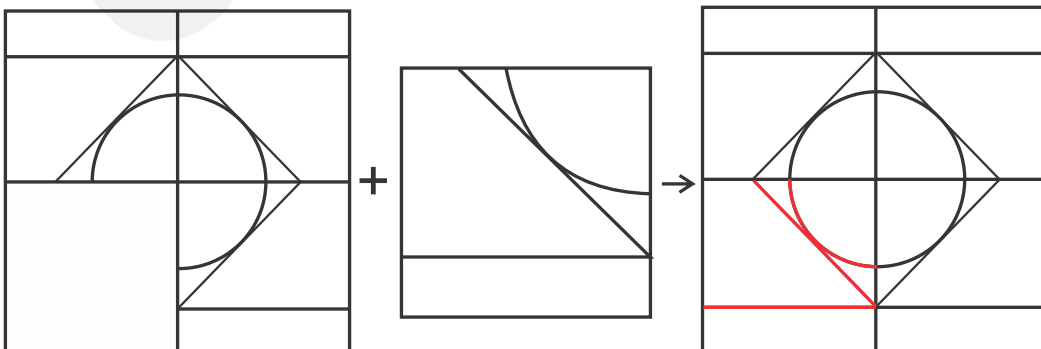

Correct Answer:

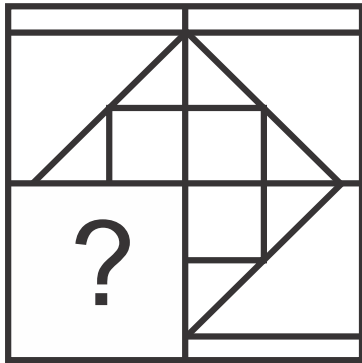

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

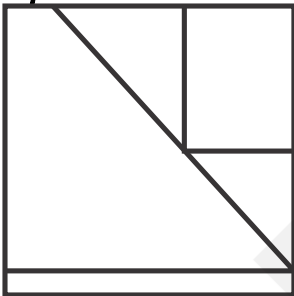

Hence, the **first option** is correct.

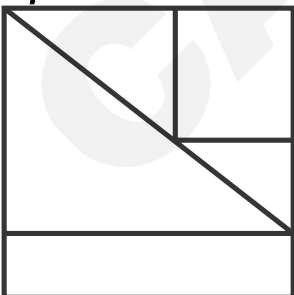

- Q. 30** **Directions:** Which answer figure will complete the pattern in the question figure?

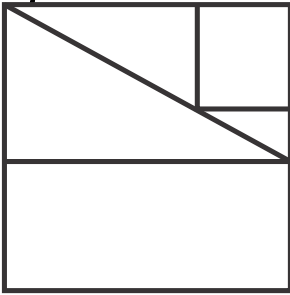

Option 1:

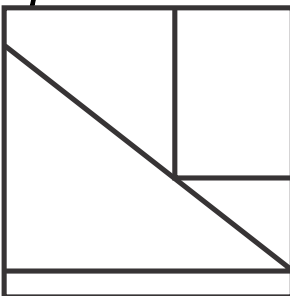

Option 2:

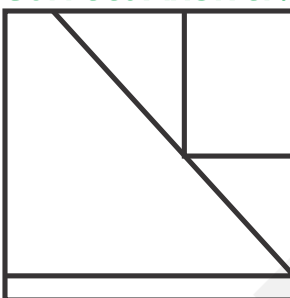

Option 3:

Option 4:

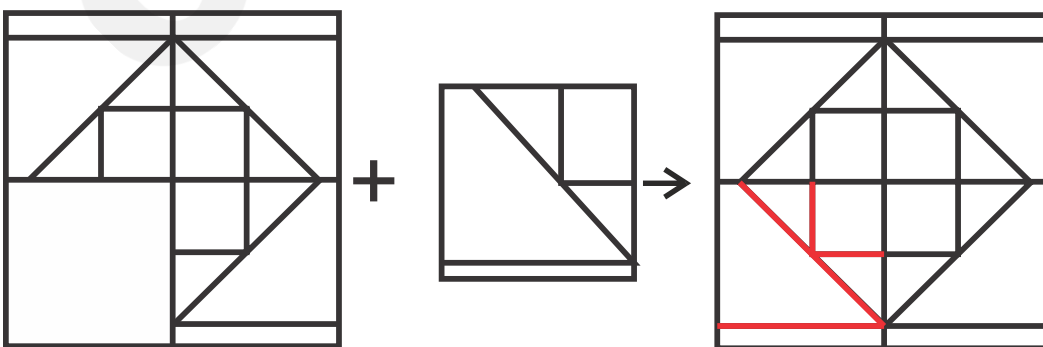

Correct Answer:

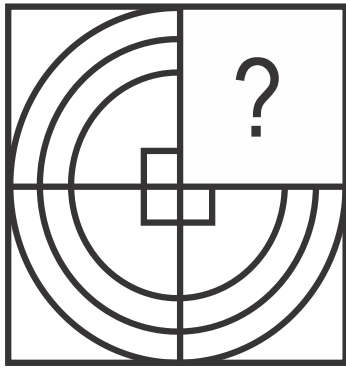

Solution:

On comparing, the question figure and all the answer figures, the following figure will combine and make the complete pattern -

Hence, the **first option** is correct.

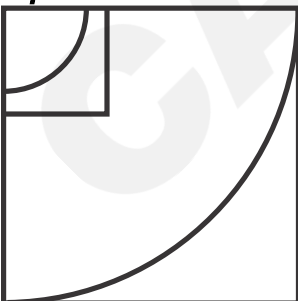

- Q. 31** **Directions:** Which answer figure will complete the pattern in the question figure?

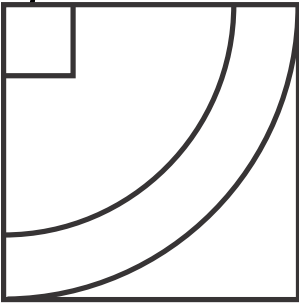

Option 1:

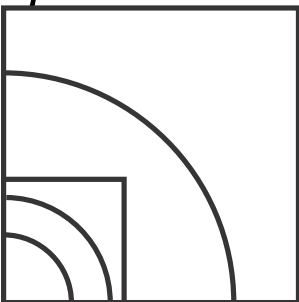

Option 2:

Option 3:

Option 4:

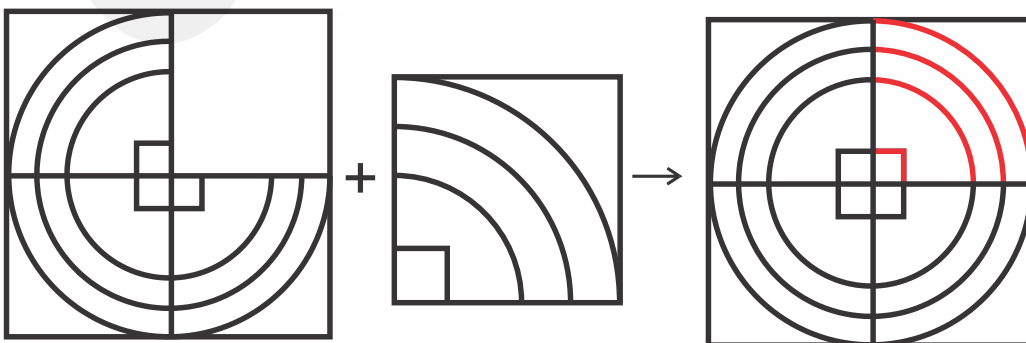

Correct Answer:

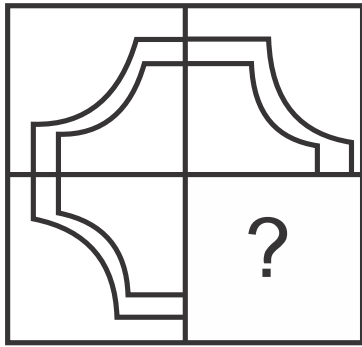

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

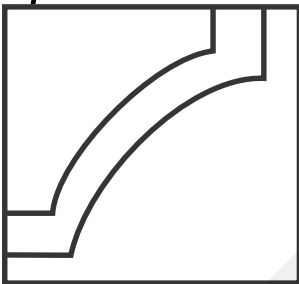

Hence, the **first option** is correct.

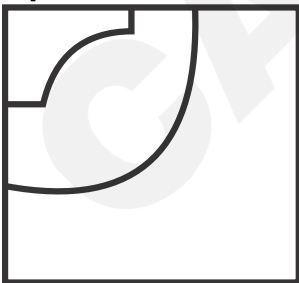

- Q. 32** **Directions:** Which answer figure will complete the pattern in the question figure?

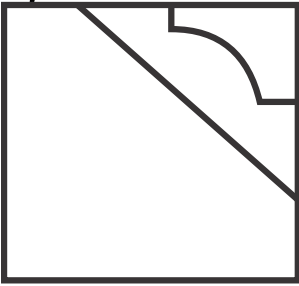

Option 1:

Option 2:

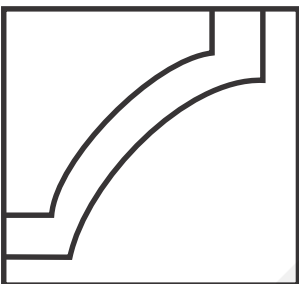

Option 3:

Option 4:

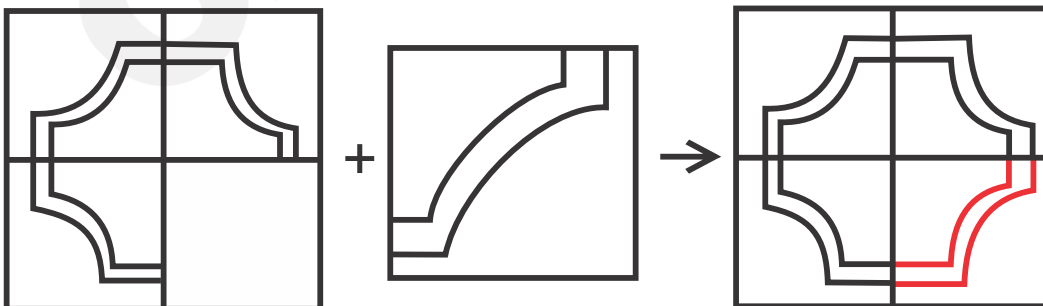

Correct Answer:

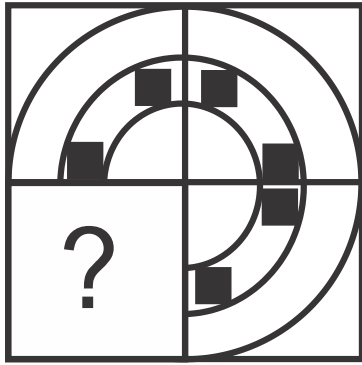

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

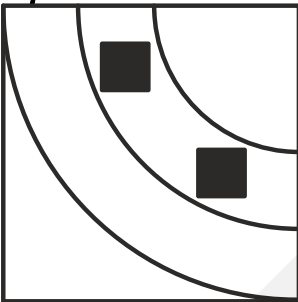

Hence, the **first option** is correct.

- Q. 33** **Directions:** Which answer figure will complete the pattern in the question figure?

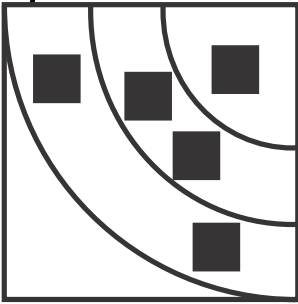

Option 1:

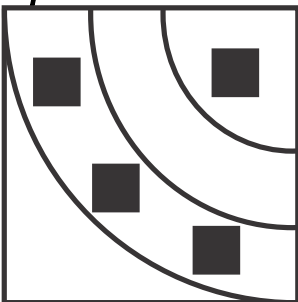

Option 2:

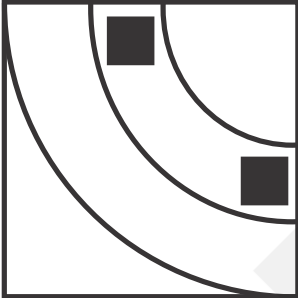

Option 3:

Option 4:

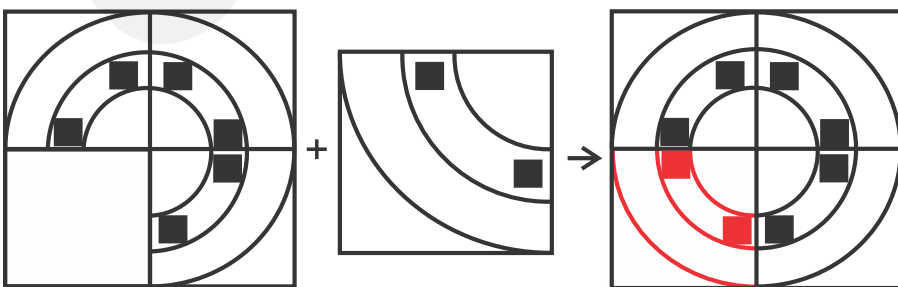

Correct Answer:

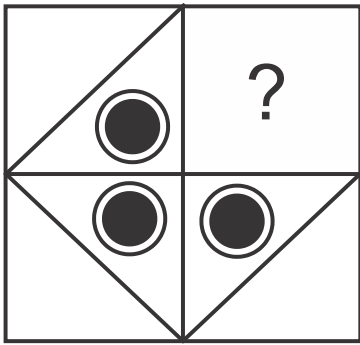

Solution:

On comparing, the question figure and all the answer figures, the following figure will combine and make the complete pattern -

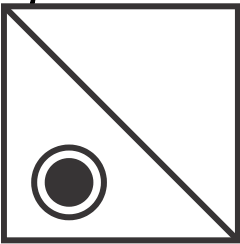

Hence, the **second option** is correct.

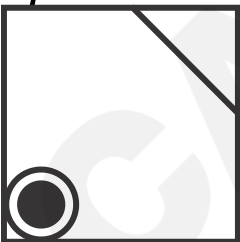

- Q. 34** **Directions:** Which answer figure will complete the pattern in the question figure?

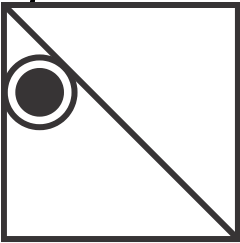

Option 1:

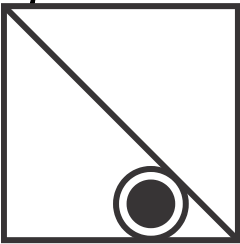

Option 2:

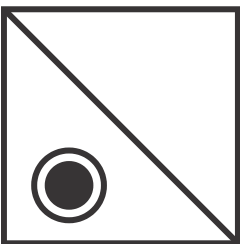

Option 3:

Option 4:

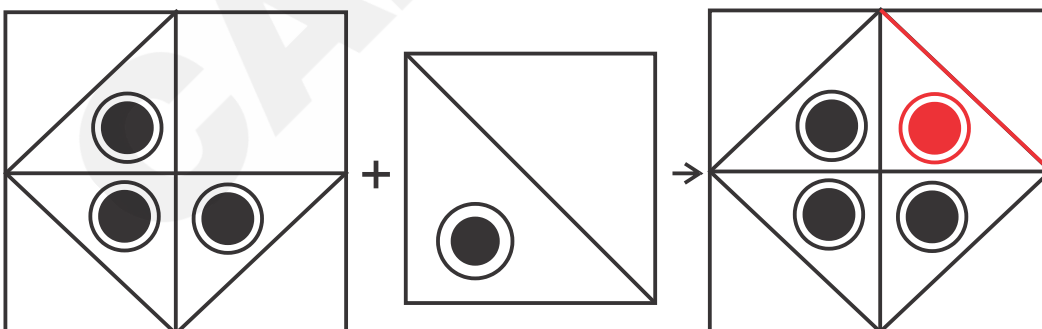

Correct Answer:

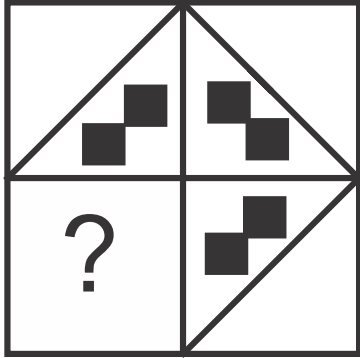

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

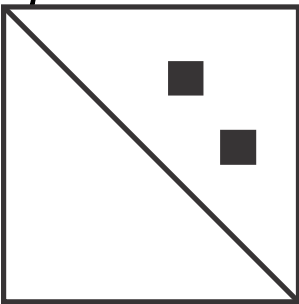

Hence, the **first option** is correct.

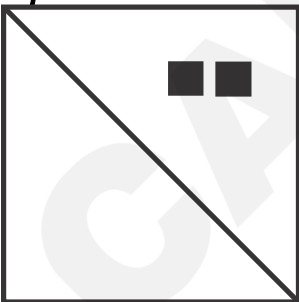

Q. 35 **Directions:** Which answer figure will complete the pattern in the question figure?

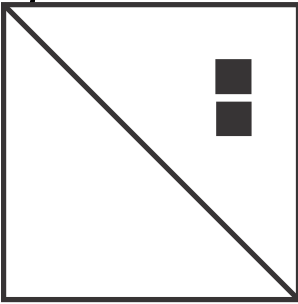

Option 1:

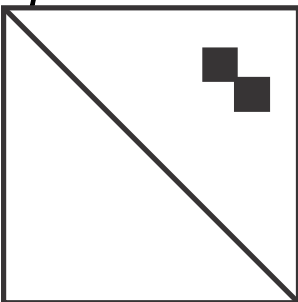

Option 2:

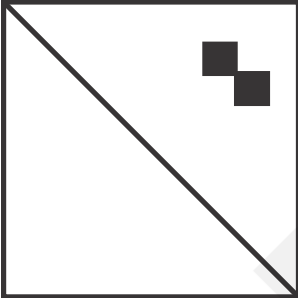

Option 3:

Option 4:

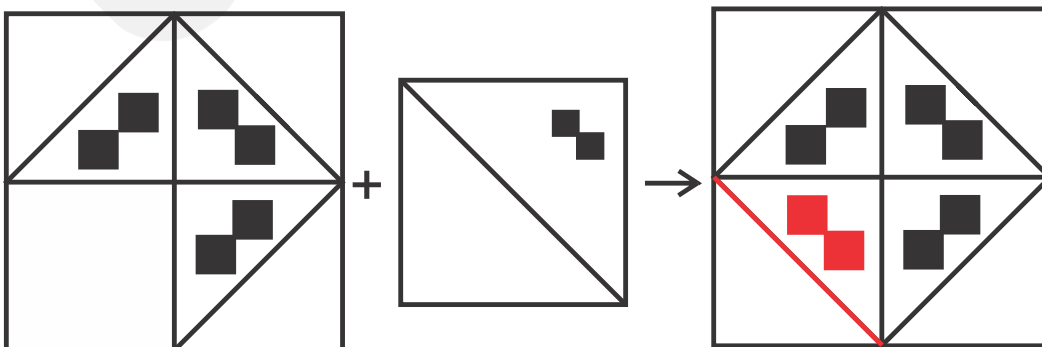

Correct Answer:

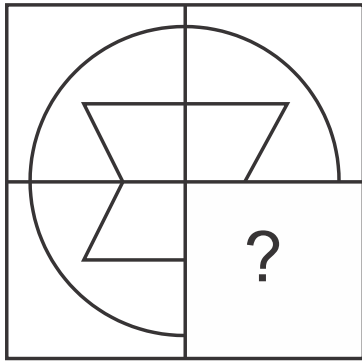

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

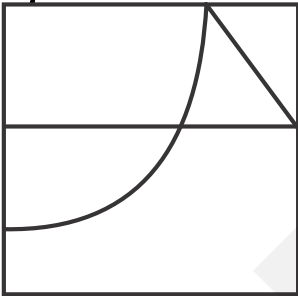

Hence, the **fourth option** is correct.

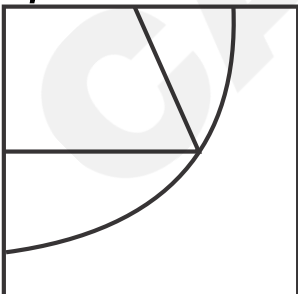

- Q. 36** **Directions:** Which answer figure will complete the pattern in the question figure?

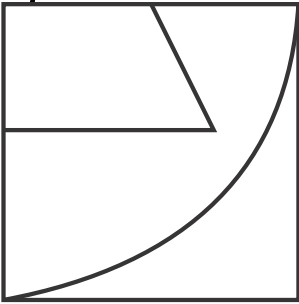

Option 1:

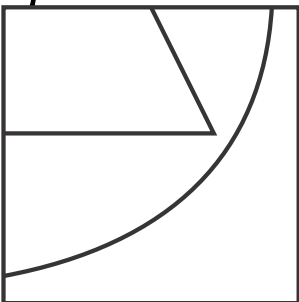

Option 2:

Option 3:

Option 4:

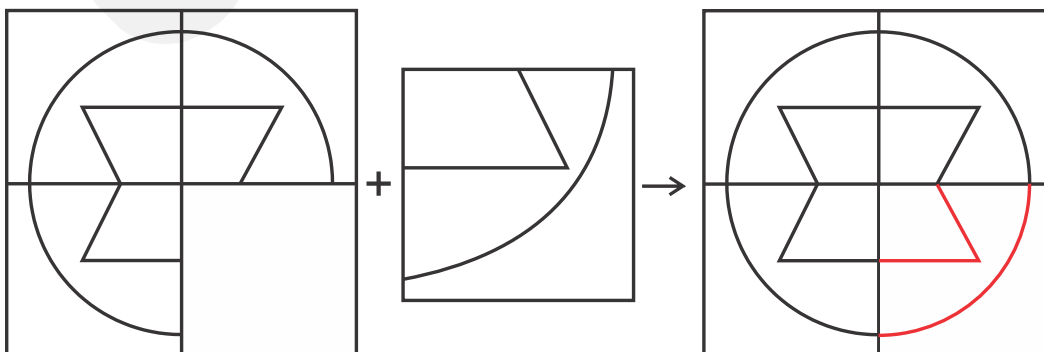

Correct Answer:

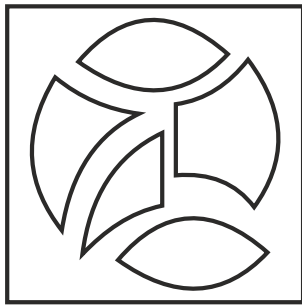

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

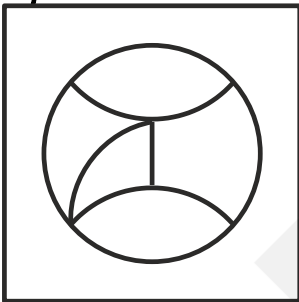

Hence, the **fourth option** is correct.

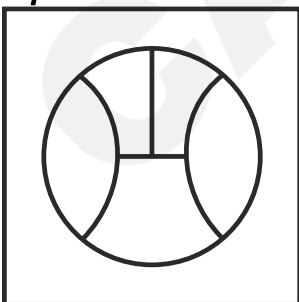

- Q. 37** **Directions:** Among the four answer figures, which one can be formed from the cut-out pieces given below in the question figure?

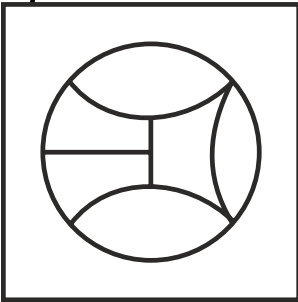

Option 1:

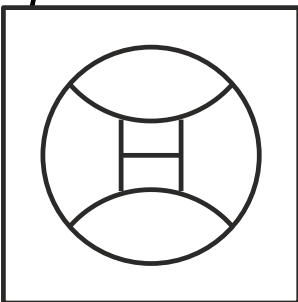

Option 2:

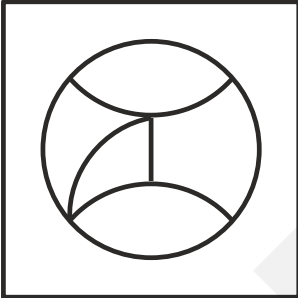

Option 3:

Option 4:

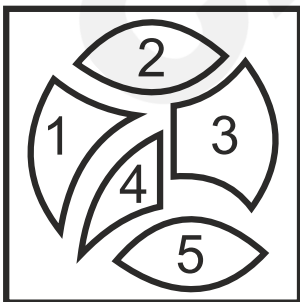

Correct Answer:

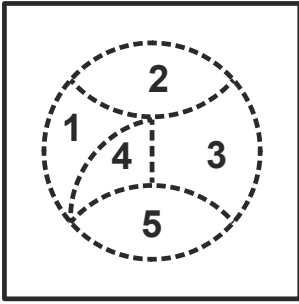

Solution:

The various parts of the figure can be numbered as follows –

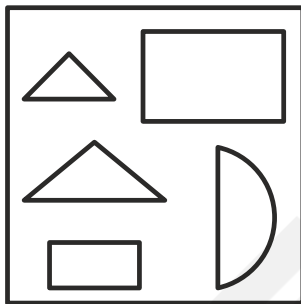

The parts can be arranged in the following manner –

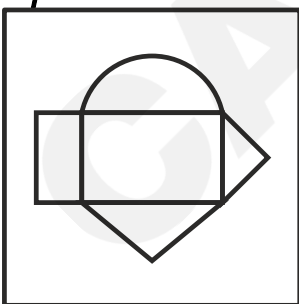

The above-compiled figure matches the figure given in the first option. Hence, the **first option** is correct.

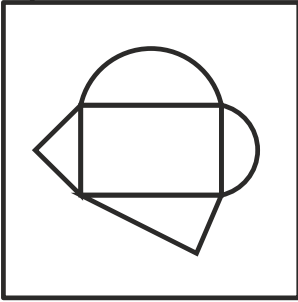

- Q. 38** **Directions:** Identify the answer figure from which the pieces given in the question figure have been cut.

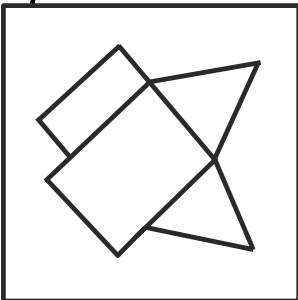

Option 1:

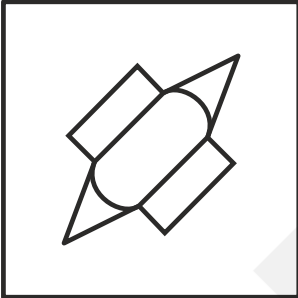

Option 2:

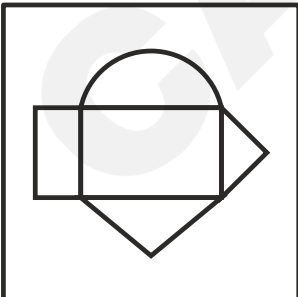

Option 3:

Option 4:

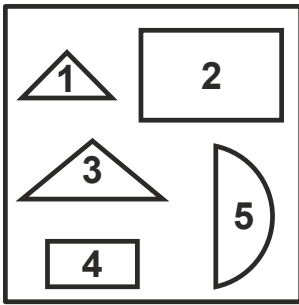

Correct Answer:

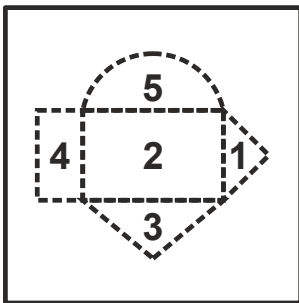

Solution:

The given parts of the figure can be labelled as follows –

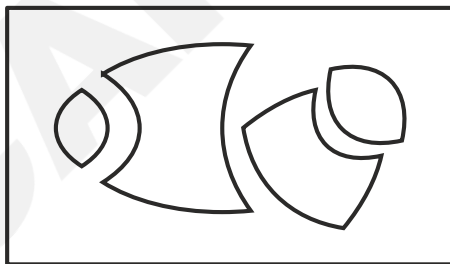

The parts can be arranged in the following manner –

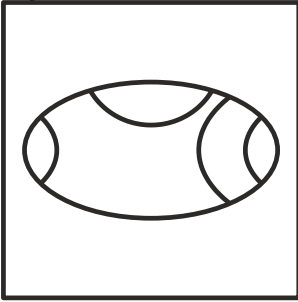

The above-compiled figure matches the figure given in the first option. Hence, the **first option** is correct.

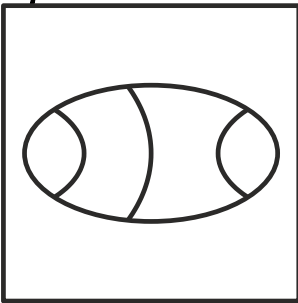

- Q. 39** **Directions:** Among the four answer figures, which one can be formed from the cut-out pieces given below in the question figure?

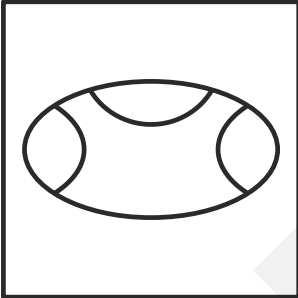

Option 1:

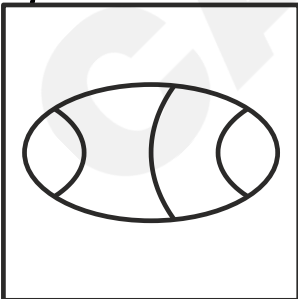

Option 2:

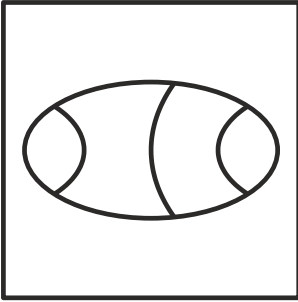

Option 3:

Option 4:

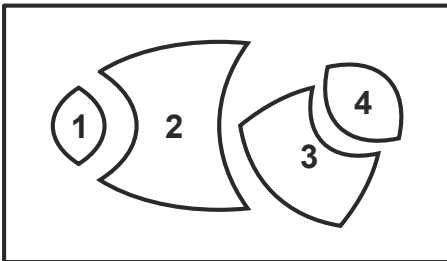

Correct Answer:

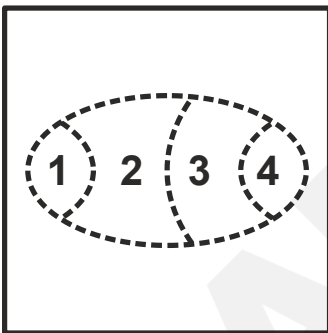

Solution:

The various parts of the figure can be numbered as follows –

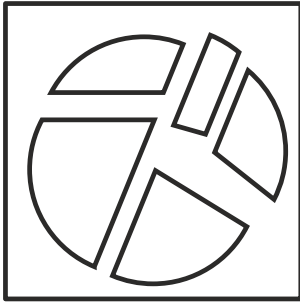

The parts can be arranged in the following manner –

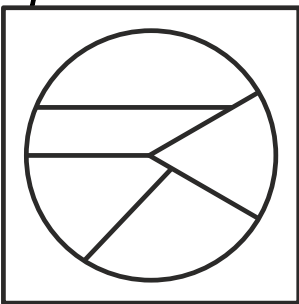

The above-compiled figure matches the figure given in the fourth option. Hence, the **fourth option** is correct.

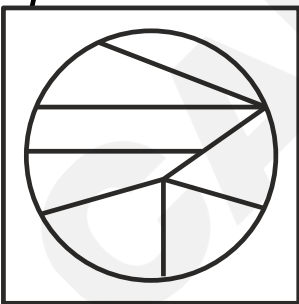

- Q. 40** **Directions:** From the answer figures, select the one that can be formed from the components given in the question figure.

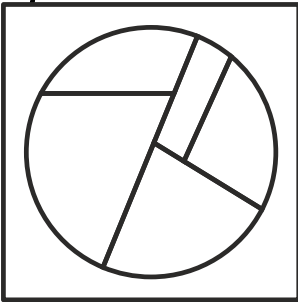

Option 1:

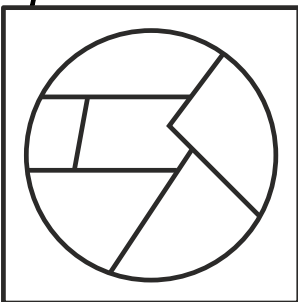

Option 2:

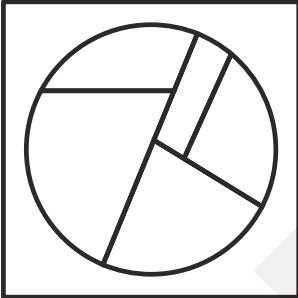

Option 3:

Option 4:

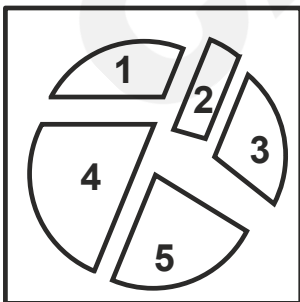

Correct Answer:

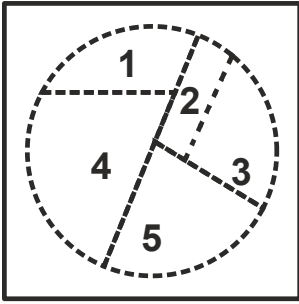

Solution:

The various parts of the figure can be numbered as follows –

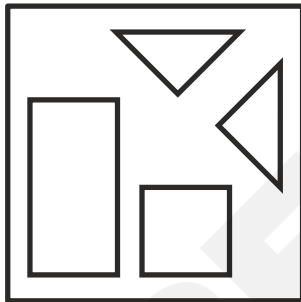

The parts can be arranged in the following manner –

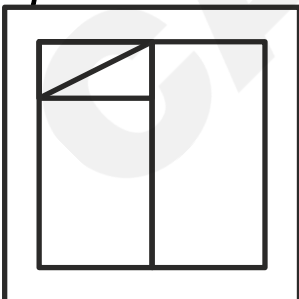

The above-compiled figure matches the figure given in the third option. Hence, the **third option** is correct.

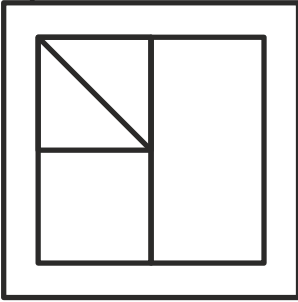

- Q. 41** **Directions:** Among the four answer figures, which one can be formed from the cut-out pieces given below in the question figure?

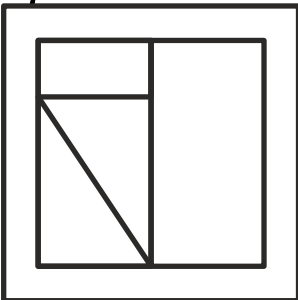

Option 1:

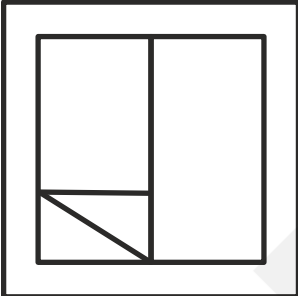

Option 2:

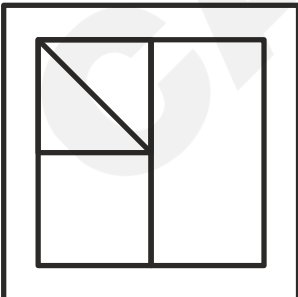

Option 3:

Option 4:

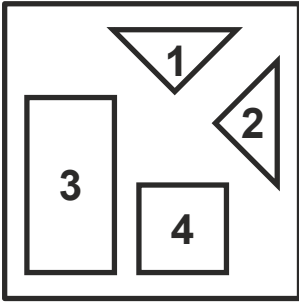

Correct Answer:

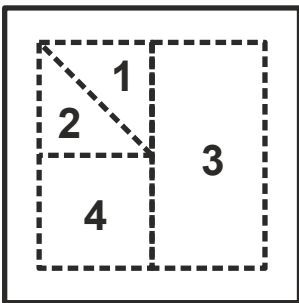

Solution:

The various parts of the figure can be numbered as follows –

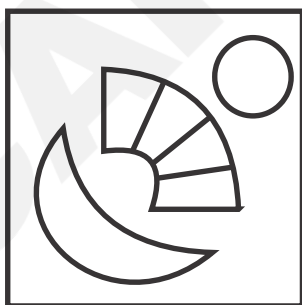

The parts can be arranged in the following manner –

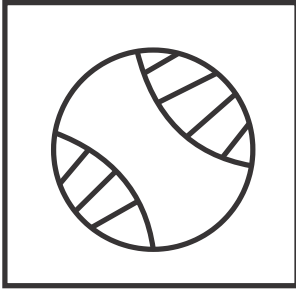

The above-compiled figure matches the figure given in the second option. Hence, the **second option** is correct.

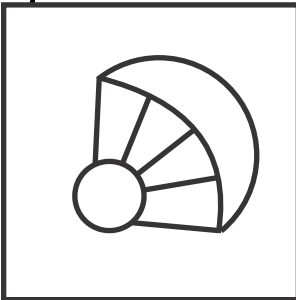

- Q. 42** **Directions:** Among the four answer figures, which one can be formed from the cutout pieces given below in the question figure?

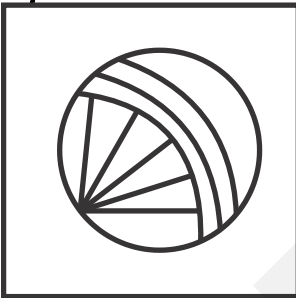

Option 1:

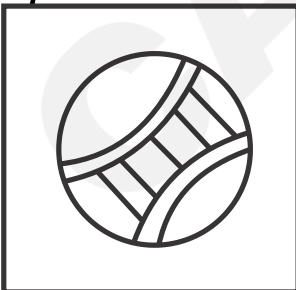

Option 2:

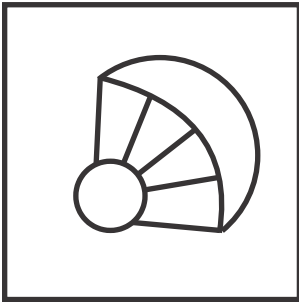

Option 3:

Option 4:

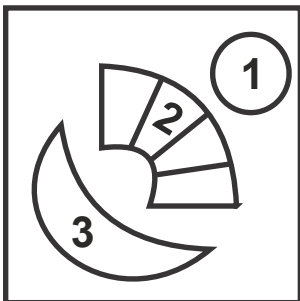

Correct Answer:

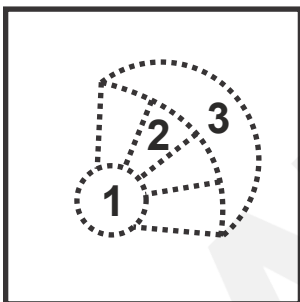

Solution:

The given figure can be numbered as shown below –

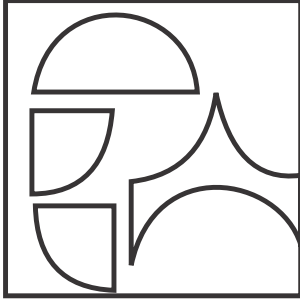

The parts can be arranged in the following manner –

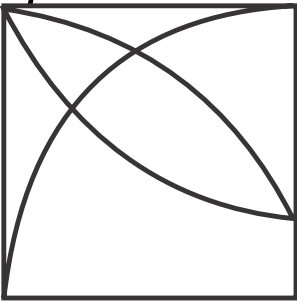

The above-compiled figure matches the figure given in the second option. Hence, the **second option** is correct.

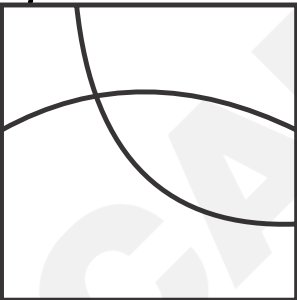

- Q. 43** **Directions:** Identify the answer figure from which the pieces given in the question figure have been cut.

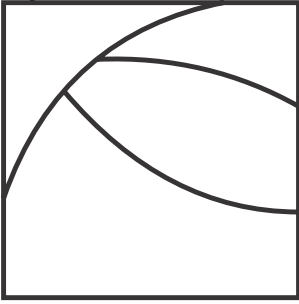

Option 1:

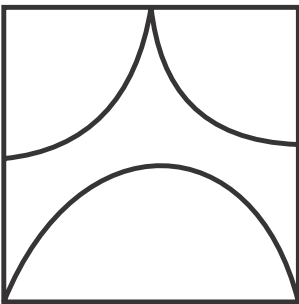

Option 2:

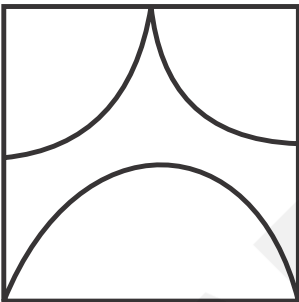

Option 3:

Option 4:

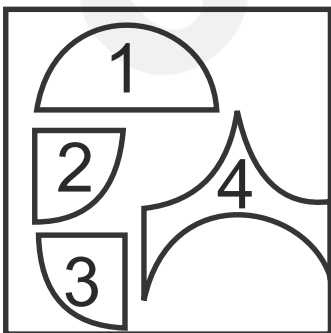

Correct Answer:

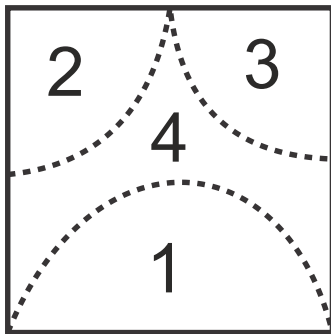

Solution:

The various parts of the figure can be numbered as follows –

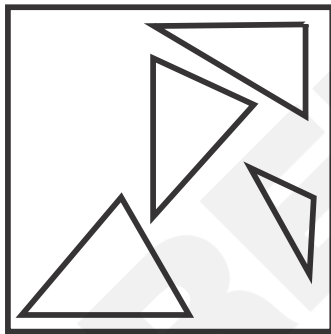

The parts can be arranged in the following manner –

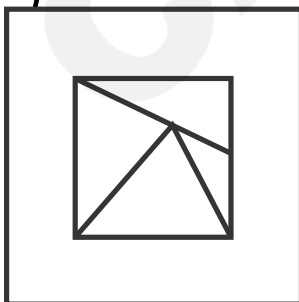

The above-compiled figure matches the figure given in the fourth option. Hence, the **fourth option** is correct.

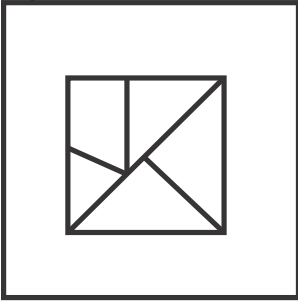

- Q. 44** **Directions:** Identify the answer figure from which the pieces given in the question figure have been cut.

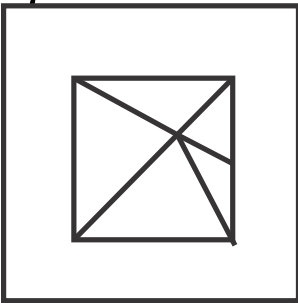

Option 1:

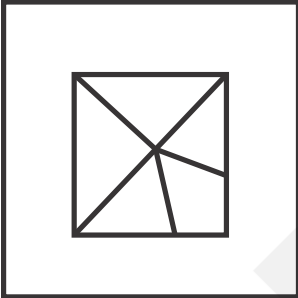

Option 2:

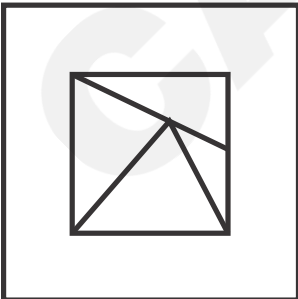

Option 3:

Option 4:

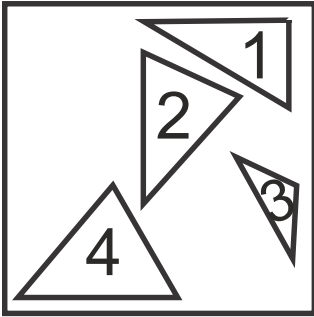

Correct Answer:

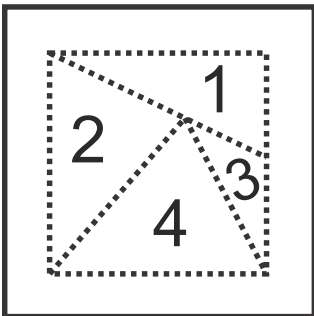

Solution:

The various parts of the figure can be numbered as follows –

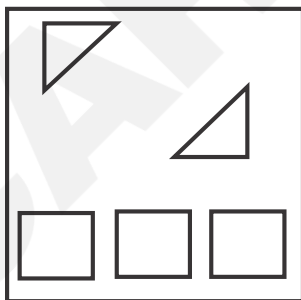

The parts can be arranged in the following manner –

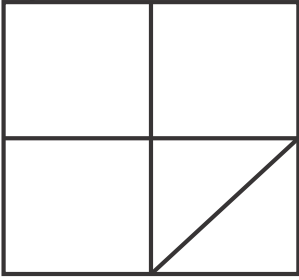

The above-compiled figure matches the figure given in the first option. Hence, the **first option** is correct.

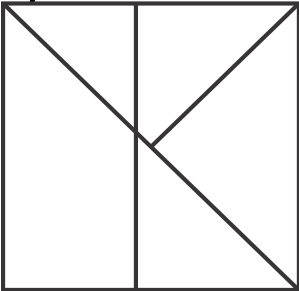

- Q. 45** **Directions:** Identify the answer figure from which the pieces given in the question figure have been cut.

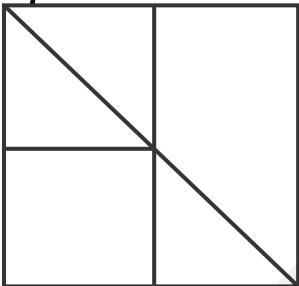

Option 1:

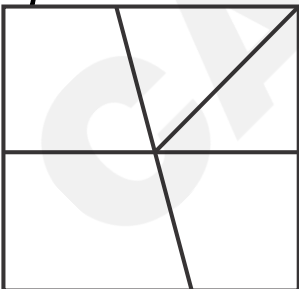

Option 2:

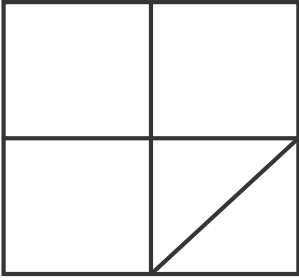

Option 3:

Option 4:

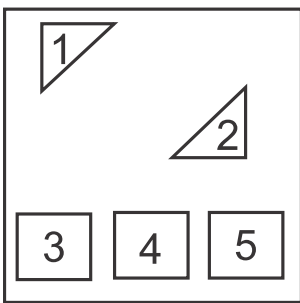

Correct Answer:

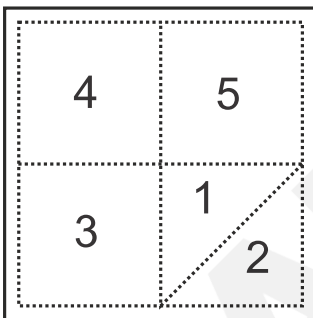

Solution:

The various parts of the figure can be numbered as follows –

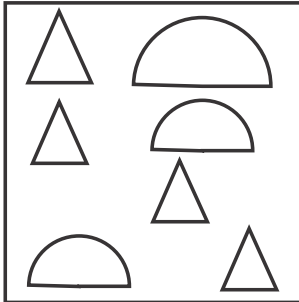

The parts can be arranged in the following manner –

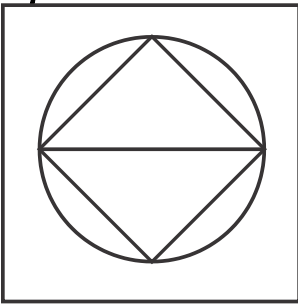

The above-compiled figure matches the figure given in the first option. Hence, the **first option** is correct.

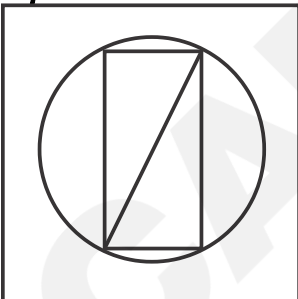

- Q. 46** **Directions:** Identify the answer figure from which the pieces given in the question figure have been cut.

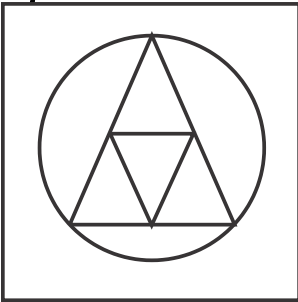

Option 1:

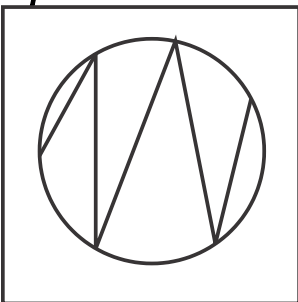

Option 2:

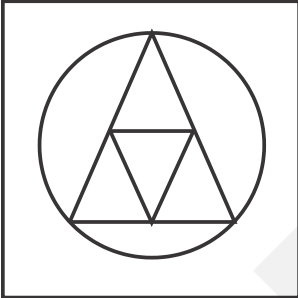

Option 3:

Option 4:

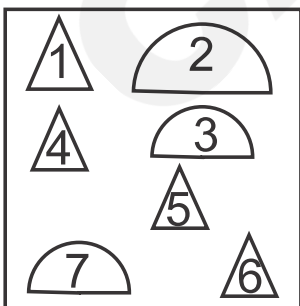

Correct Answer:

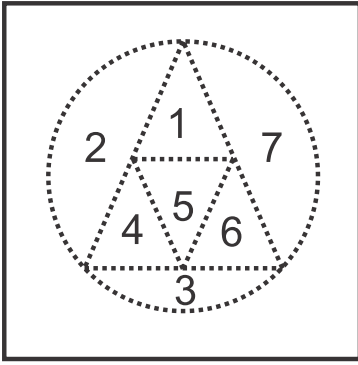

Solution:

The various parts of the figure can be numbered as follows –

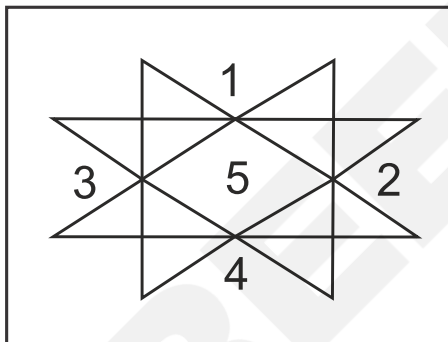

The parts can be arranged in the following manner –

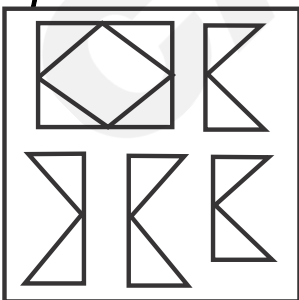

The above-compiled figure matches the figure given in the third option. Hence, the **third option** is correct.

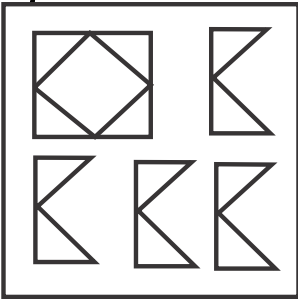

Q. 47 **Directions:** Select the appropriate answer figure from which the question figure is formed.

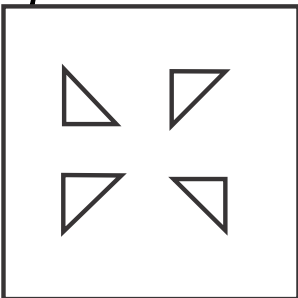

Option 1:

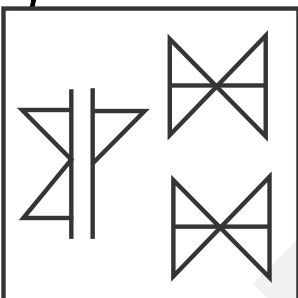

Option 2:

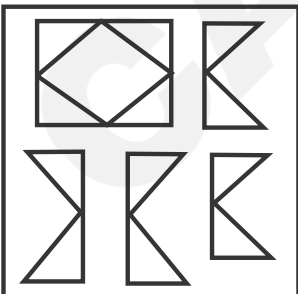

Option 3:

Option 4:

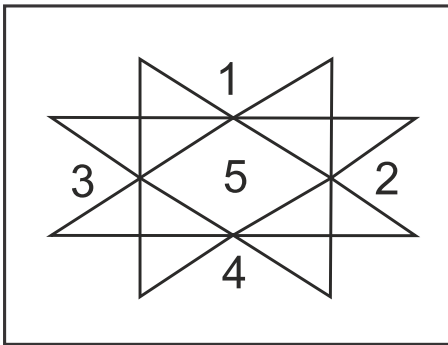

Correct Answer:

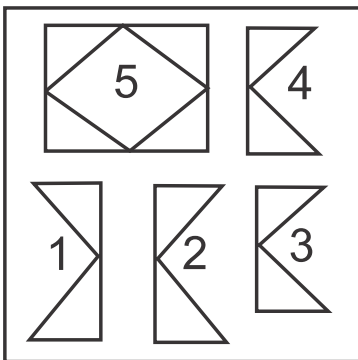

Solution:

The given figure can be numbered as shown below –

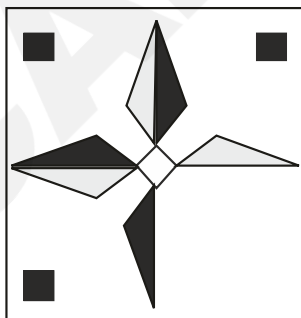

The parts can be arranged in the following manner -

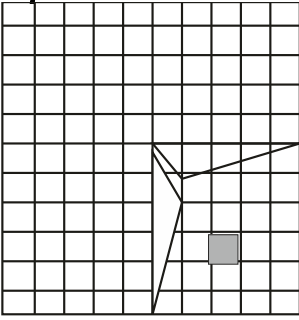

The above-compiled figure matches the figure given in the second option. Hence, the **second option** is correct.

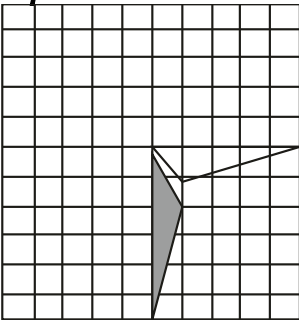

Q. 48 **Directions:** Which answer figure will complete the pattern in the question figure?

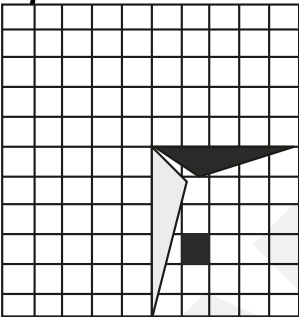

Option 1:

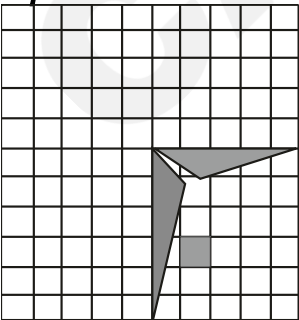

Option 2:

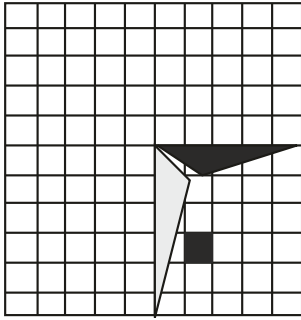

Option 3:

Option 4:

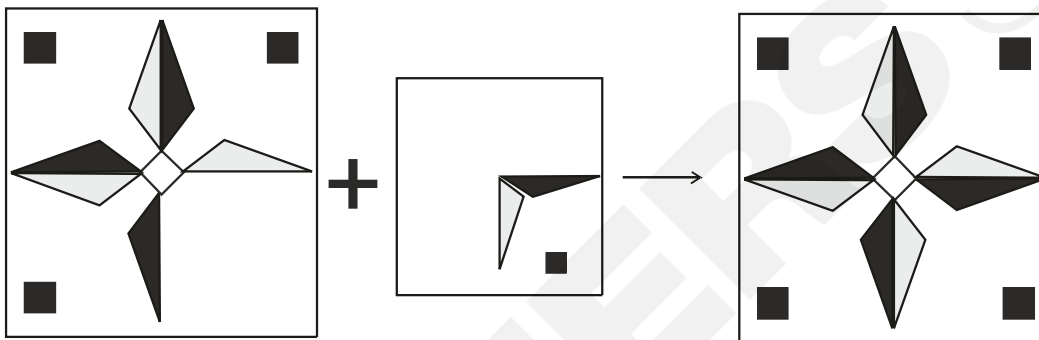

Correct Answer:

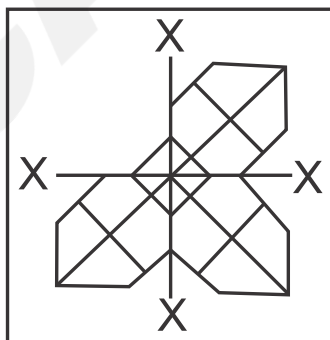

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

Hence, the **third option** is correct.

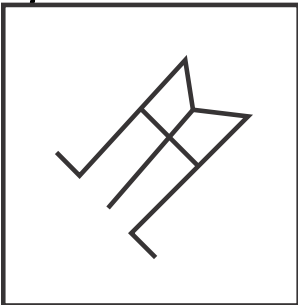

Q. 49 **Directions:** Which answer figure will complete the question figure?

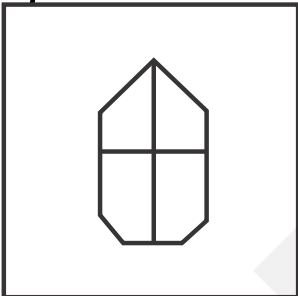

Option 1:

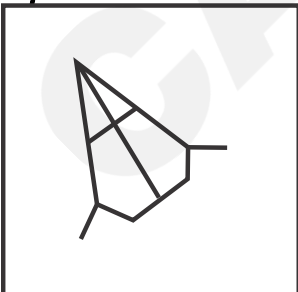

Option 2:

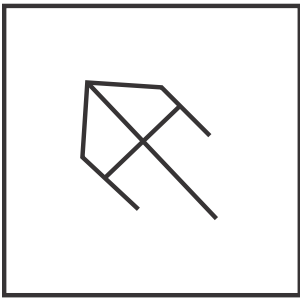

Option 3:

Option 4:

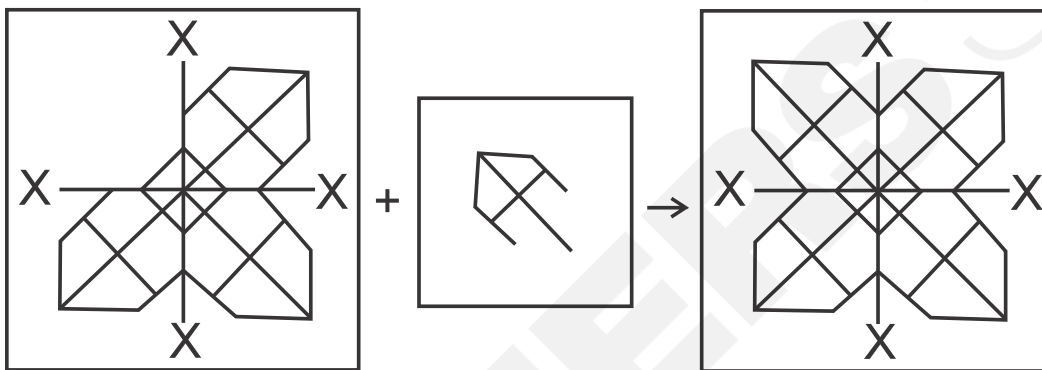

Correct Answer:

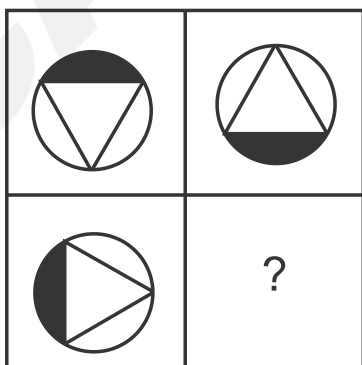

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

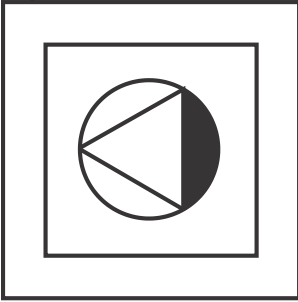

Hence, the **first option** is correct.

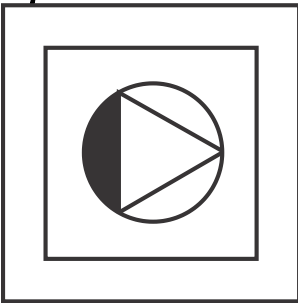

Q. 50 **Directions:** Which answer figure will complete the question figure?

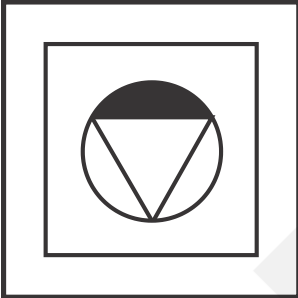

Option 1:

Option 2:

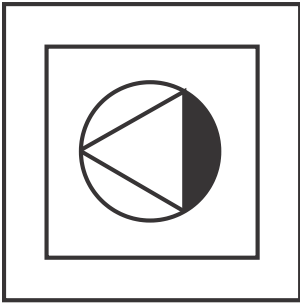

Option 3:

Option 4:

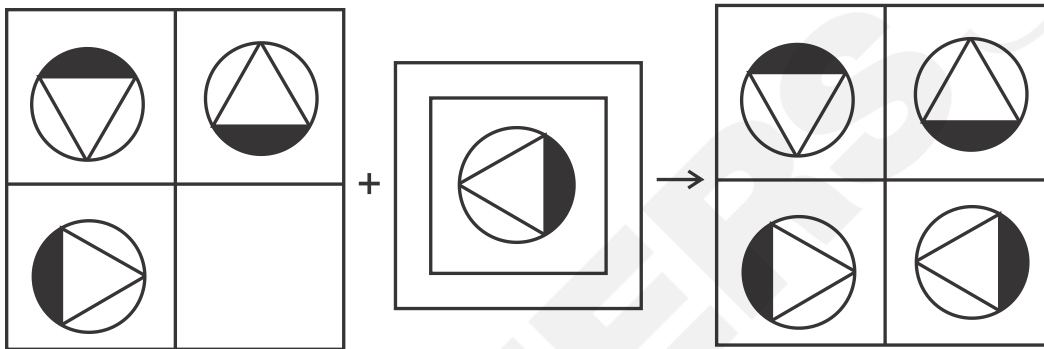

Correct Answer:

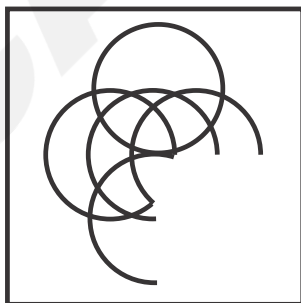

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

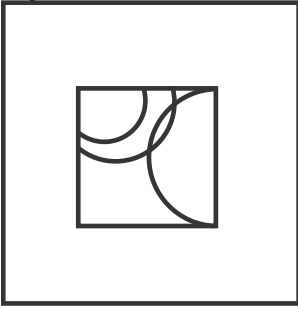

Hence, the **first option** is correct.

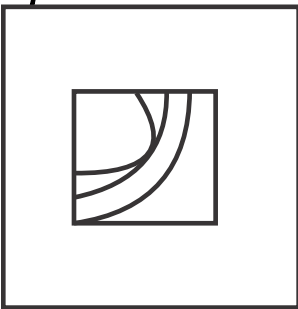

Q. 51 **Directions:** Which answer figure will complete the pattern in the question figure?

Option 1:

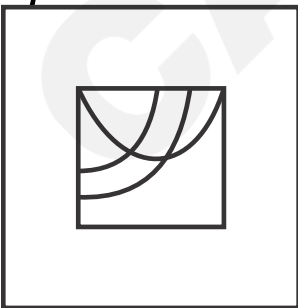

Option 2:

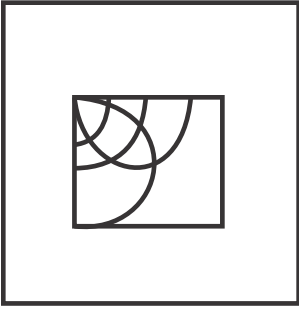

Option 3:

Option 4:

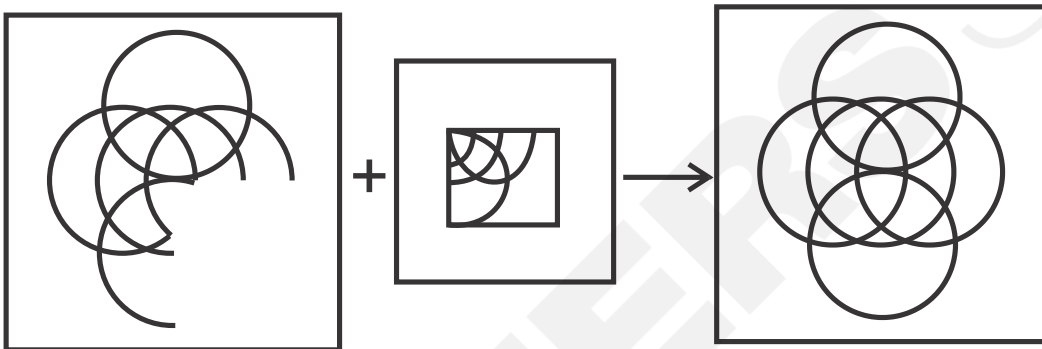

Correct Answer:

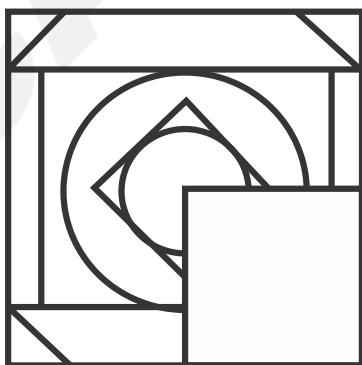

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

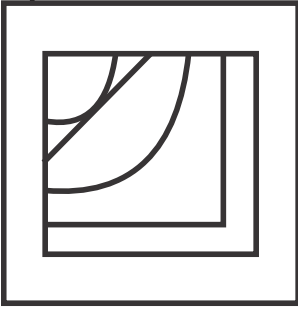

Hence, the **third option** is correct.

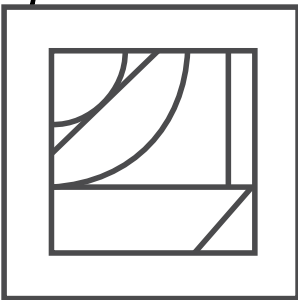

Q. 52 **Directions:** Which answer figure will complete the pattern in the question figure?

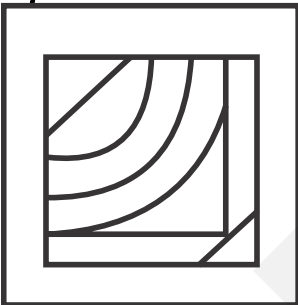

Option 1:

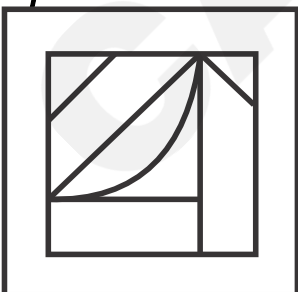

Option 2:

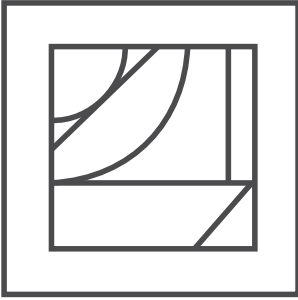

Option 3:

Option 4:

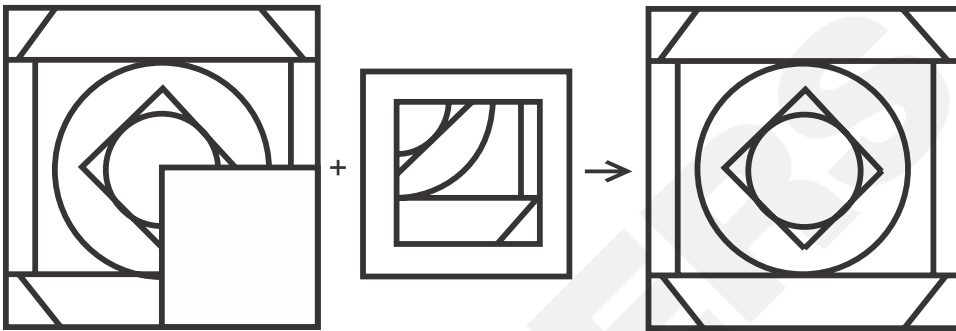

Correct Answer:

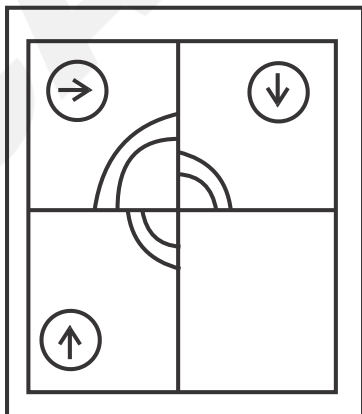

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

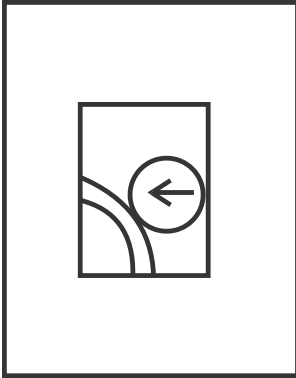

Hence, the **second option** is correct.

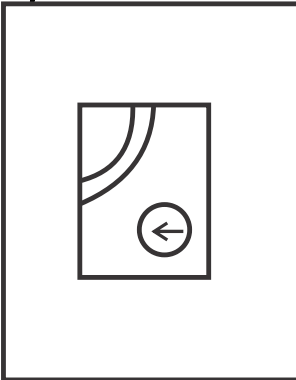

Q. 53 **Directions:** Which answer figure will complete the pattern in the question figure?

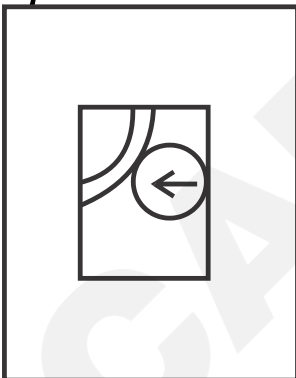

Option 1:

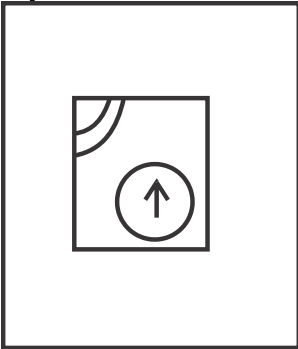

Option 2:

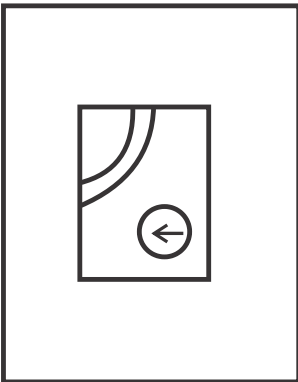

Option 3:

Option 4:

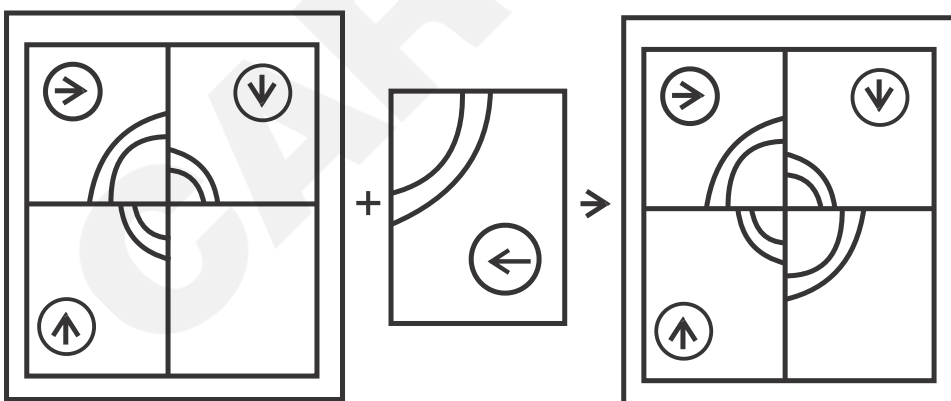

Correct Answer:

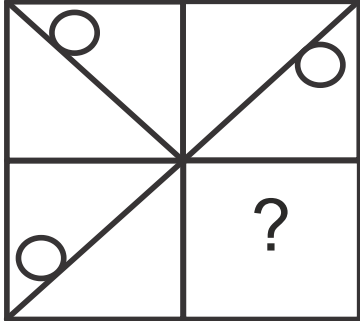

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

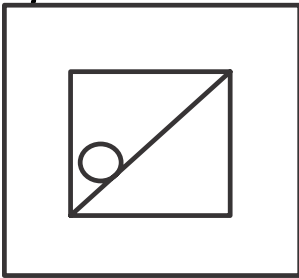

Hence, the **second option** is correct.

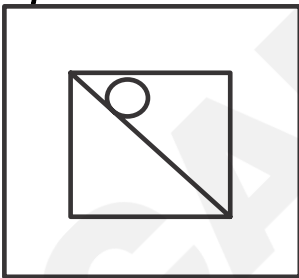

- Q. 54** **Directions:** Identify the answer figure that completes the pattern in the question figure.

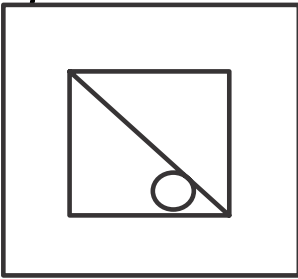

Option 1:

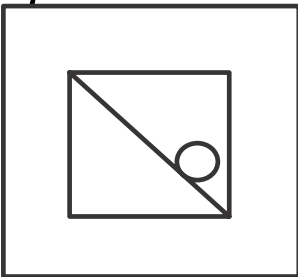

Option 2:

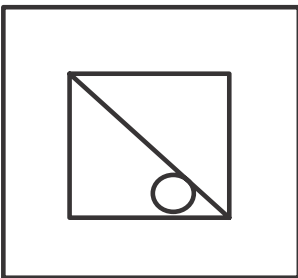

Option 3:

Option 4:

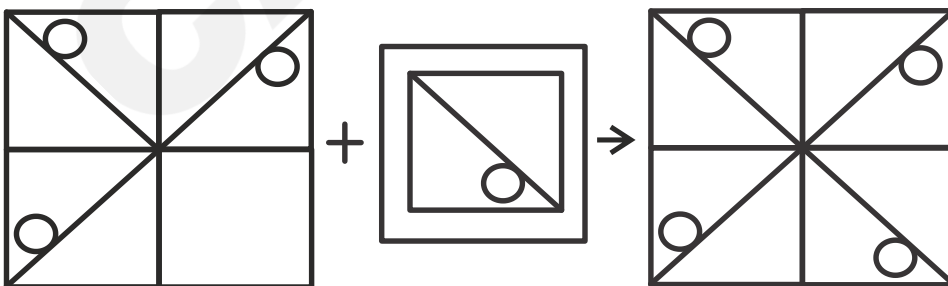

Correct Answer:

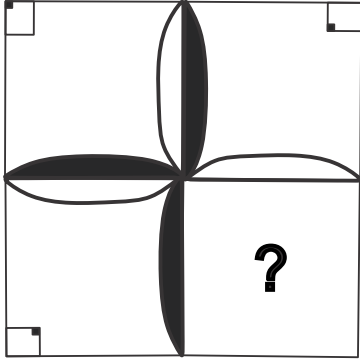

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

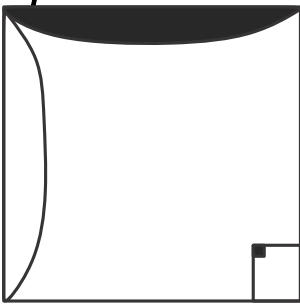

Hence, the **third option** is correct.

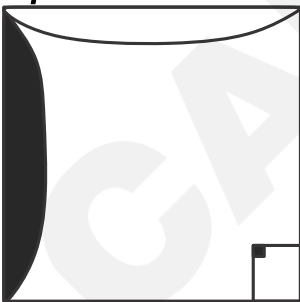

Q. 55 **Directions:** Which answer figure will complete the pattern in the question figure?

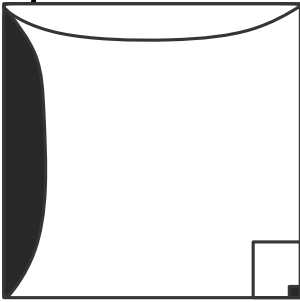

Option 1:

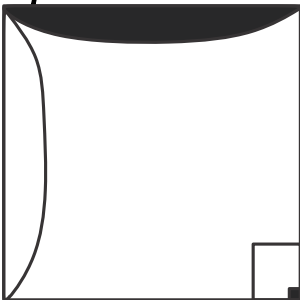

Option 2:

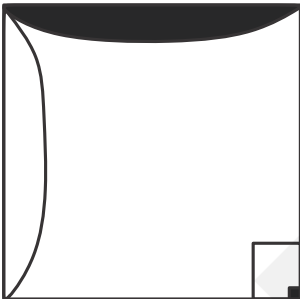

Option 3:

Option 4:

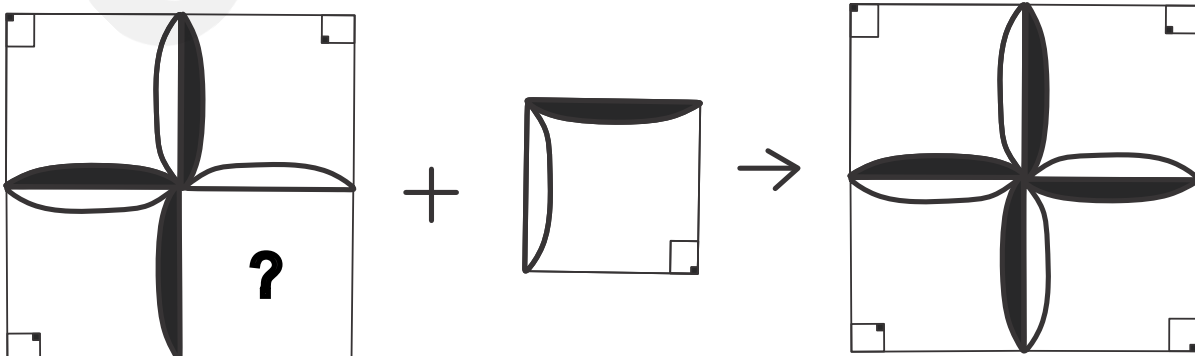

Correct Answer:

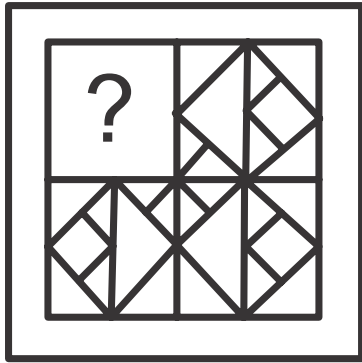

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

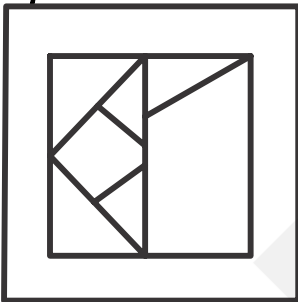

Hence, the **fourth option** is correct.

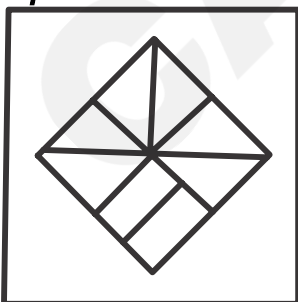

- Q. 56** **Directions:** Which answer figure will complete the pattern in the question figure?

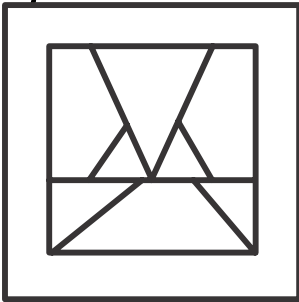

Option 1:

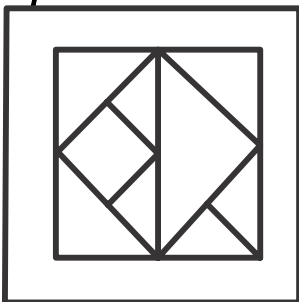

Option 2:

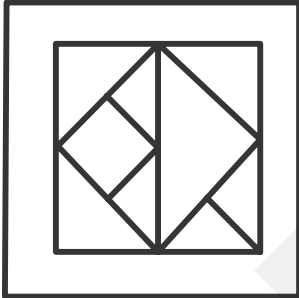

Option 3:

Option 4:

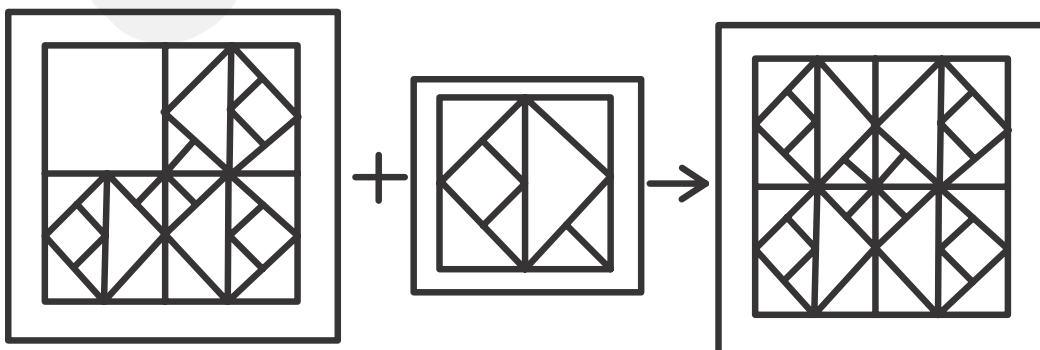

Correct Answer:

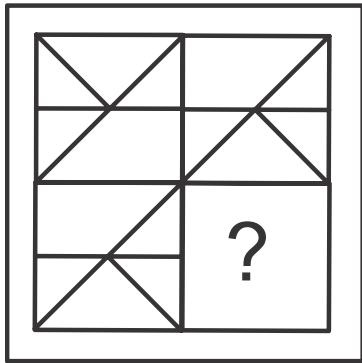

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

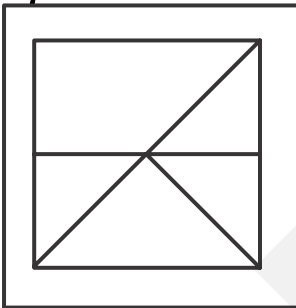

Hence, the **fourth option** is correct.

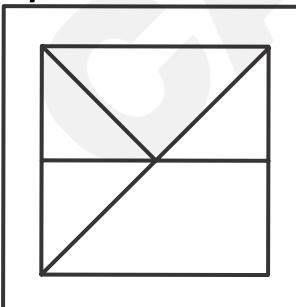

Q. 57 **Directions:** Which answer figure will complete the pattern in the question figure?

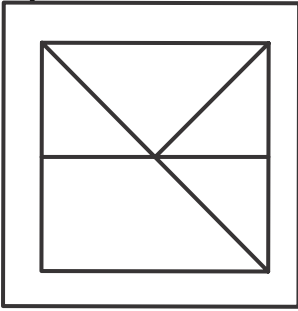

Option 1:

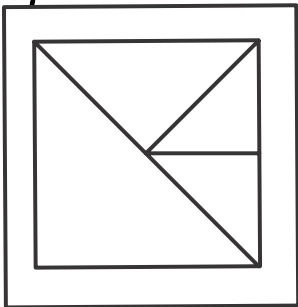

Option 2:

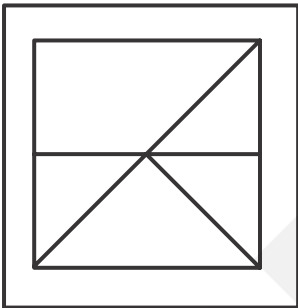

Option 3:

Option 4:

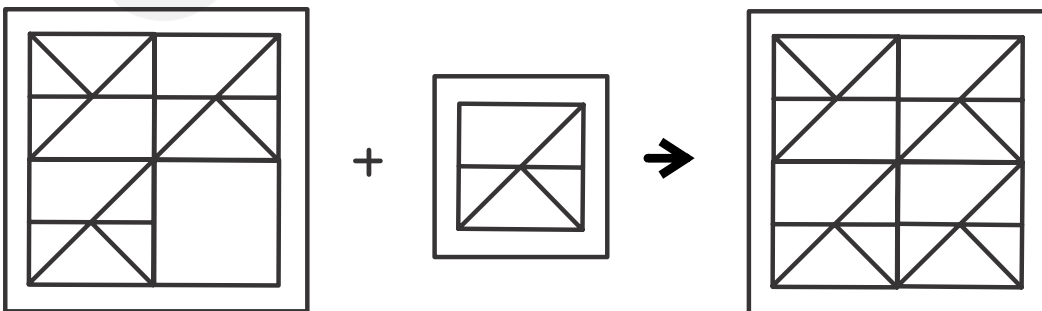

Correct Answer:

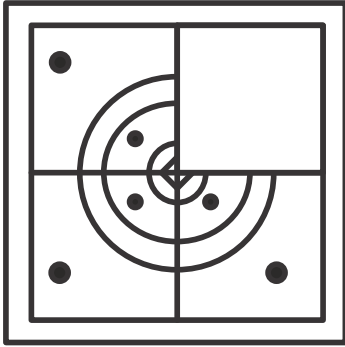

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

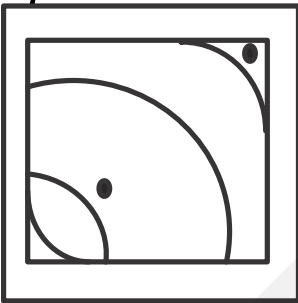

Hence, the **first option** is correct.

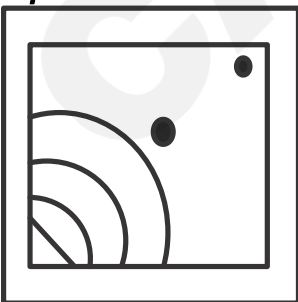

- Q. 58** **Directions:** Which answer figure will complete the pattern in the question figure?

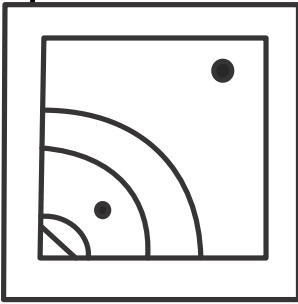

Option 1:

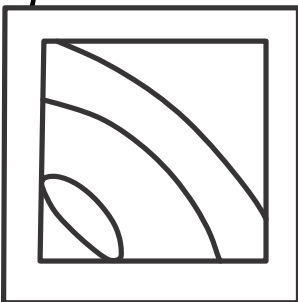

Option 2:

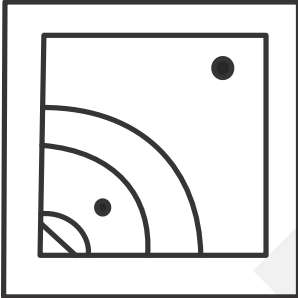

Option 3:

Option 4:

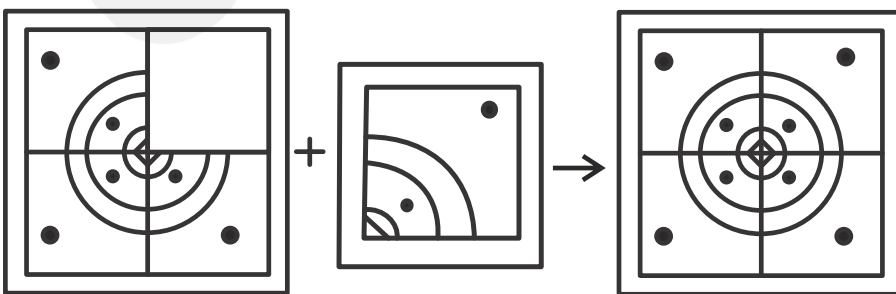

Correct Answer:

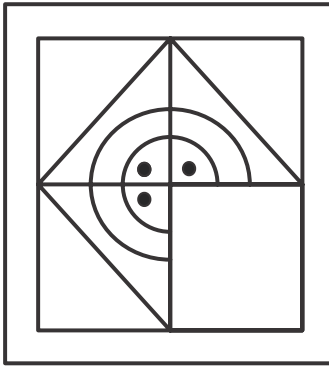

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

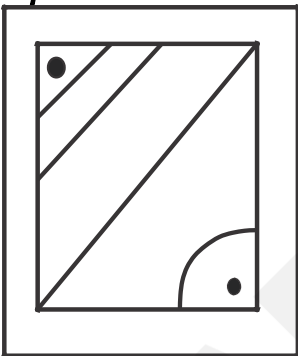

Hence, the **third option** is correct.

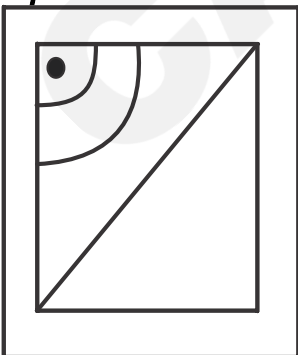

- Q. 59** **Directions:** Which answer figure will complete the pattern in the question figure?

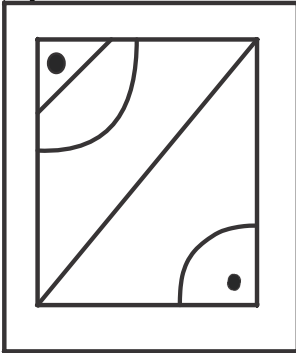

Option 1:

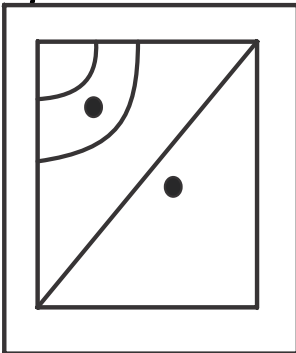

Option 2:

Option 3:

Option 4:

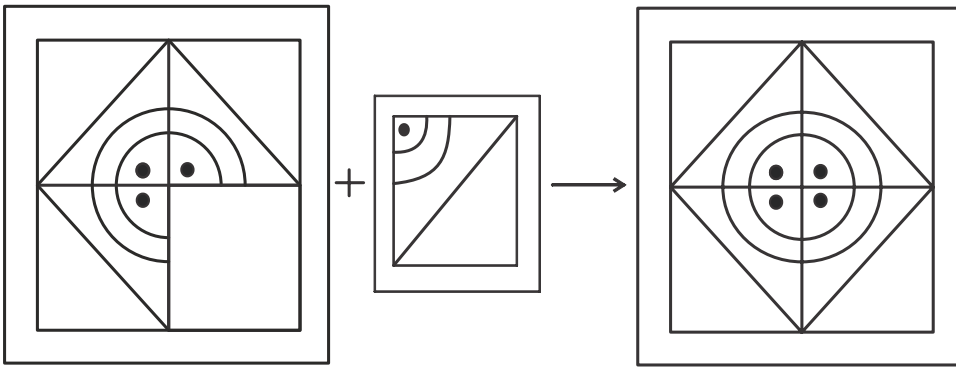

Correct Answer:

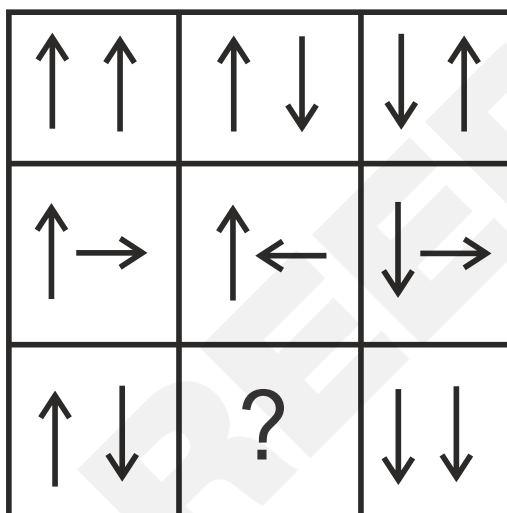

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

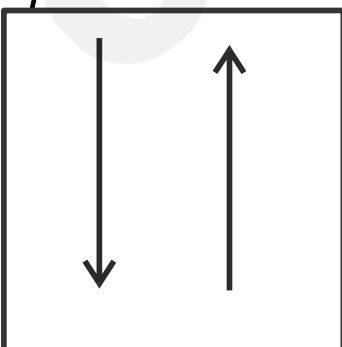

Hence, the **second option** is correct.

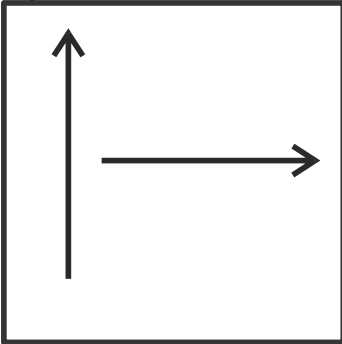

Q. 60 **Directions:** Which answer figure will complete the pattern in the question figure?

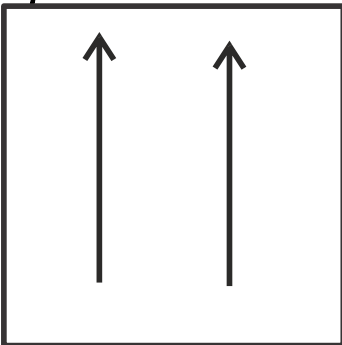

Option 1:

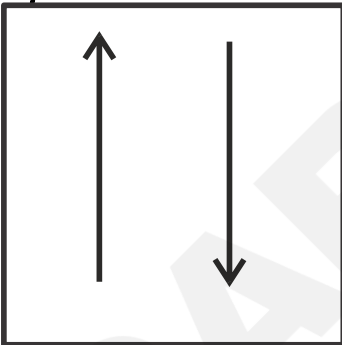

Option 2:

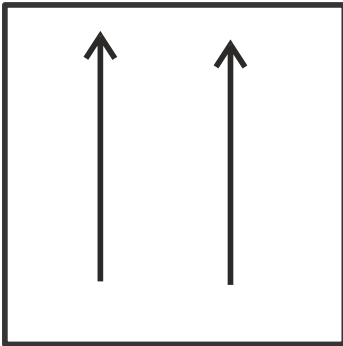

Option 3:

Option 4:

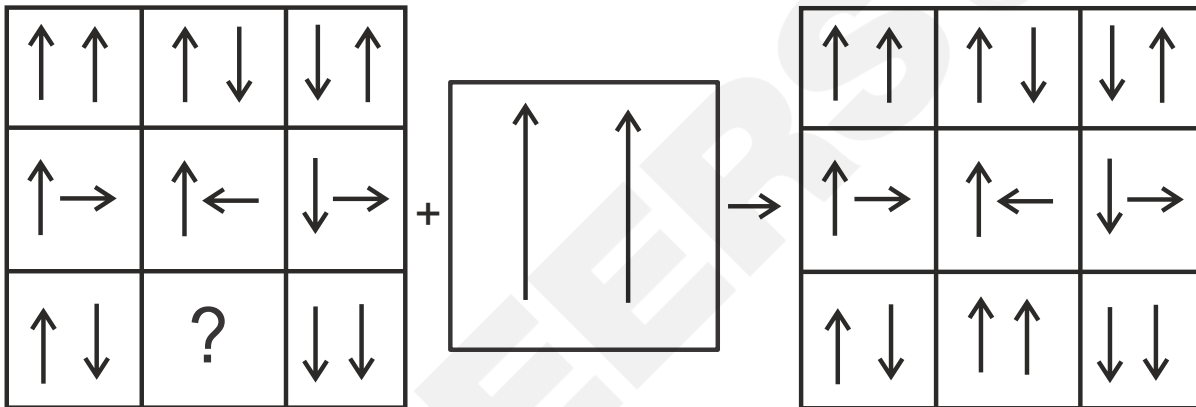

Correct Answer:

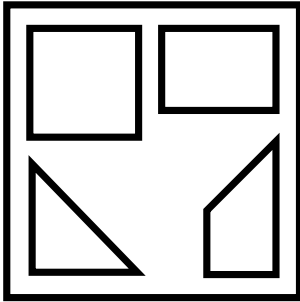

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

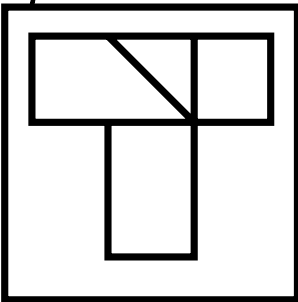

Hence, the **third option** is correct.

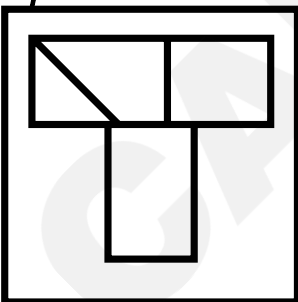

- Q. 61** **Directions:** In the following question, among the four answer figures, which can be formed from the cutout pieces given below?

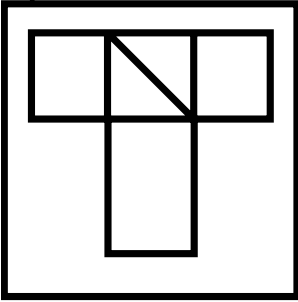

Option 1:

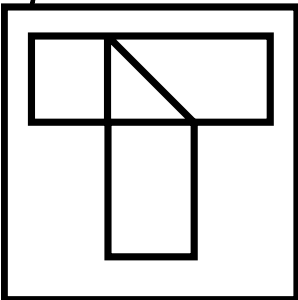

Option 2:

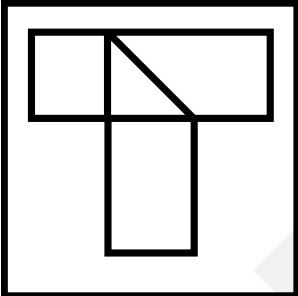

Option 3:

Option 4:

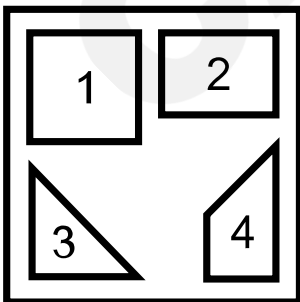

Correct Answer:

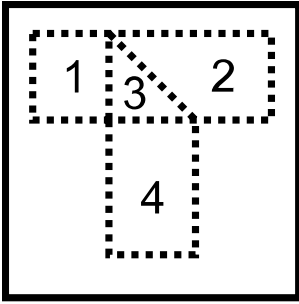

Solution:

The various parts of the figure can be numbered as follows –

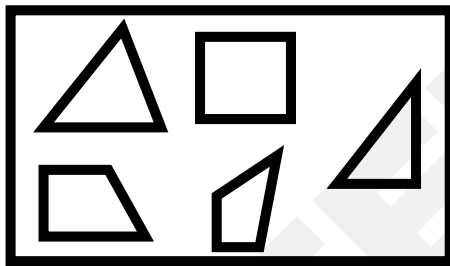

The parts can be arranged in the following manner –

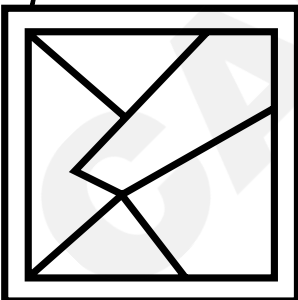

Hence, the **fourth option** is correct.

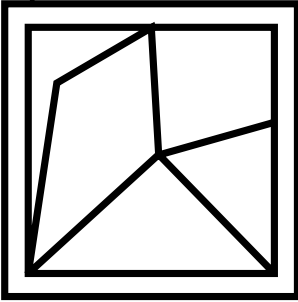

- Q. 62** **Directions:** Among the four answer figures, which can be formed from the cutout pieces in the question figure below?

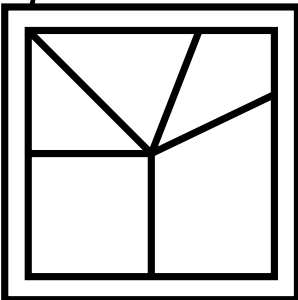

Option 1:

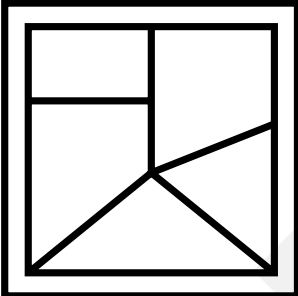

Option 2:

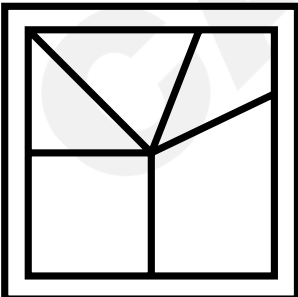

Option 3:

Option 4:

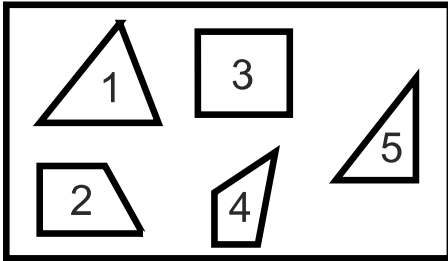

Correct Answer:

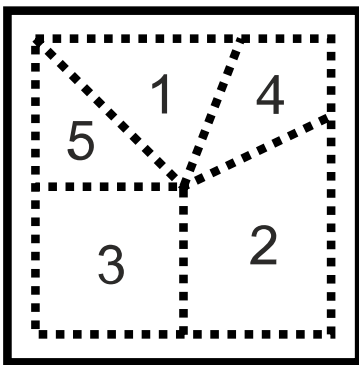

Solution:

The various parts of the figure can be numbered as follows –

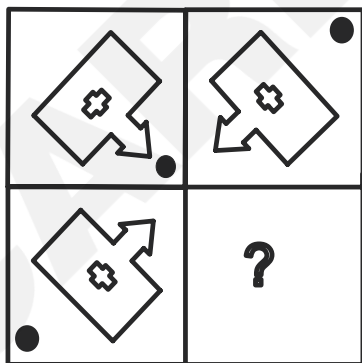

The parts can be arranged in the following manner –

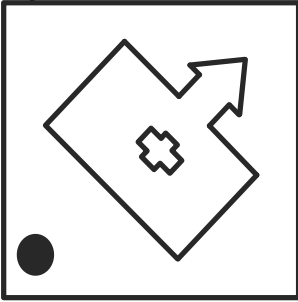

Hence, the **third option** is correct.

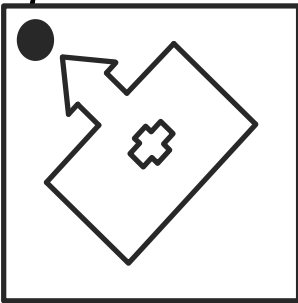

Q. 63 **Directions:** Identify the figure that completes the pattern.

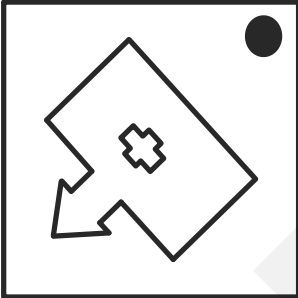

Option 1:

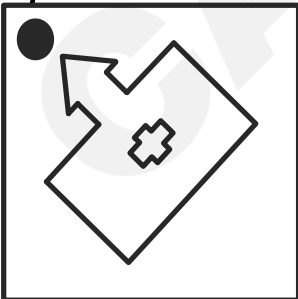

Option 2:

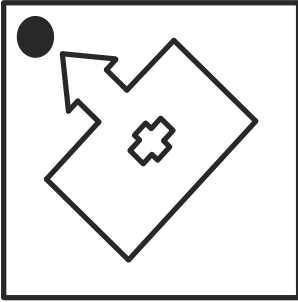

Option 3:

Option 4:

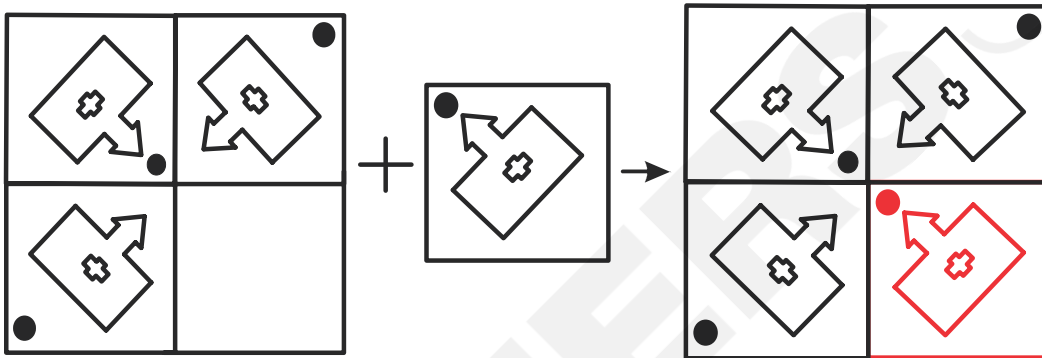

Correct Answer:

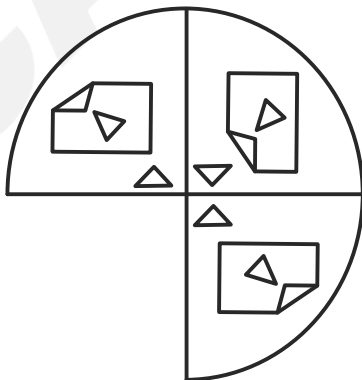

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

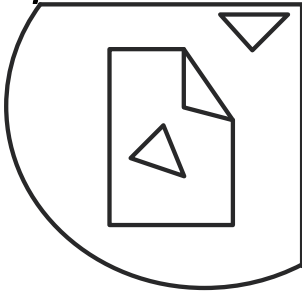

Hence, the **second option** is correct.

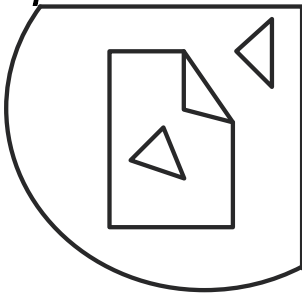

Q. 64 **Directions:** Identify the figure that completes the pattern.

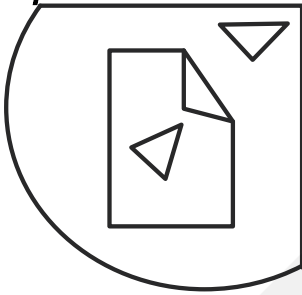

Option 1:

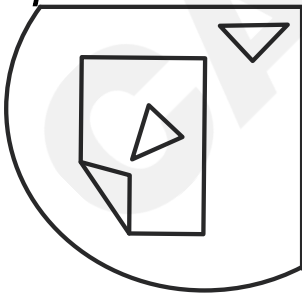

Option 2:

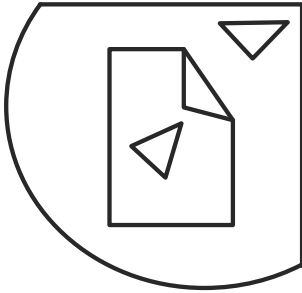

Option 3:

Option 4:

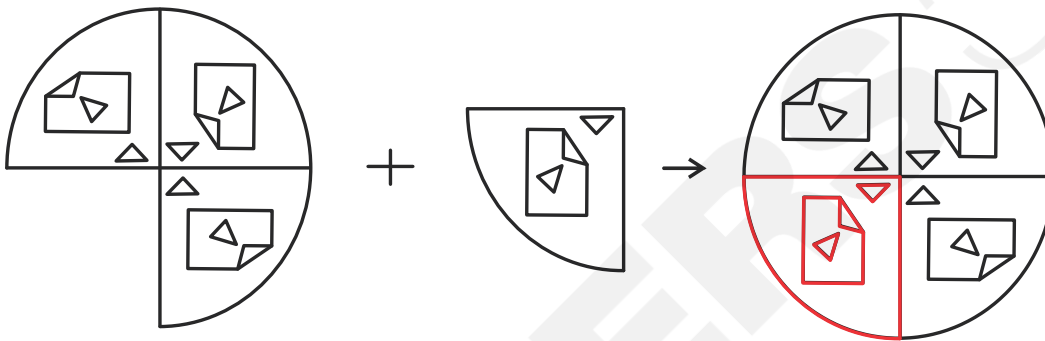

Correct Answer:

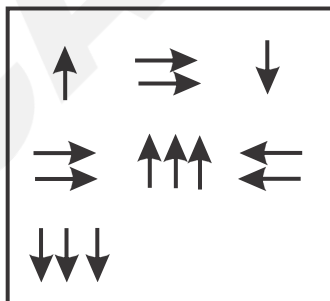

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

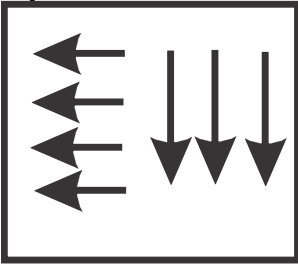

Hence, the **third option** is correct.

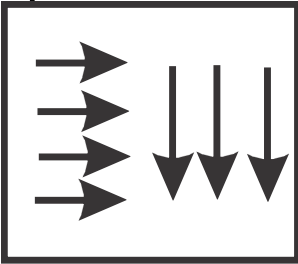

Q. 65 **Directions:** In the following question which answer figure will complete the pattern in the question figure?

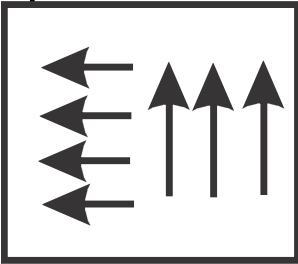

Option 1:

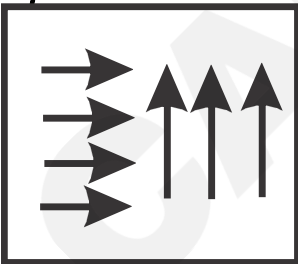

Option 2:

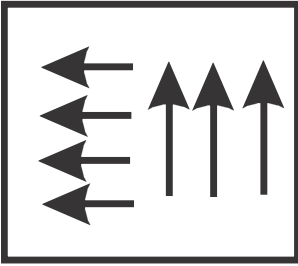

Option 3:

Option 4:

Correct Answer:

Solution:

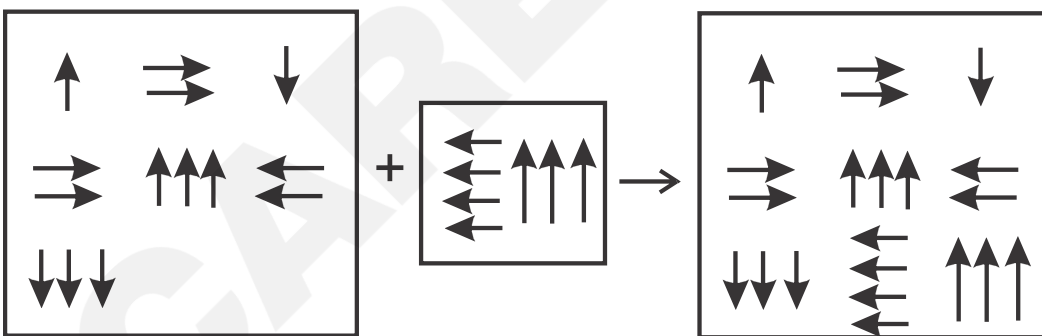

According to the given figure –

In column one: The Arrow is rotated by 90° in a clockwise direction and the number of arrows has been increased by 1 in each row.

In column two: The Arrow is rotated by 90° in an anticlockwise direction and the number of arrows has been increased by 1 in each row.

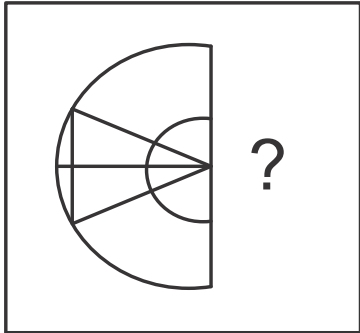

In column three: The Arrow is rotated by 90° in a clockwise direction and the number of arrows has been increased by 1 in each row.

So, by following the same pattern the required missing figure that will complete the question image is –

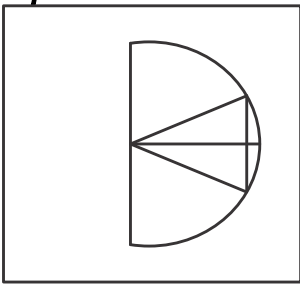

Hence, the **third option** is correct.

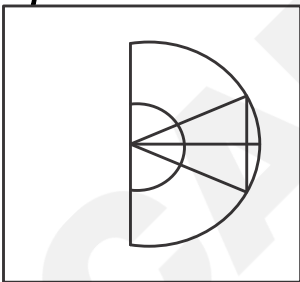

- Q. 66** **Directions:** Find the answer figure which will complete the pattern in the question figure.

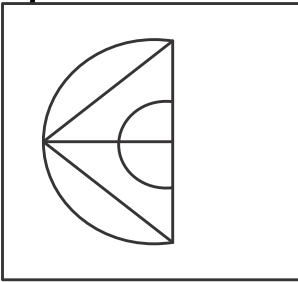

Option 1:

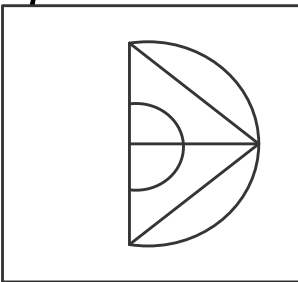

Option 2:

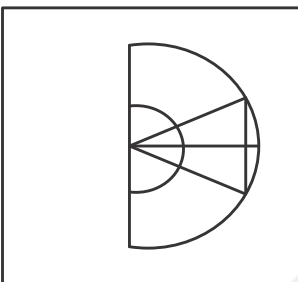

Option 3:

Option 4:

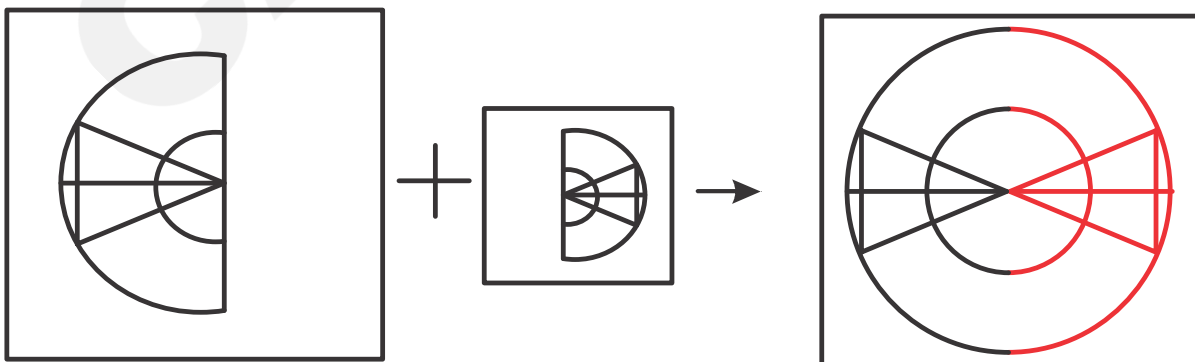

Correct Answer:

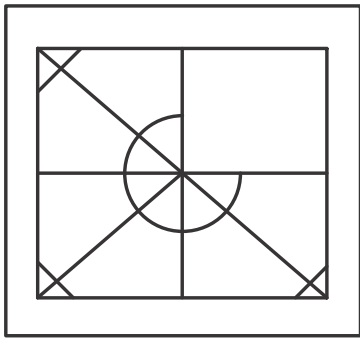

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

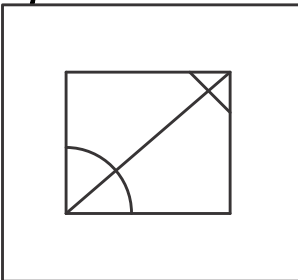

Hence, the **second option** is correct.

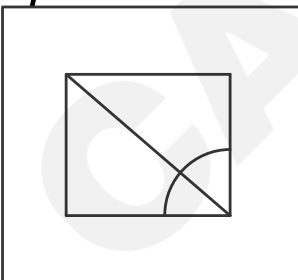

- Q. 67** **Directions:** Find the answer figure which will complete the pattern in the question figure.

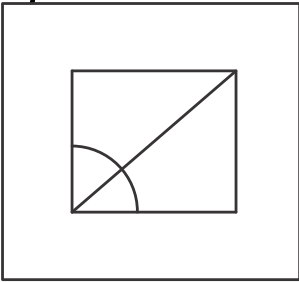

Option 1:

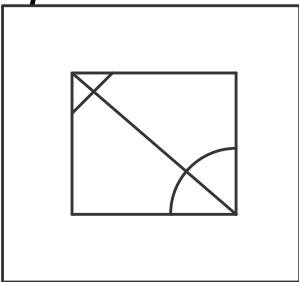

Option 2:

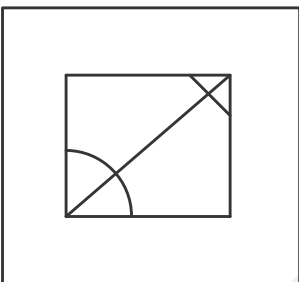

Option 3:

Option 4:

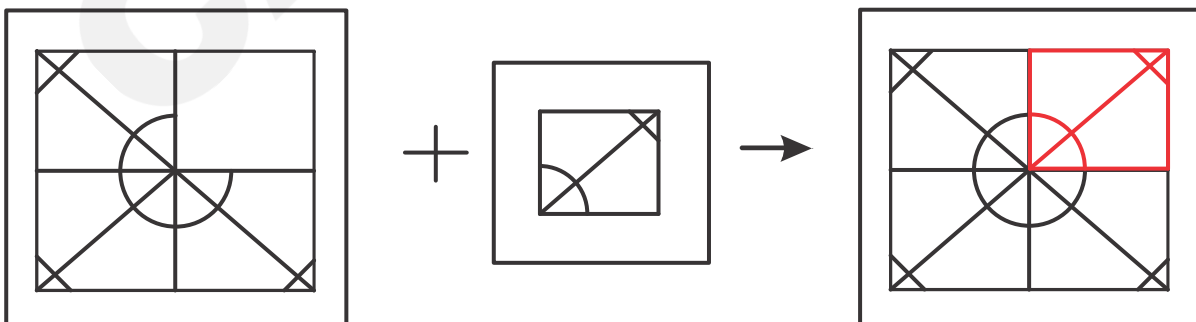

Correct Answer:

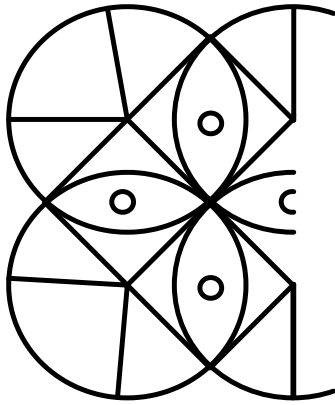

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

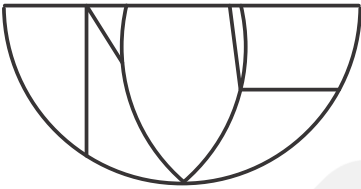

Hence, the **first option** is correct.

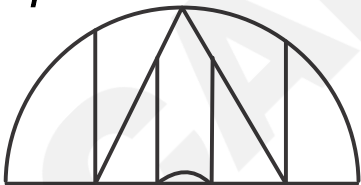

- Q. 68** **Directions:** In the following question, which answer figure will complete the pattern in the question figure?

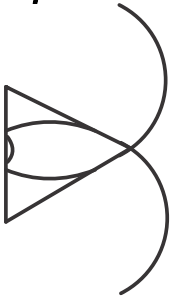

Option 1:

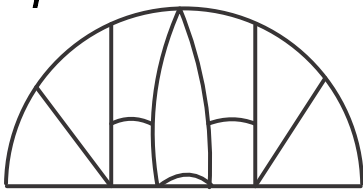

Option 2:

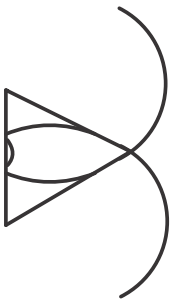

Option 3:

Option 4:

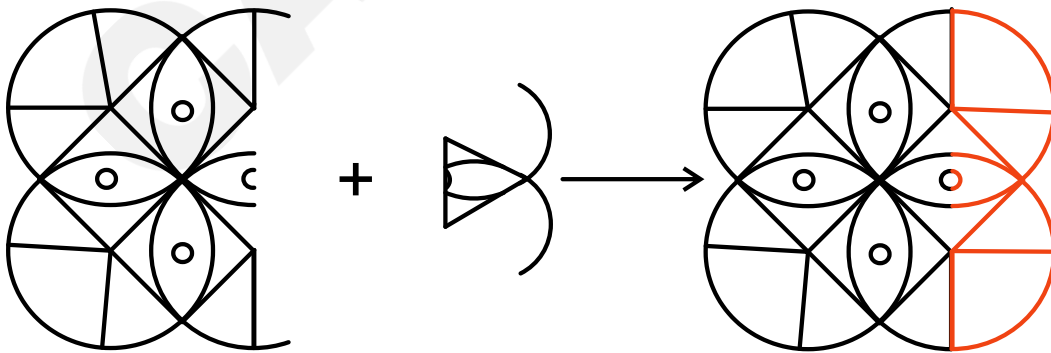

Correct Answer:

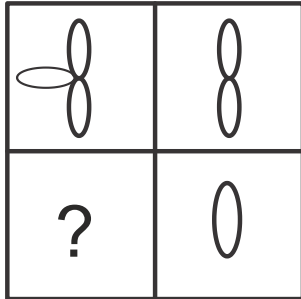

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

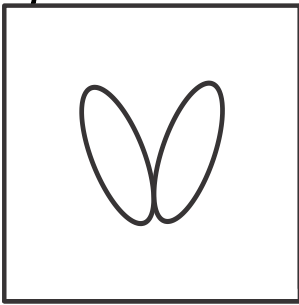

Hence, the **third option** is correct.

- Q. 69** **Directions:** In the following question, which answer figure will complete the pattern in the question figure?

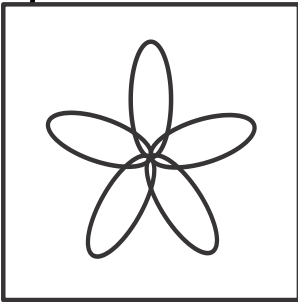

Option 1:

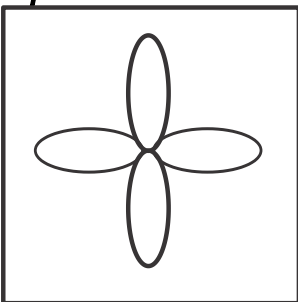

Option 2:

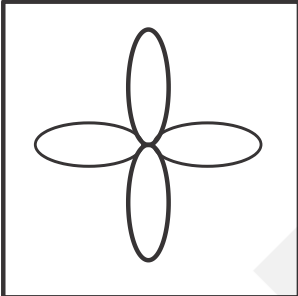

Option 3:

Option 4:

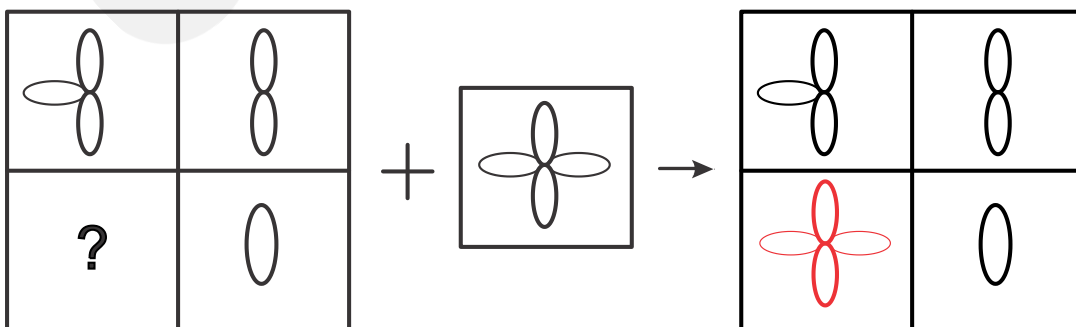

Correct Answer:

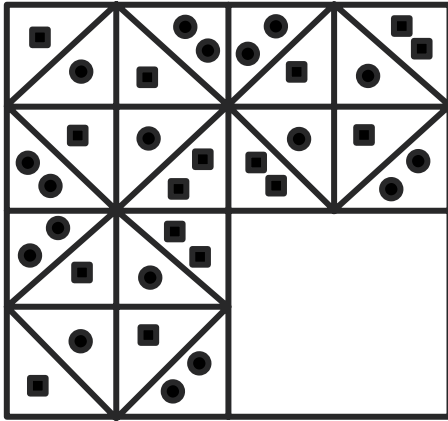

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

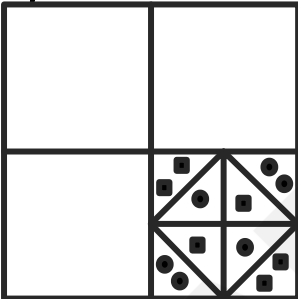

Hence, the **fourth option** is correct.

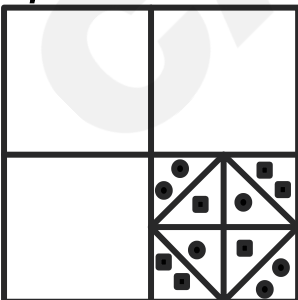

- Q. 70** **Directions:** In the following question, which answer figure will complete the question figure?

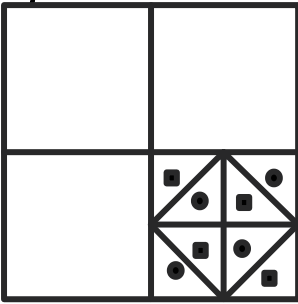

Option 1:

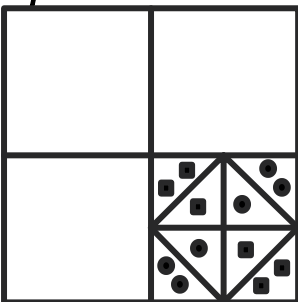

Option 2:

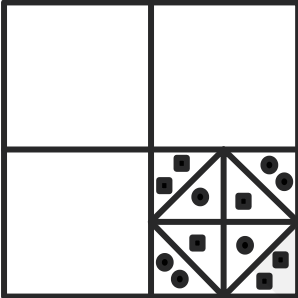

Option 3:

Option 4:

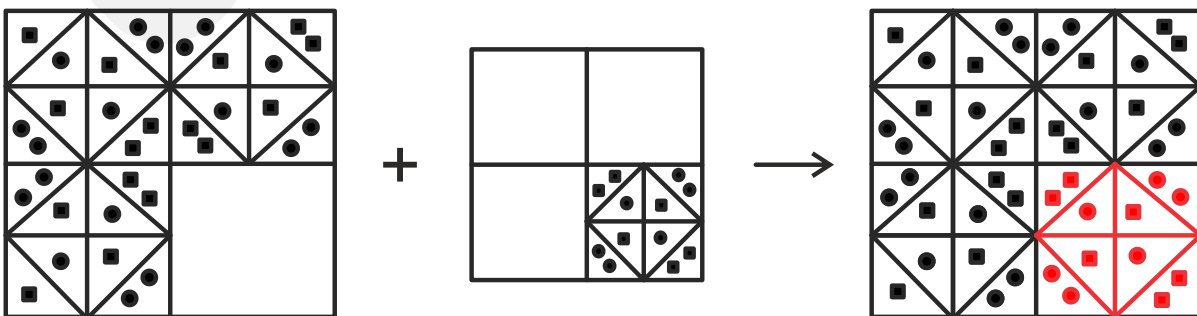

Correct Answer:

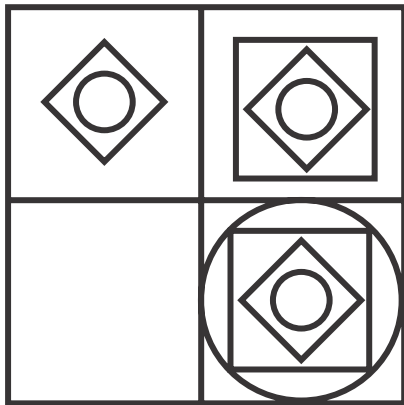

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

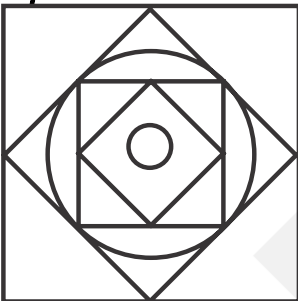

Hence, the **first option** is correct.

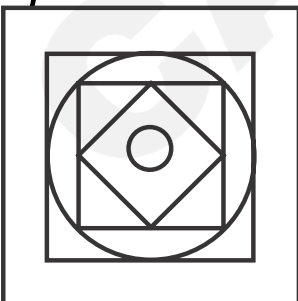

- Q. 71** **Directions:** In the following question, which answer figure will complete the question figure?

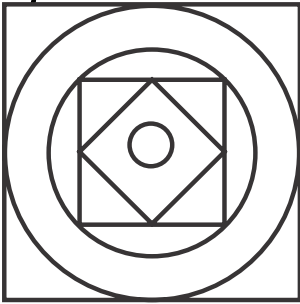

Option 1:

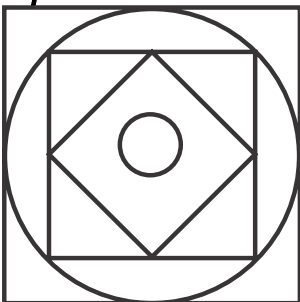

Option 2:

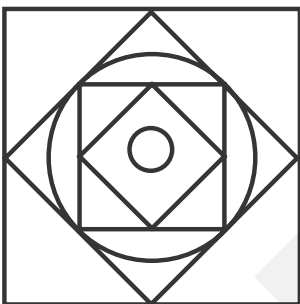

Option 3:

Option 4:

Correct Answer:

Solution:

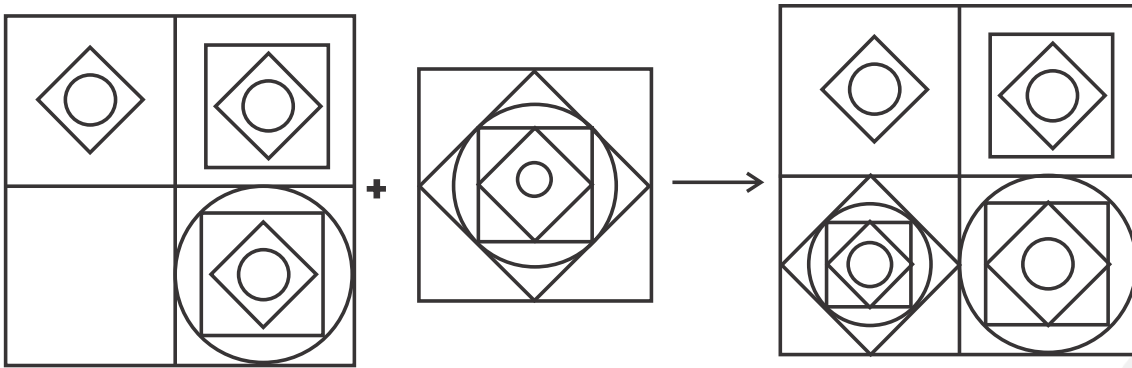

According to the given figure –

In the top left corner – A circle is surrounded by a rhombus.

In the top right corner – The image of the top left corner is surrounded by a square.

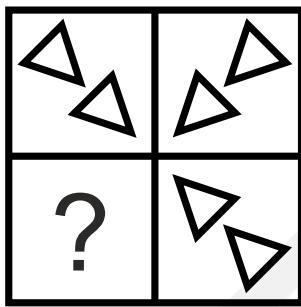

In the bottom right corner – The image in the top right corner is surrounded by a circle.

So, for the missing figure, the previous must be surrounded by a rhombus –

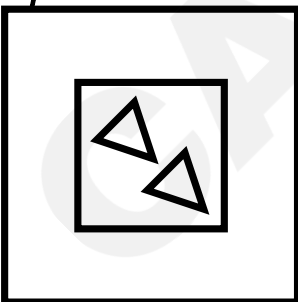

Hence, the **first option** is correct.

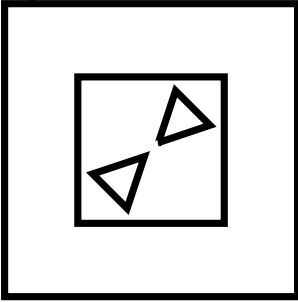

- Q. 72** **Directions:** In the following question, which answer figure will complete the question figure?

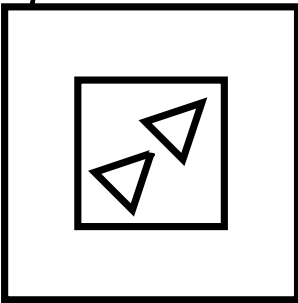

Option 1:

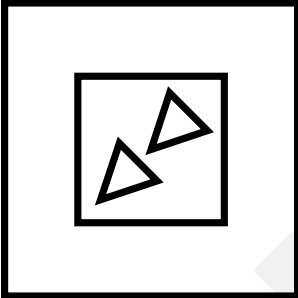

Option 2:

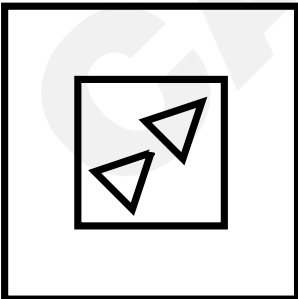

Option 3:

Option 4:

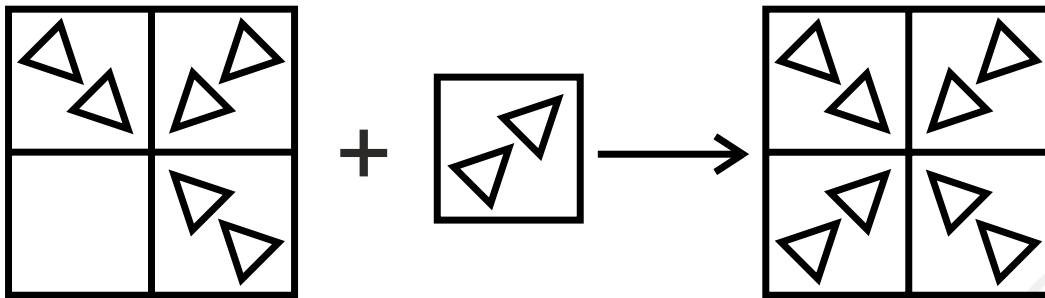

Correct Answer:

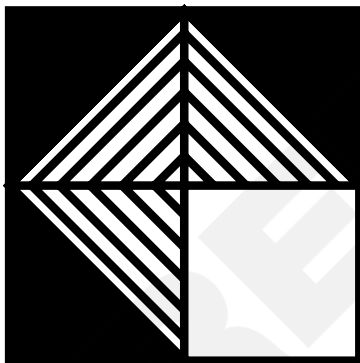

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

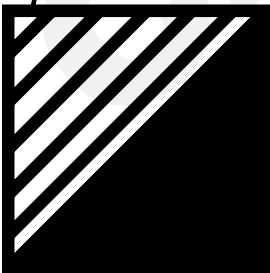

Hence, the **third option** is correct.

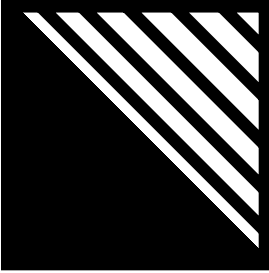

- Q. 73** **Directions:** In the following question, which answer figure will complete the pattern in the question figure?

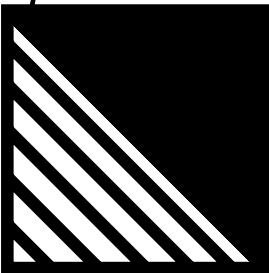

Option 1:

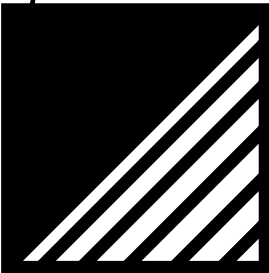

Option 2:

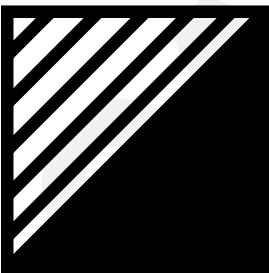

Option 3:

Option 4:

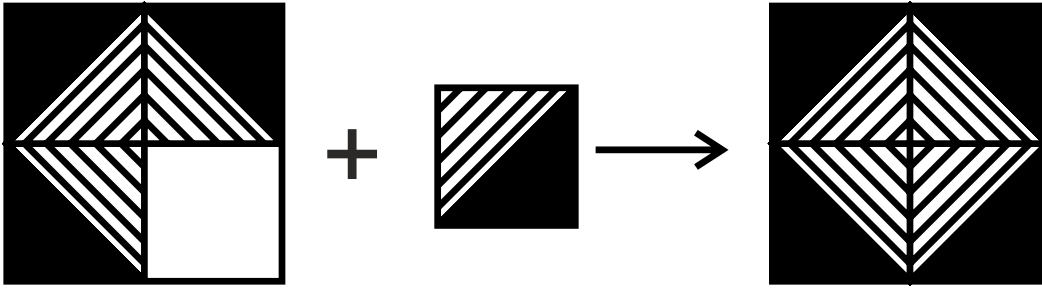

Correct Answer:

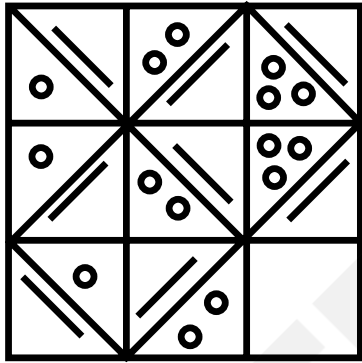

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

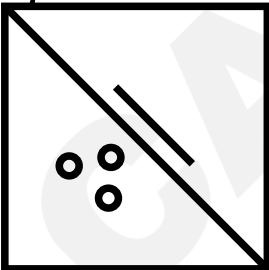

Hence, the **first option** is correct.

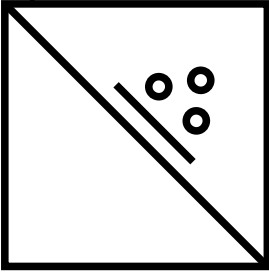

- Q. 74** **Directions:** In the following question, which answer figure will complete the pattern in the question figure?

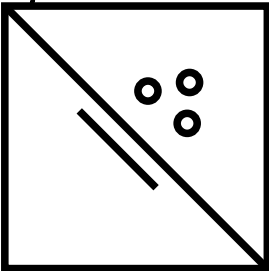

Option 1:

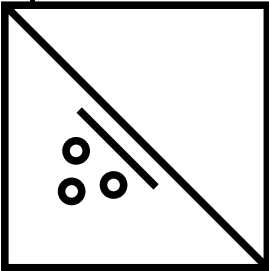

Option 2:

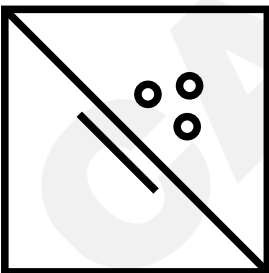

Option 3:

Option 4:

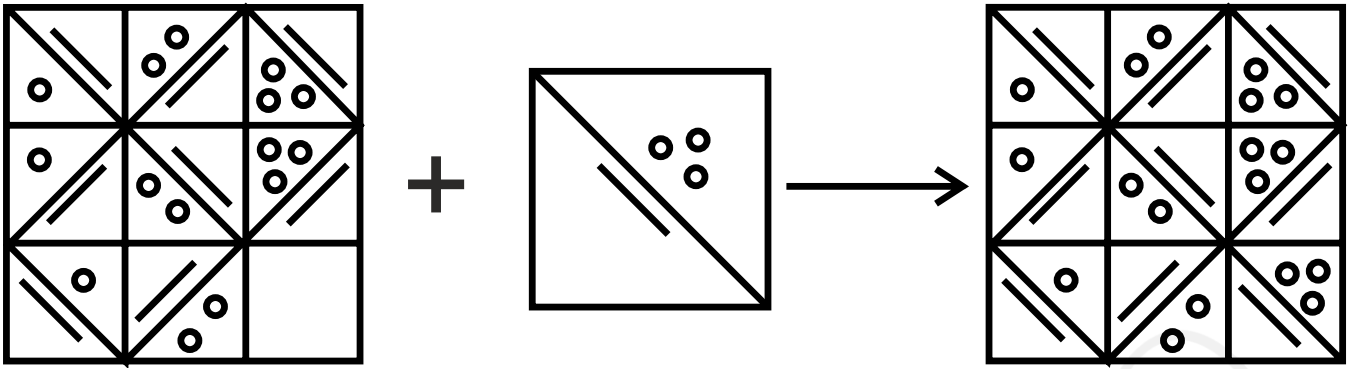

Correct Answer:

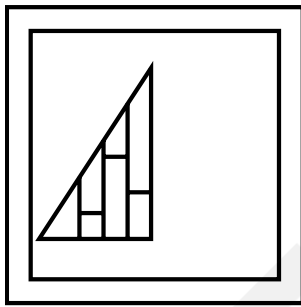

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

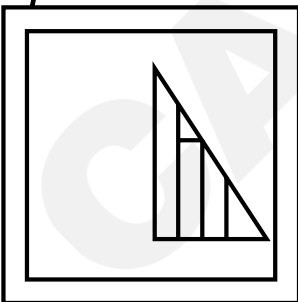

Hence, the **third option** is correct.

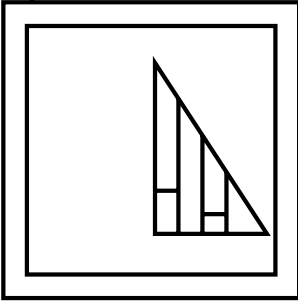

Q. 75 **Directions:** Which answer figure will complete the question figure?

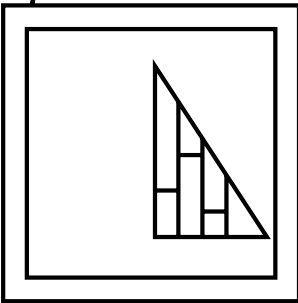

Option 1:

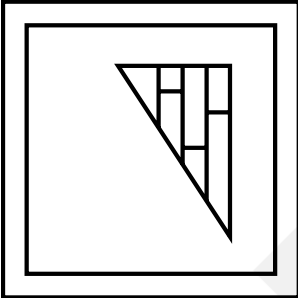

Option 2:

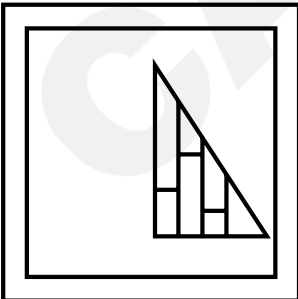

Option 3:

Option 4:

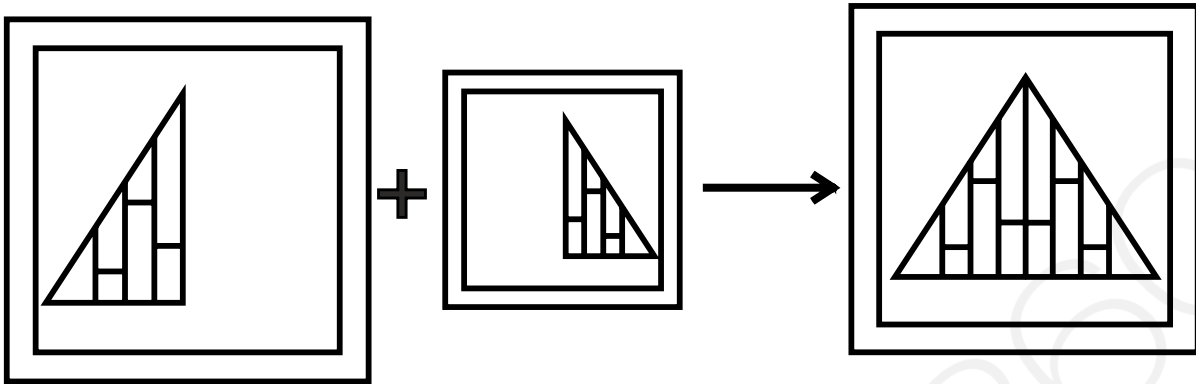

Correct Answer:

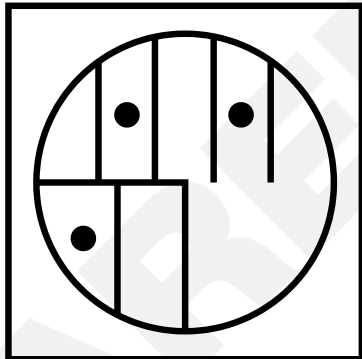

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

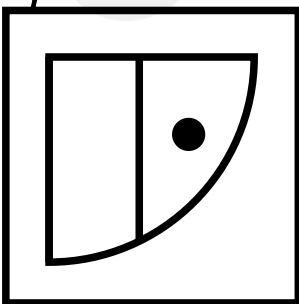

Hence, the **third option** is correct.

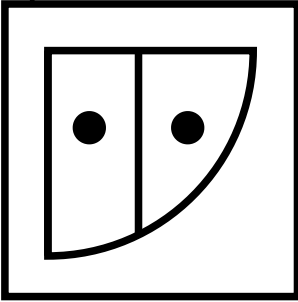

Q. 76 **Directions:** Which answer figure will complete the question figure?

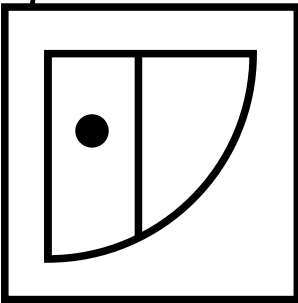

Option 1:

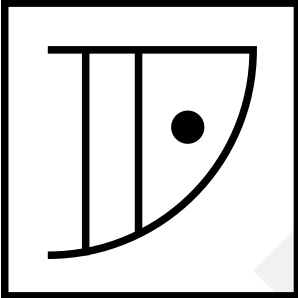

Option 2:

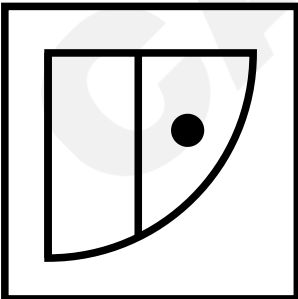

Option 3:

Option 4:

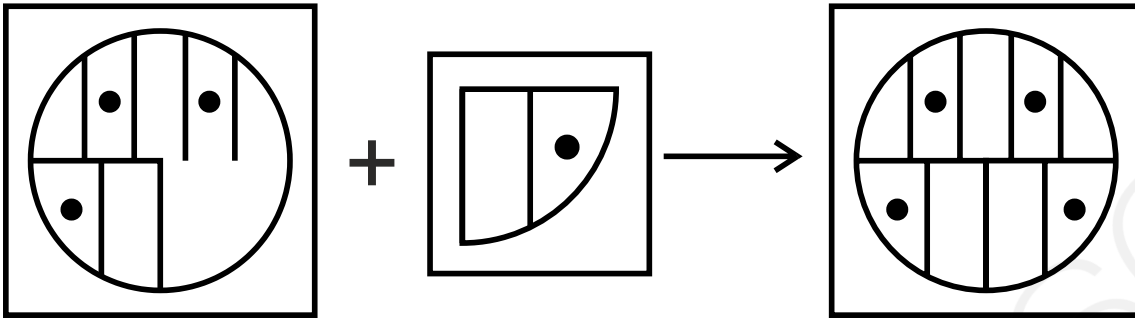

Correct Answer:

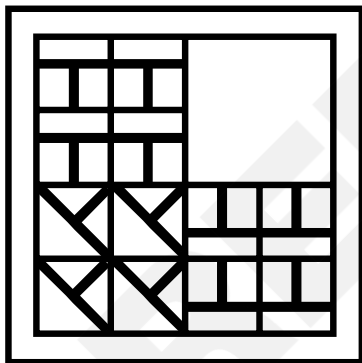

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

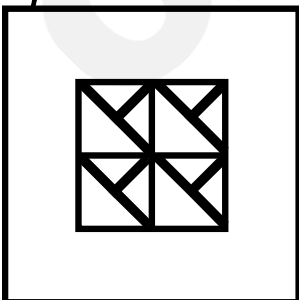

Hence, the **first option** is correct.

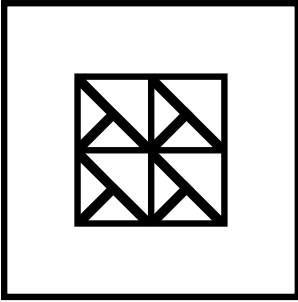

Q. 77 **Directions:** Which answer figure will complete the question figure?

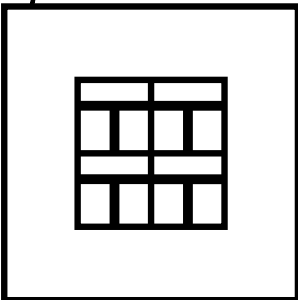

Option 1:

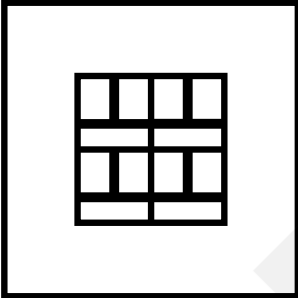

Option 2:

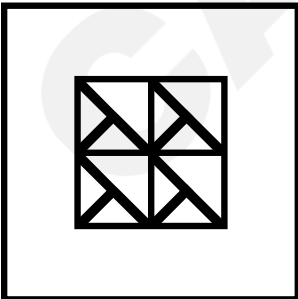

Option 3:

Option 4:

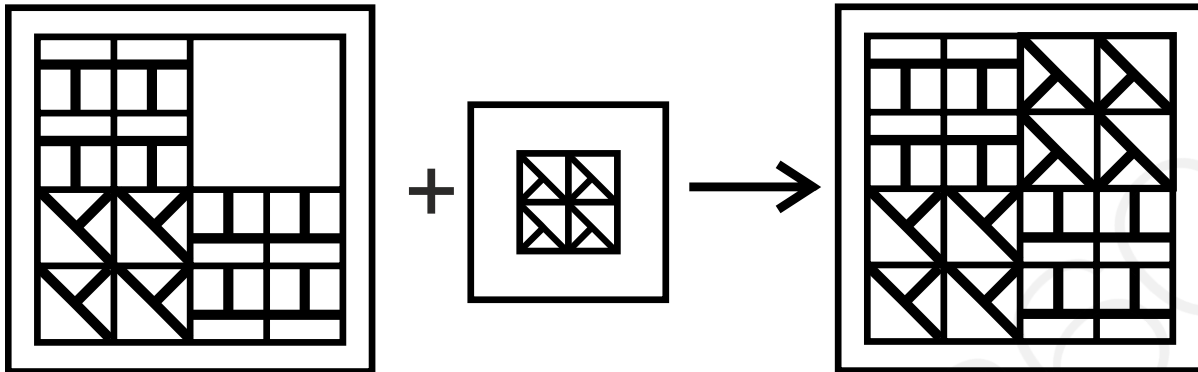

Correct Answer:

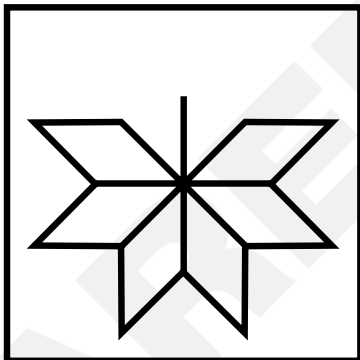

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

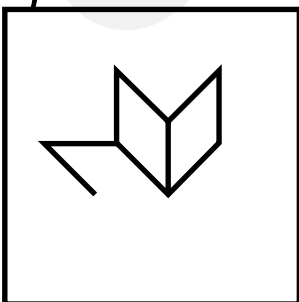

Hence, the **second option** is correct.

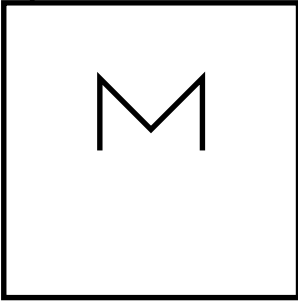

Q. 78 **Directions:** Which answer figure will complete the pattern in the question figure?

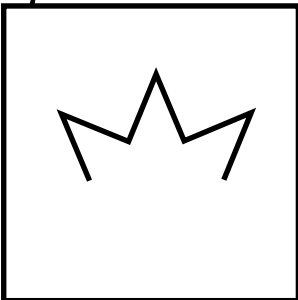

Option 1:

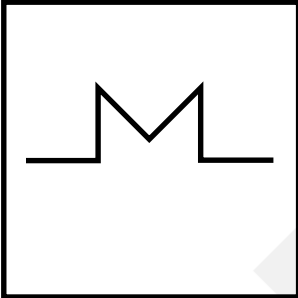

Option 2:

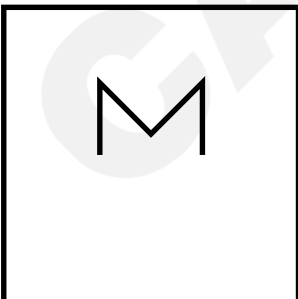

Option 3:

Option 4:

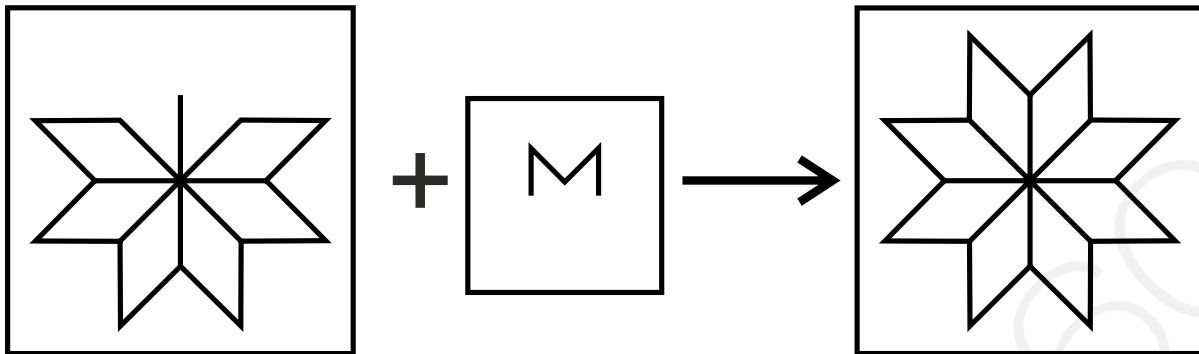

Correct Answer:

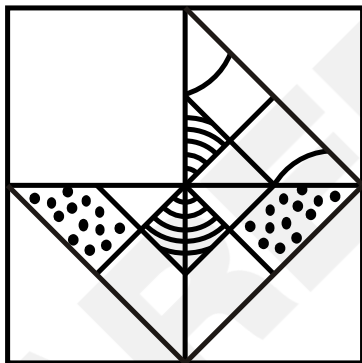

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

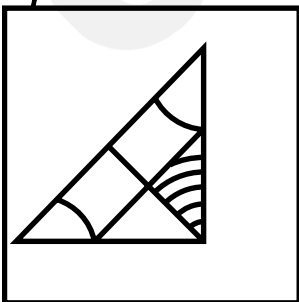

Hence, the **second option** is correct.

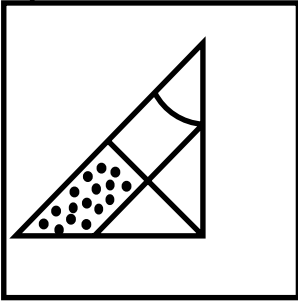

Q. 79 **Directions:** Which answer figure will complete the pattern in the question figure?

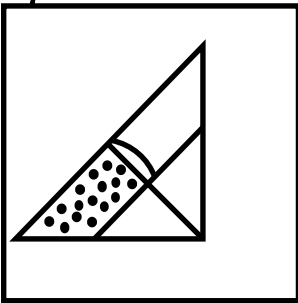

Option 1:

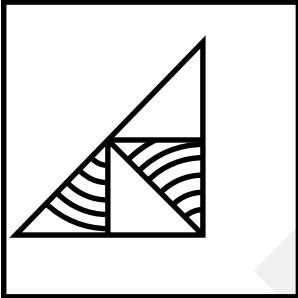

Option 2:

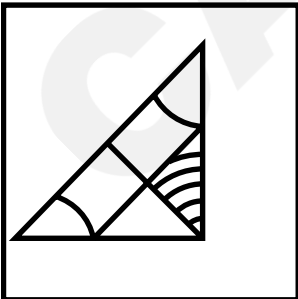

Option 3:

Option 4:

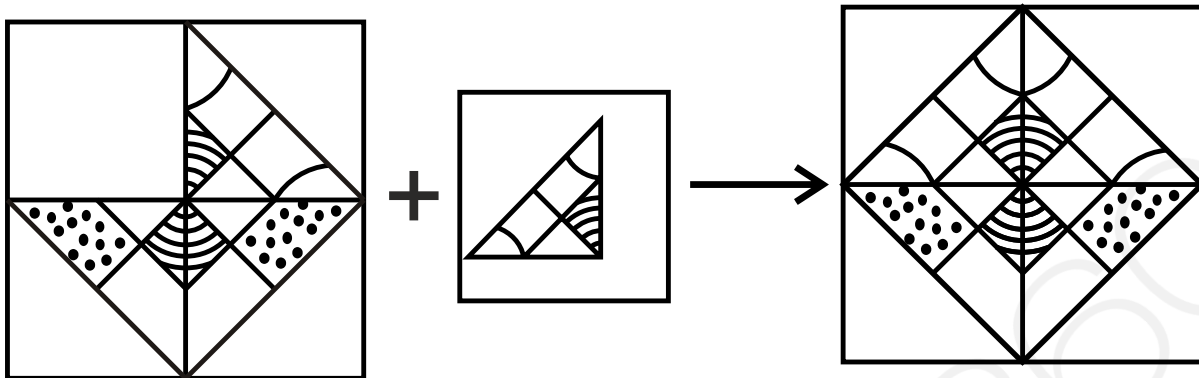

Correct Answer:

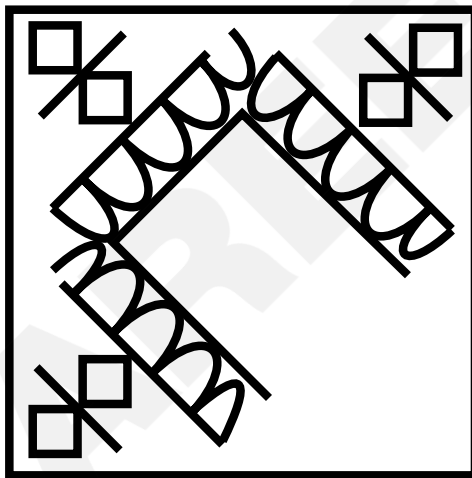

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

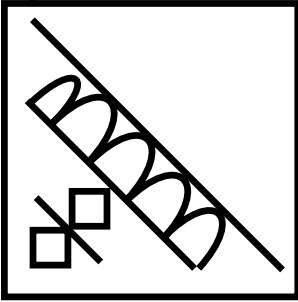

Hence, the **first option** is correct.

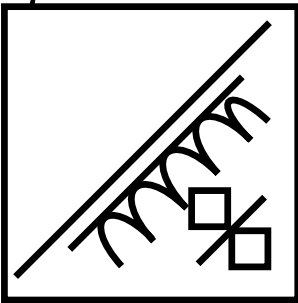

- Q. 80** **Directions:** In the following question, which answer figure will complete the pattern in the question figure?

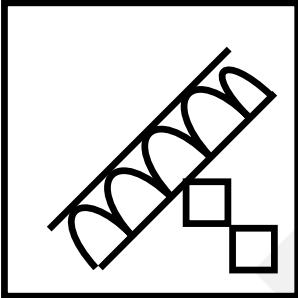

Option 1:

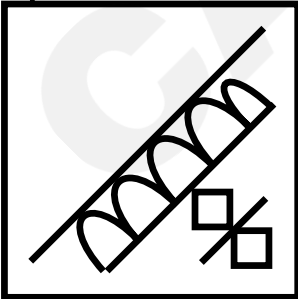

Option 2:

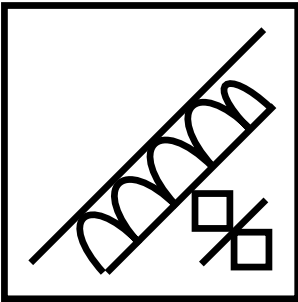

Option 3:

Option 4:

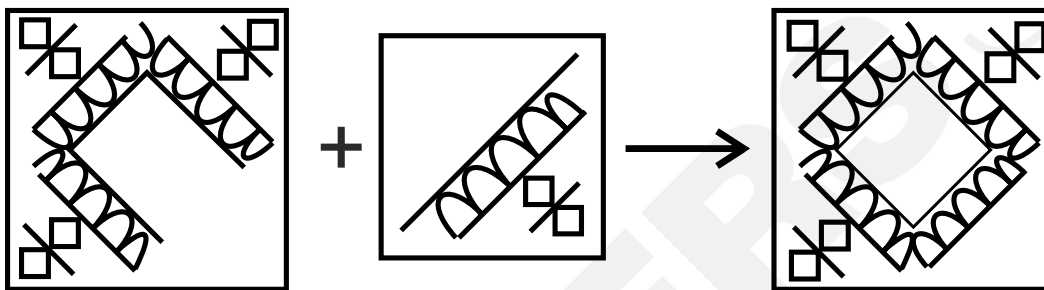

Correct Answer:

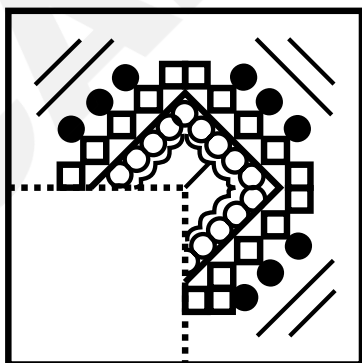

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

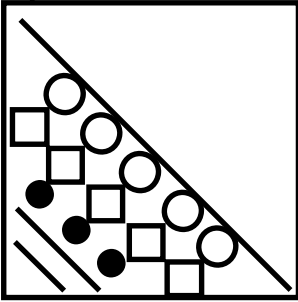

Hence, the **fourth option** is correct.

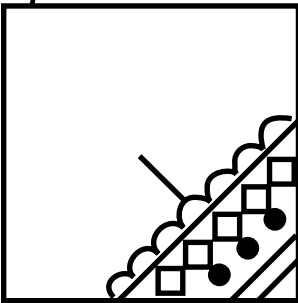

Q. 81 **Directions:** In the following question, which answer figure will complete the pattern in the question figure?

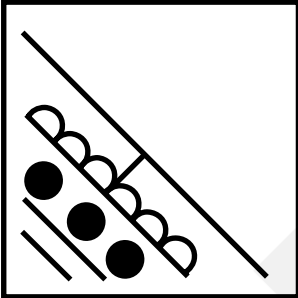

Option 1:

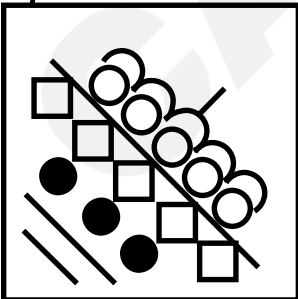

Option 2:

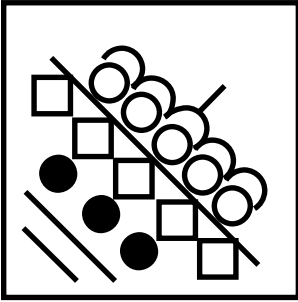

Option 3:

Option 4:

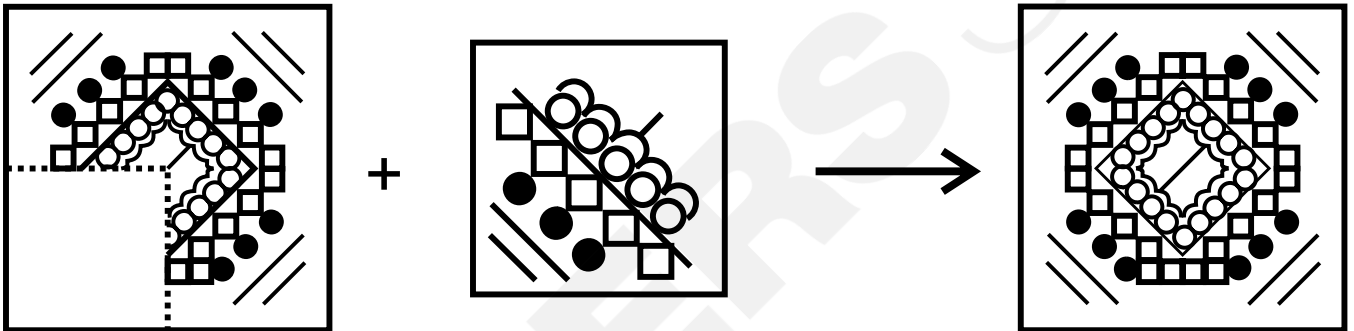

Correct Answer:

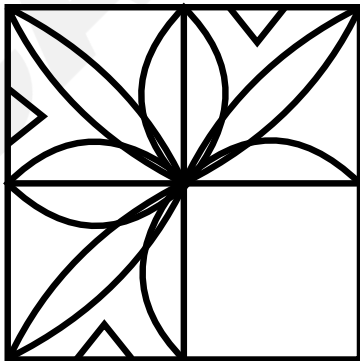

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

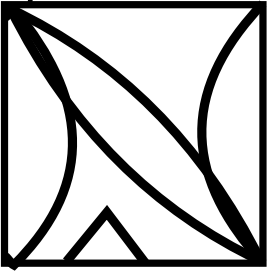

Hence, the **fourth option** is correct.

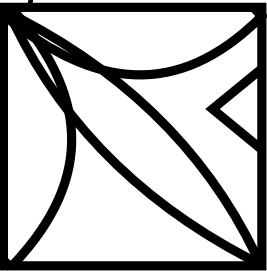

Q. 82 **Directions:** In the following question, which answer figure will complete the pattern in the question figure?

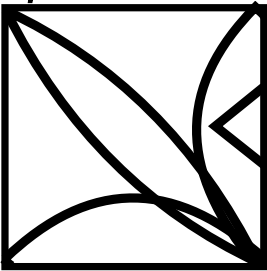

Option 1:

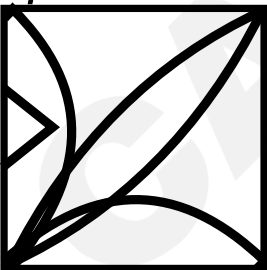

Option 2:

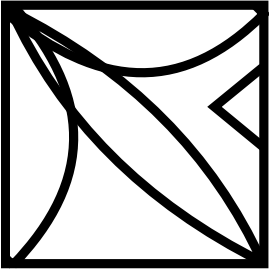

Option 3:

Option 4:

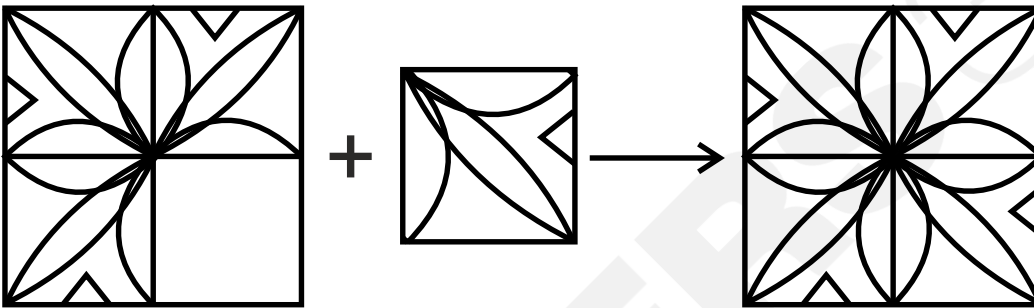

Correct Answer:

Solution:

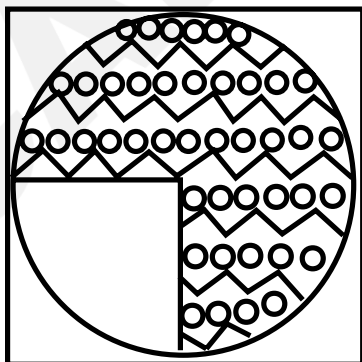

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

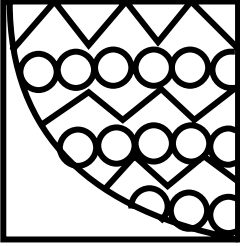

Hence, the **second option** is correct.

Q. 83

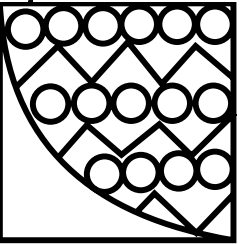

Directions: In the following question, which answer figure will complete the pattern in the question figure?

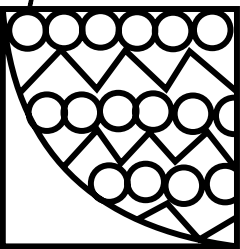

Option 1:

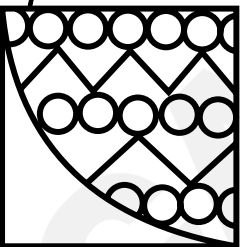

Option 2:

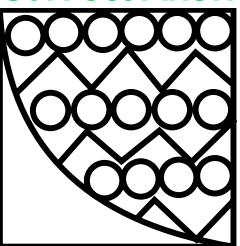

Option 3:

Option 4:

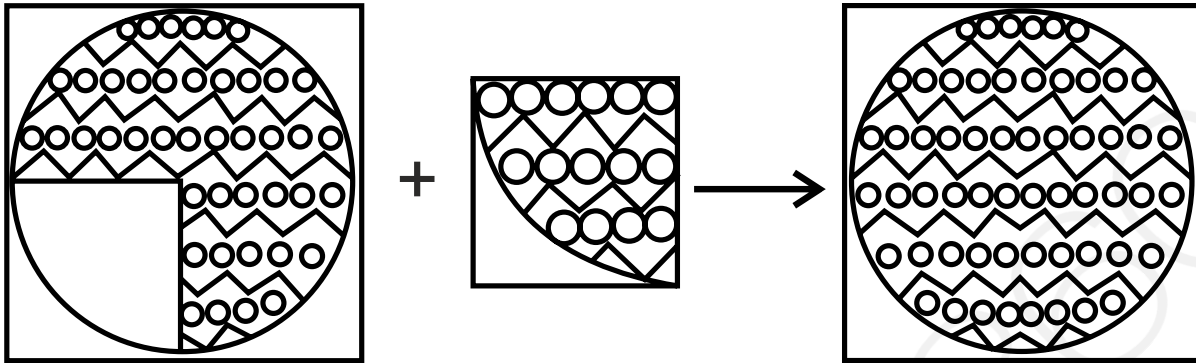

Correct Answer:

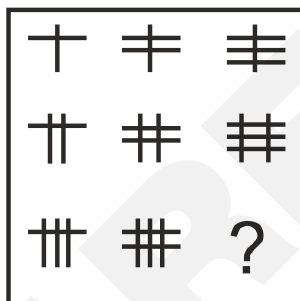

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

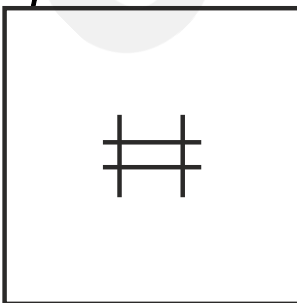

Hence, the **second option** is correct.

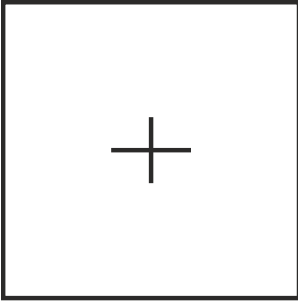

Q. 84 **Directions:** Which answer figure will complete the pattern in the question figure?

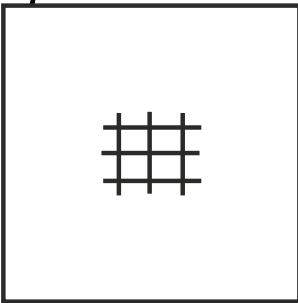

Option 1:

Option 2:

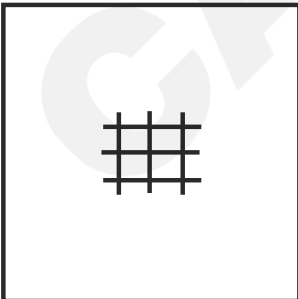

Option 3:

Option 4:

Correct Answer:

Solution:

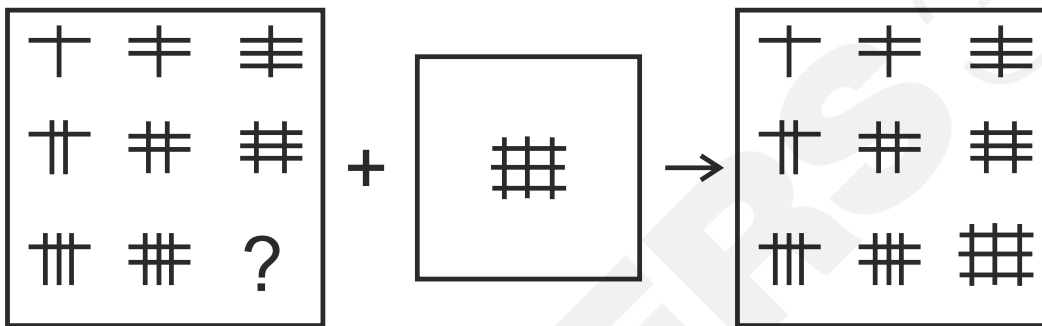

According to the question figure –

In row 1: The number of vertical lines is 1 and the number of horizontal lines is increased by 1.

In row 2: The number of vertical lines is 2 and the number of horizontal lines is increased by 1.

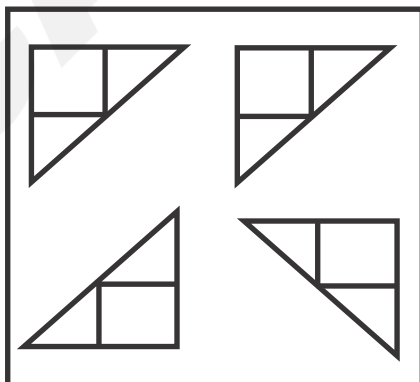

In row 3: The number of vertical lines is 1 and the number of horizontal and vertical lines is increased by 1.

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

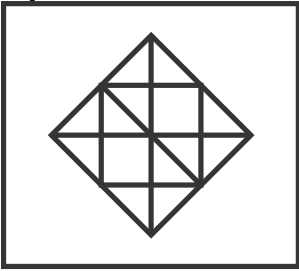

Hence, the **third option** is correct.

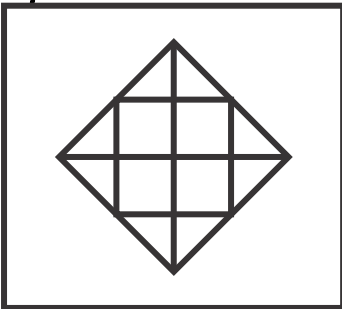

- Q. 85** **Directions:** In the following questions, among the four answer figures, which figure can be formed from the cut - pieces given below in the question figure?

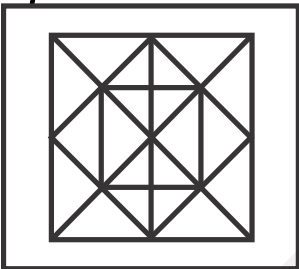

Option 1:

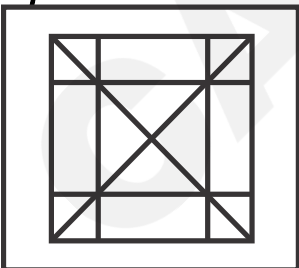

Option 2:

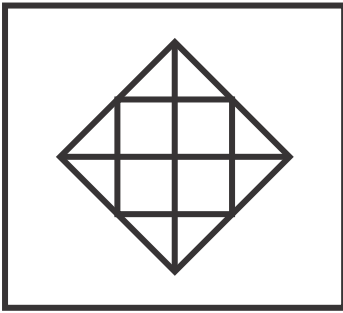

Option 3:

Option 4:

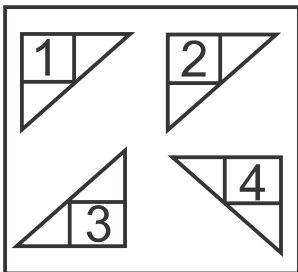

Correct Answer:

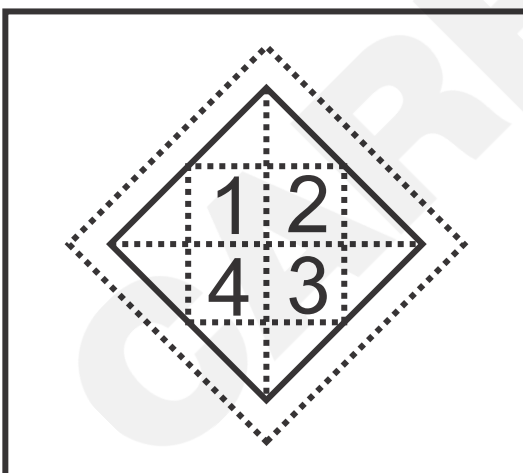

Solution:

The given figure can be numbered as shown below –

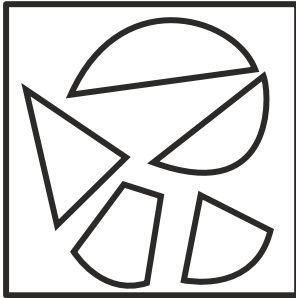

On comparing the question figure and all the answer figures, the following figure has all the pieces –

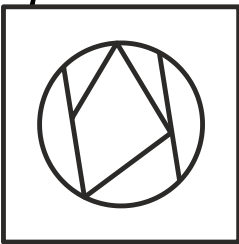

Hence, the **second option** is correct.

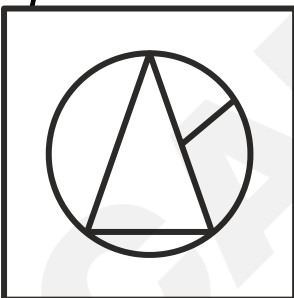

- Q. 86** **Directions:** In the following questions, among the four answer figures, which figure can be formed from the cut - pieces given below in the question figure?

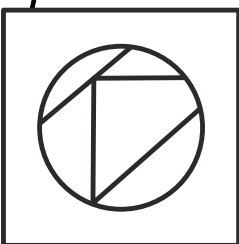

Option 1:

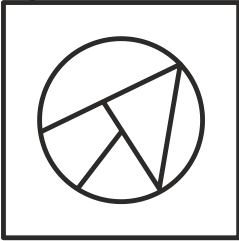

Option 2:

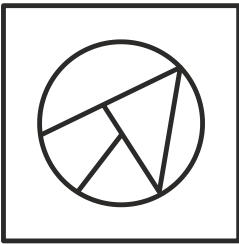

Option 3:

Option 4:

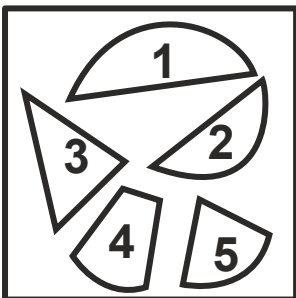

Correct Answer:

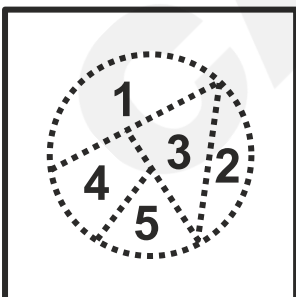

Solution:

The given figure can be numbered as shown below –

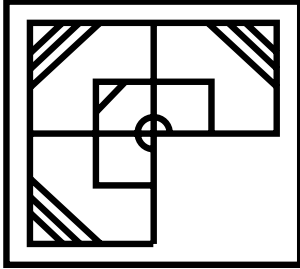

On comparing the question figure and all the option figures, the following figure has all the pieces –

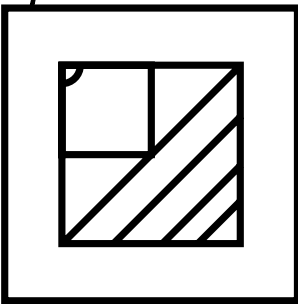

Hence, the **fourth option** is correct.

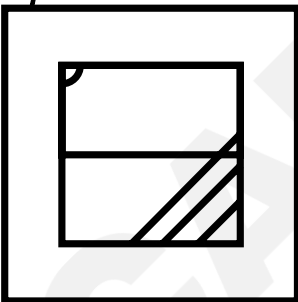

- Q. 87** **Directions:** Which answer figure will complete the pattern in the question figure?

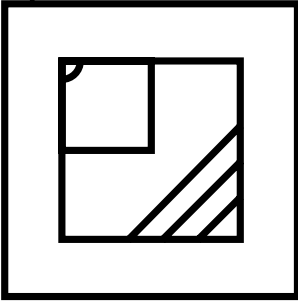

Option 1:

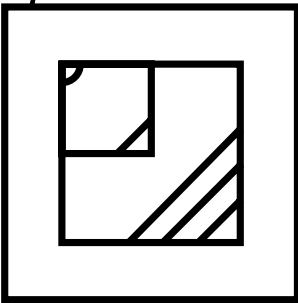

Option 2:

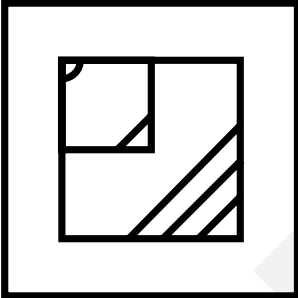

Option 3:

Option 4:

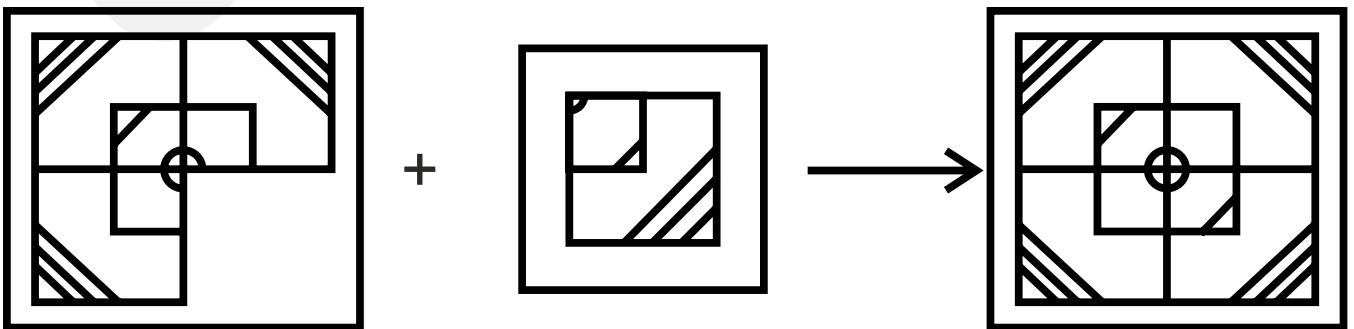

Correct Answer:

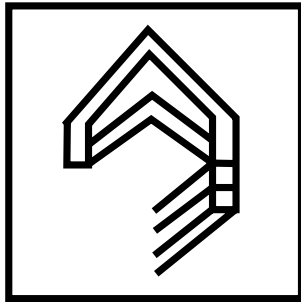

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

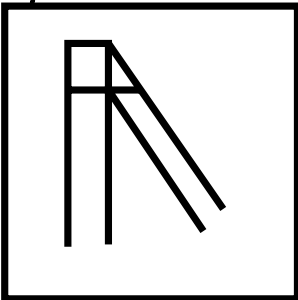

Hence, the **fourth option** is correct.

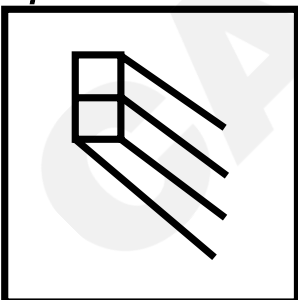

- Q. 88** **Directions:** Which answer figure will complete the pattern in the question figure?

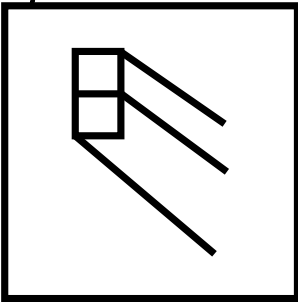

Option 1:

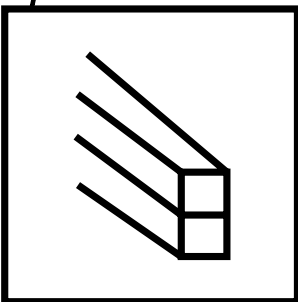

Option 2:

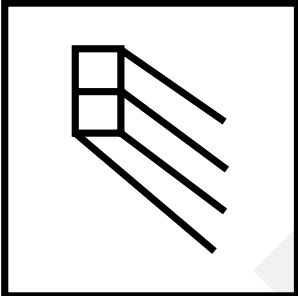

Option 3:

Option 4:

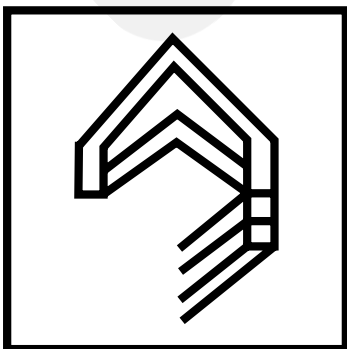

Correct Answer:

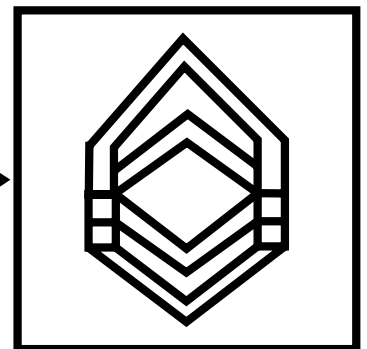

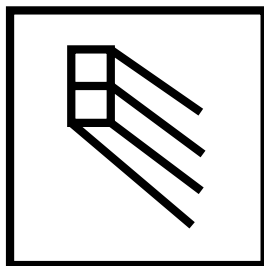

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

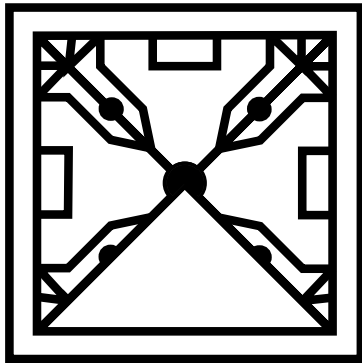

+

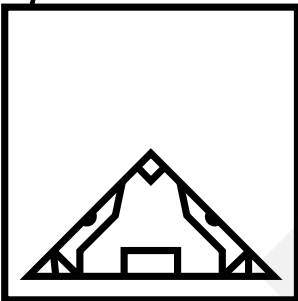

Hence, the **second option** is correct.

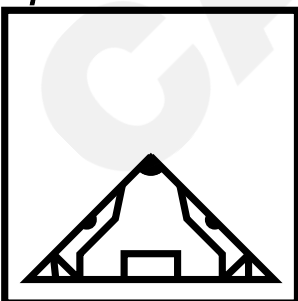

- Q. 89** **Directions:** Which answer figure will complete the pattern in the question figure?

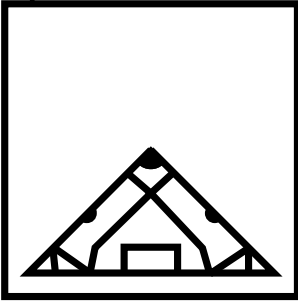

Option 1:

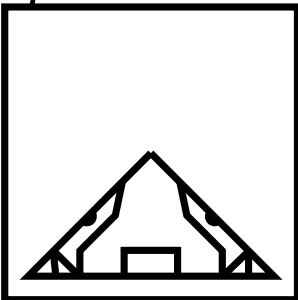

Option 2:

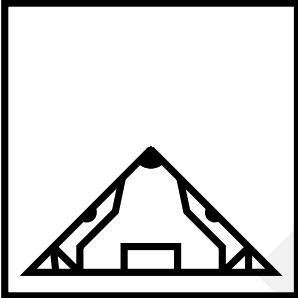

Option 3:

Option 4:

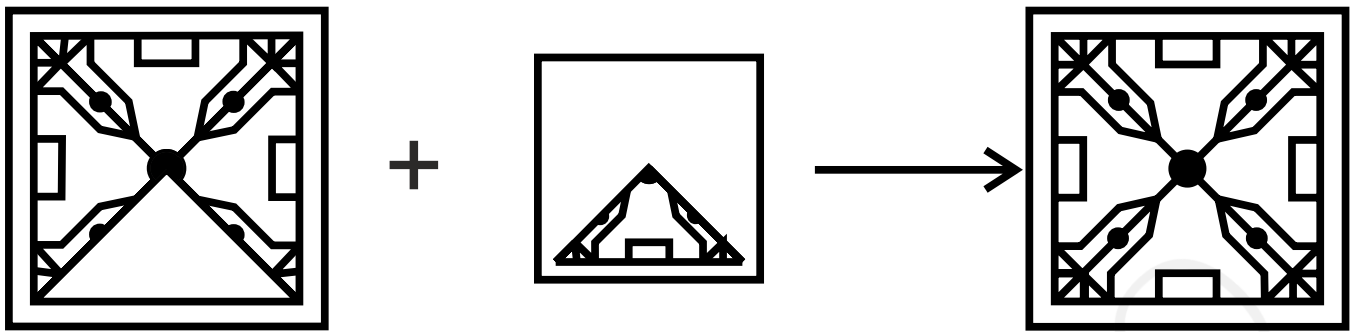

Correct Answer:

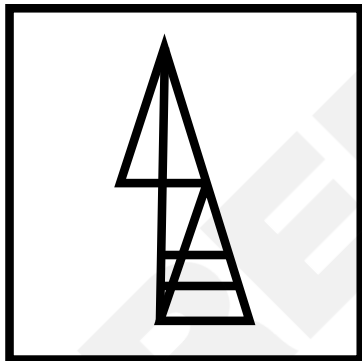

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

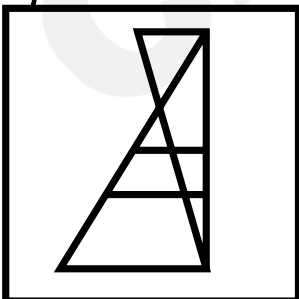

Hence, the **second option** is correct.

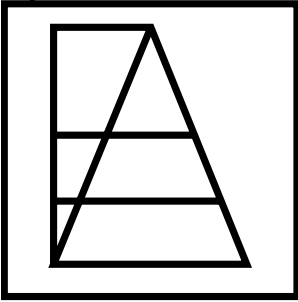

Q. 90 **Directions:** Which answer figure will complete the pattern in the question figure?

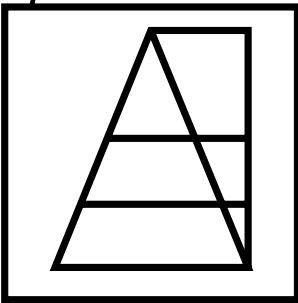

Option 1:

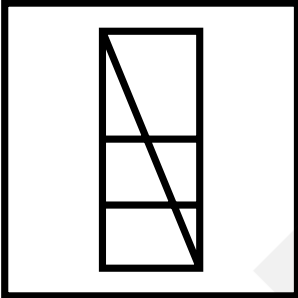

Option 2:

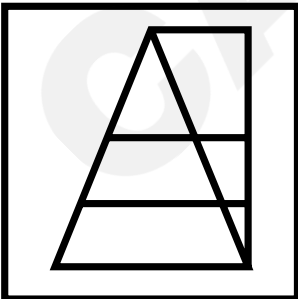

Option 3:

Option 4:

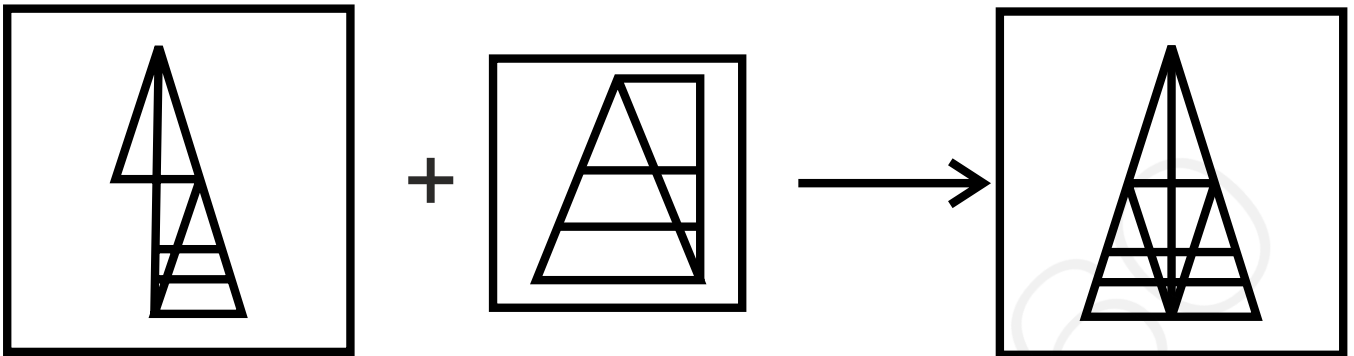

Correct Answer:

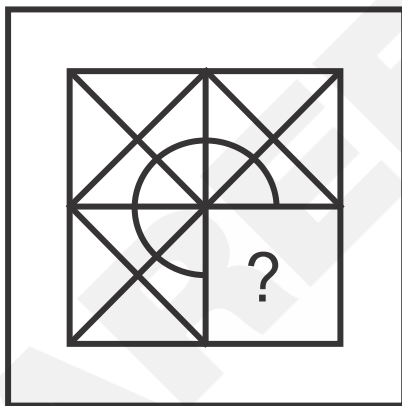

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

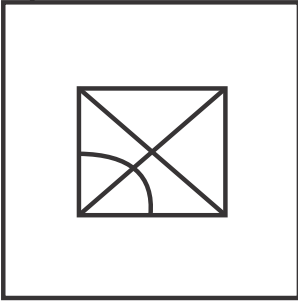

Hence, the **third option** is correct.

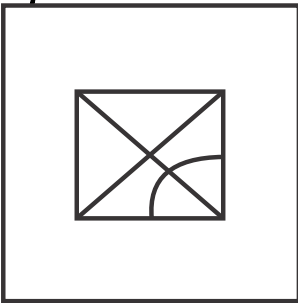

- Q. 91** **Directions:** Which answer figure will complete the pattern in the question figure?

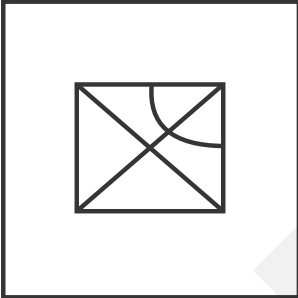

Option 1:

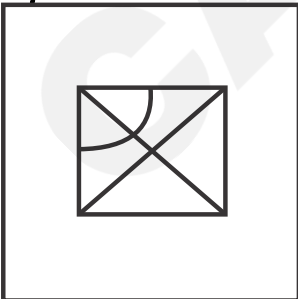

Option 2:

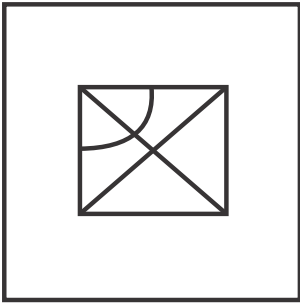

Option 3:

Option 4:

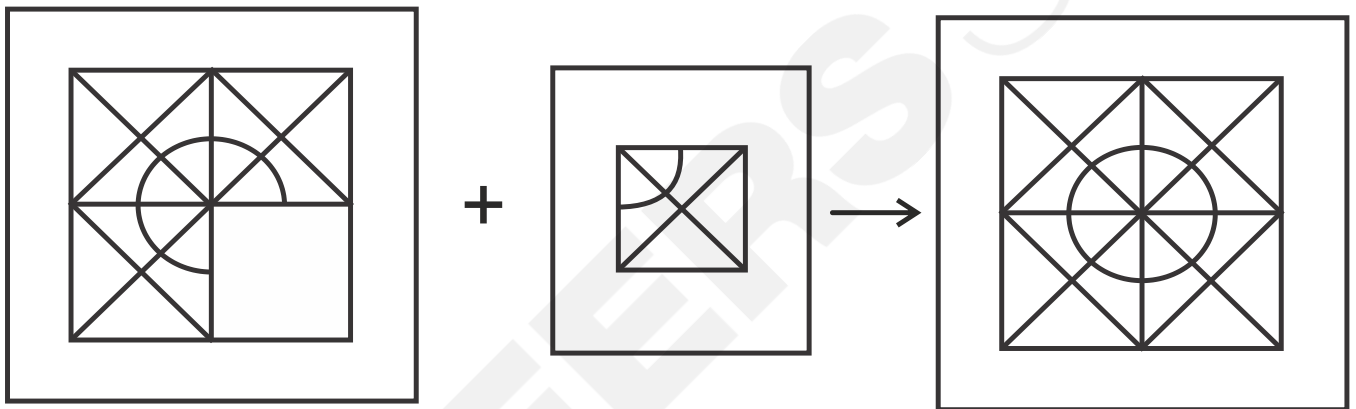

Correct Answer:

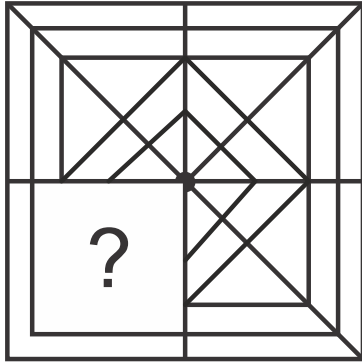

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

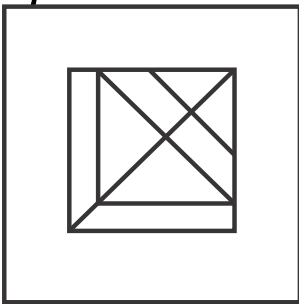

Hence, the **fourth option** is correct.

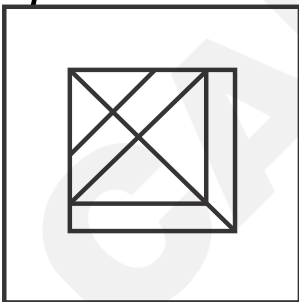

Q. 92 **Directions:** Which answer figure will complete the pattern in the question figure?

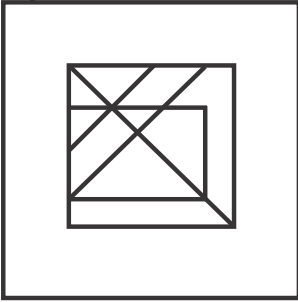

Option 1:

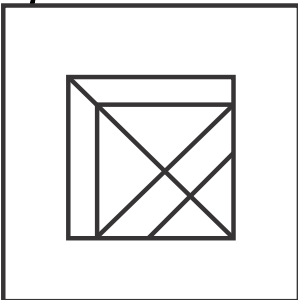

Option 2:

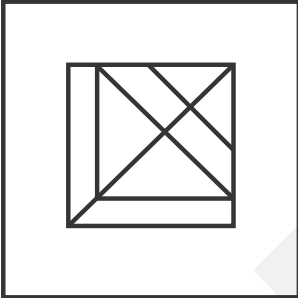

Option 3:

Option 4:

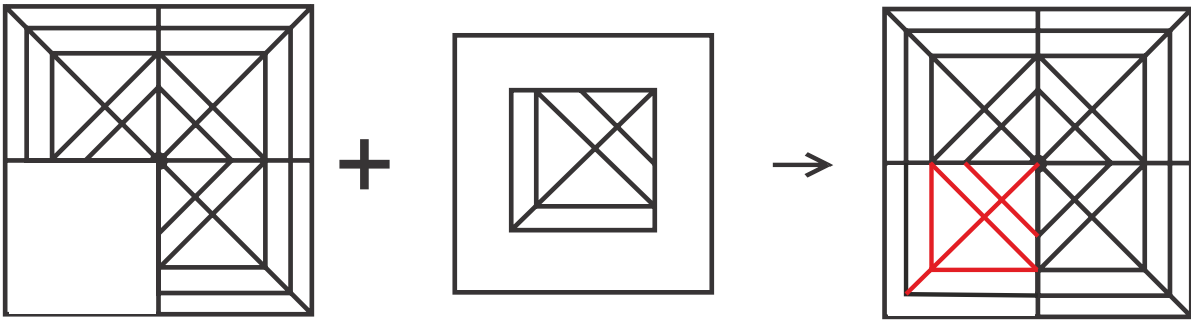

Correct Answer:

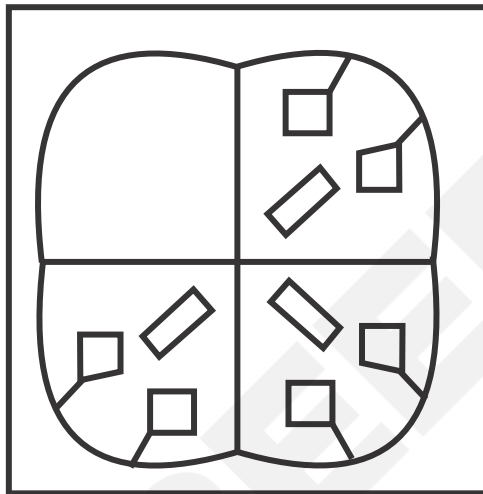

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

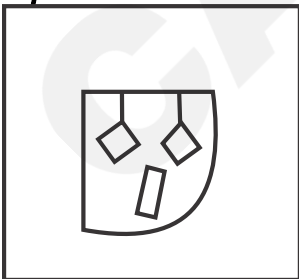

Hence, the **first option** is correct.

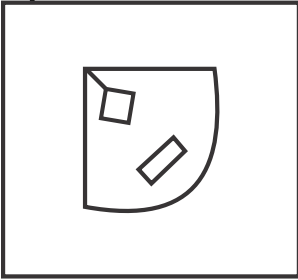

Q. 93 **Directions:** Which answer figure will complete the pattern in the question figure?

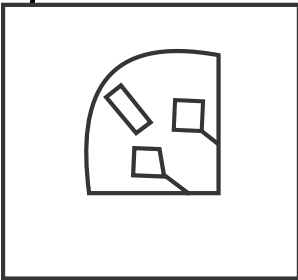

Option 1:

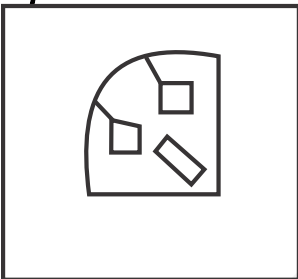

Option 2:

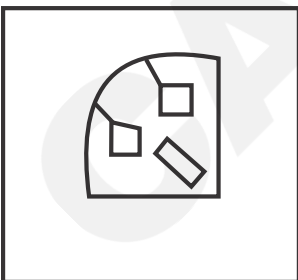

Option 3:

Option 4:

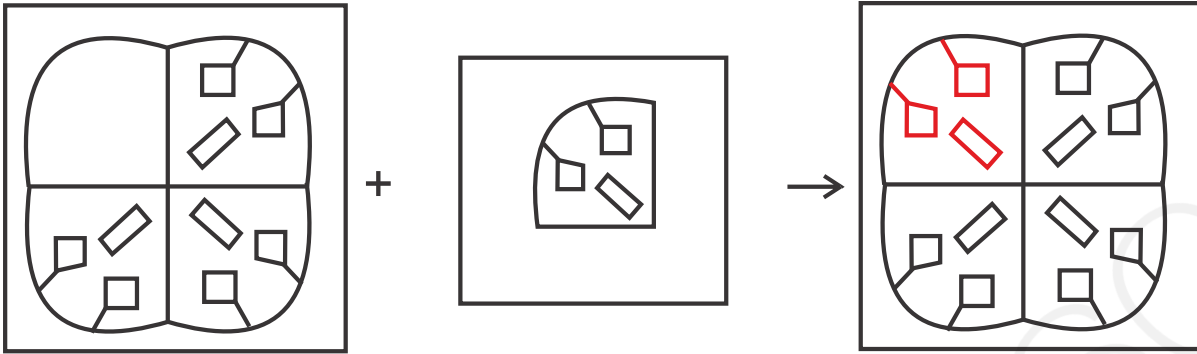

Correct Answer:

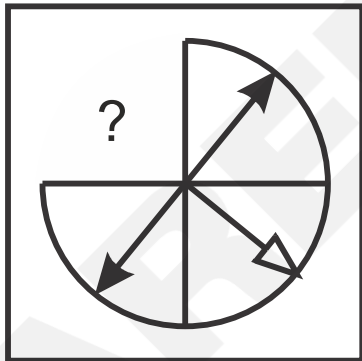

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

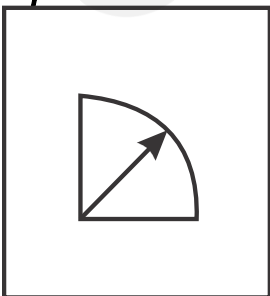

Hence, the **fourth option** is correct.

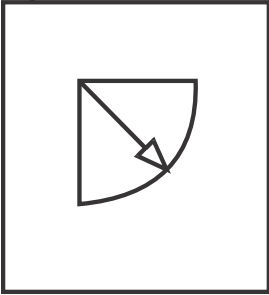

Q. 94 **Directions:** Which answer figure shall complete the given question figure?

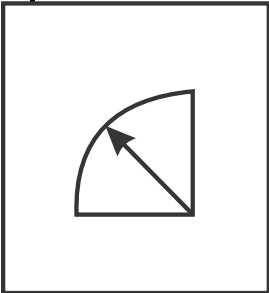

Option 1:

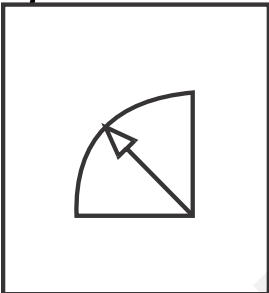

Option 2:

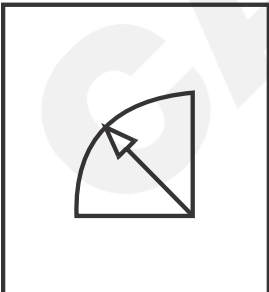

Option 3:

Option 4:

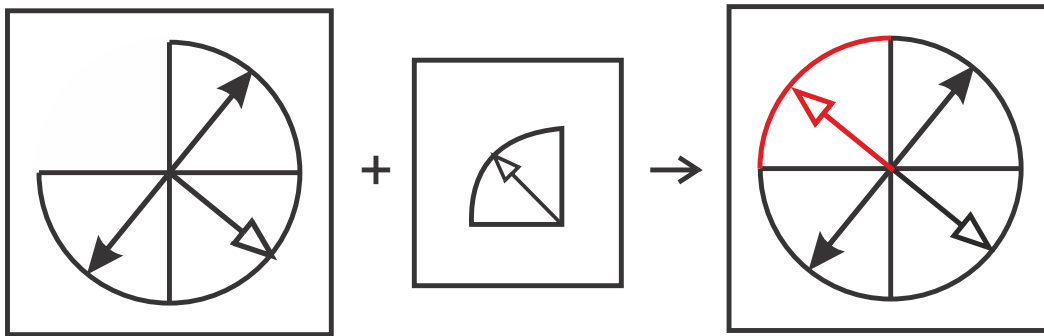

Correct Answer:

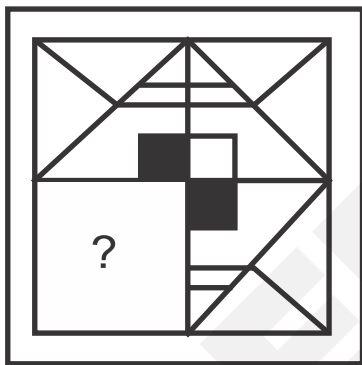

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

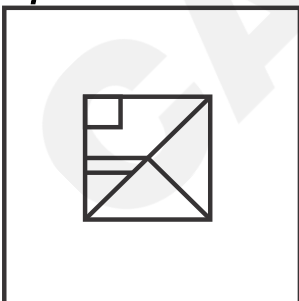

Hence, the **fourth option** is correct.

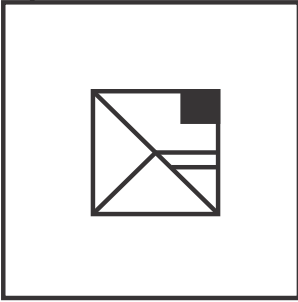

Q. 95 **Directions:** Which answer figure shall complete the given question figure?

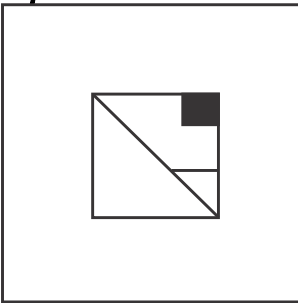

Option 1:

Option 2:

Option 3:

Option 4:

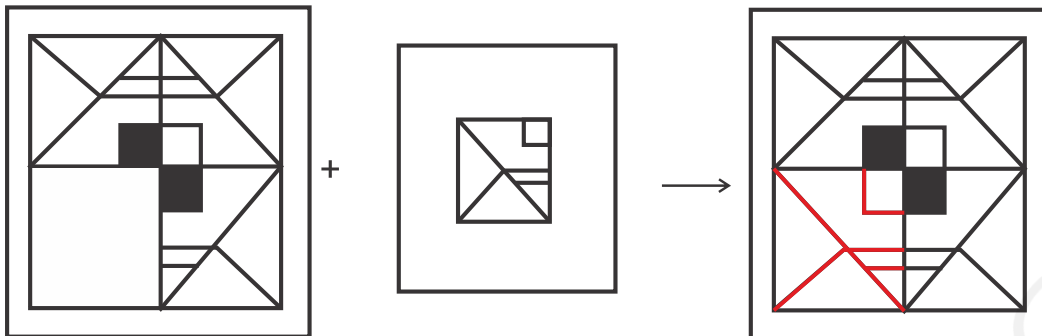

Correct Answer:

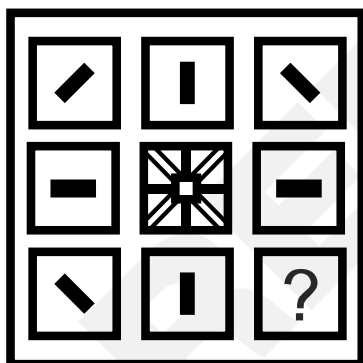

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

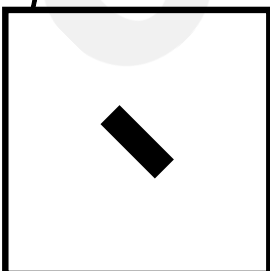

Hence, the **fourth option** is correct.

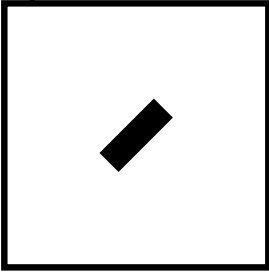

Q. 96 **Directions:** Which answer figure shall complete the given question figure?

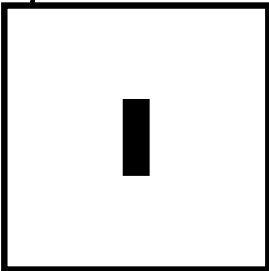

Option 1:

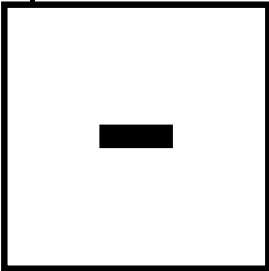

Option 2:

Option 3:

Option 4:

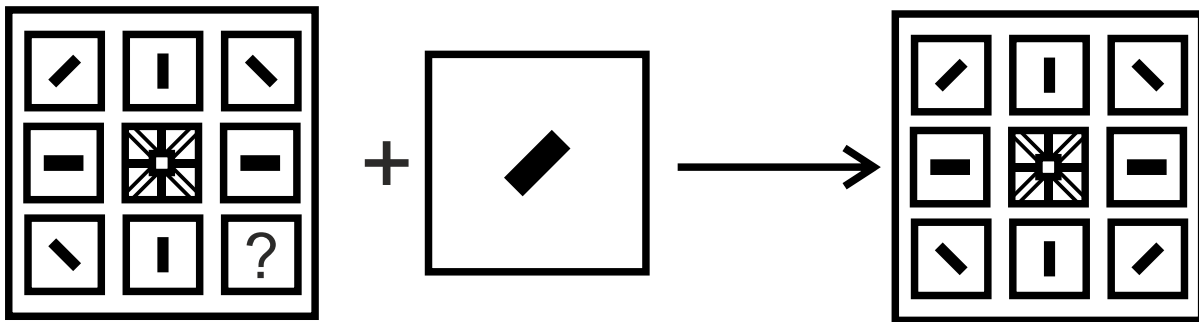

Correct Answer:

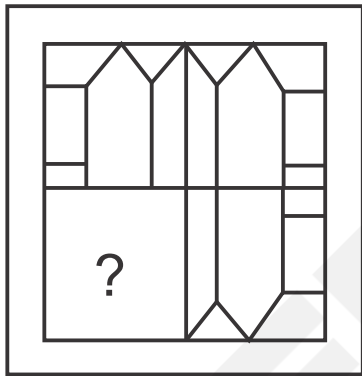

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

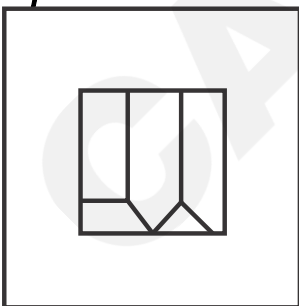

Hence, the **second option** is correct.

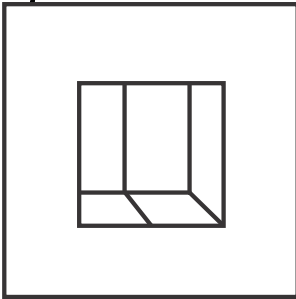

Q. 97 **Directions:** Which answer figure shall complete the given question figure?

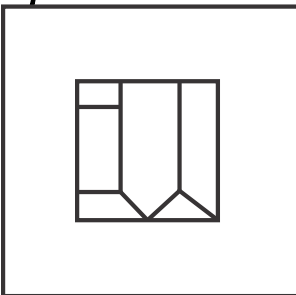

Option 1:

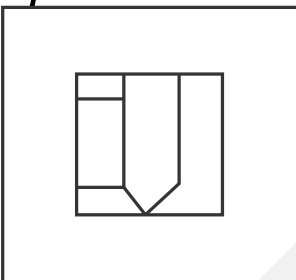

Option 2:

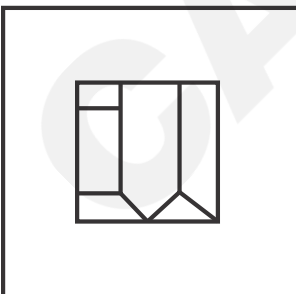

Option 3:

Option 4:

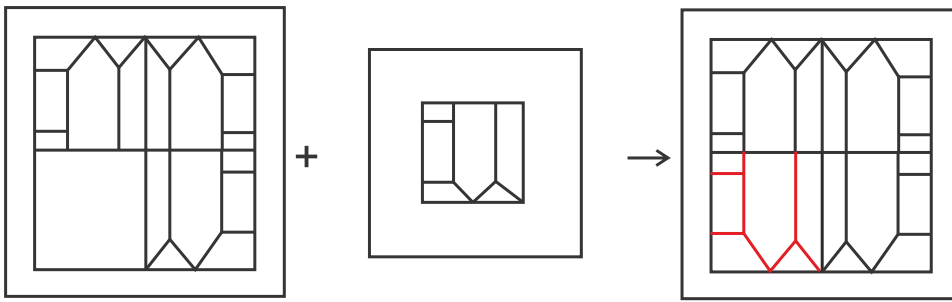

Correct Answer:

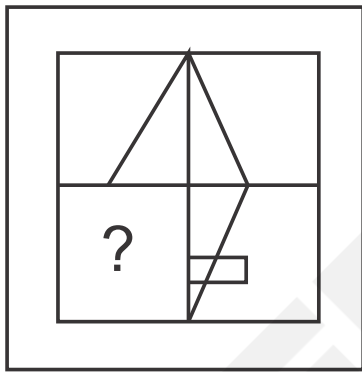

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

Hence, the **third option** is correct.

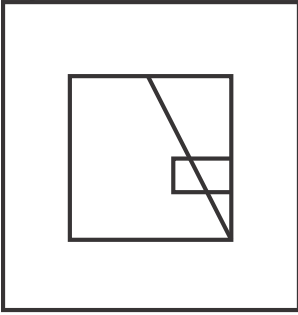

Q. 98 **Directions:** Which answer figure will complete the question figure?

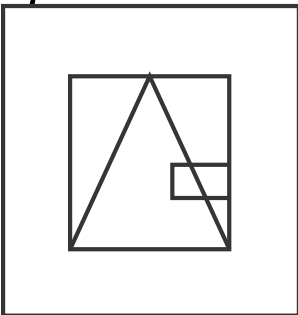

Option 1:

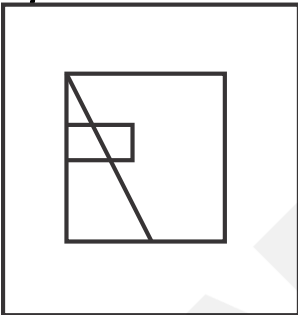

Option 2:

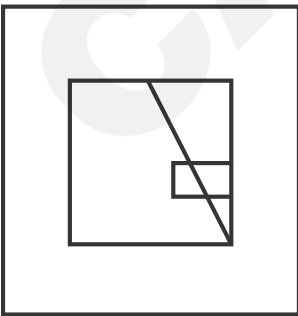

Option 3:

Option 4:

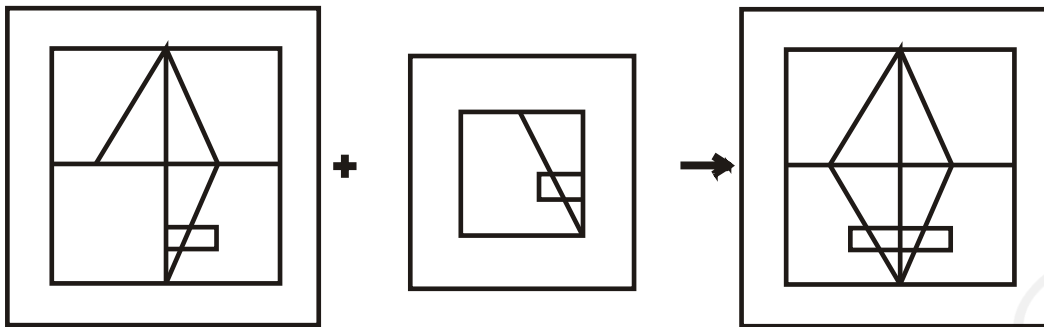

Correct Answer:

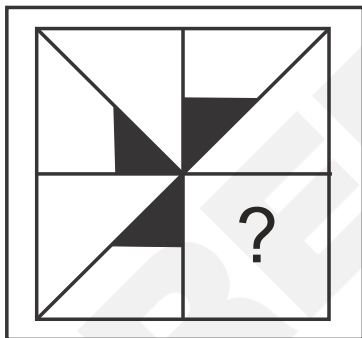

Solution:

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

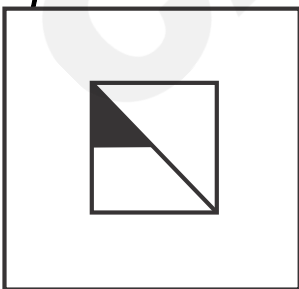

Hence, the **second option** is correct.

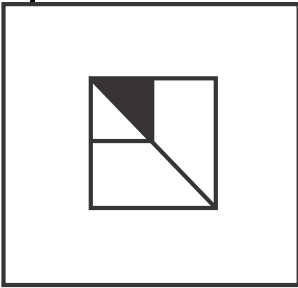

Q. 99 **Directions:** Which answer figure will complete the question figure?

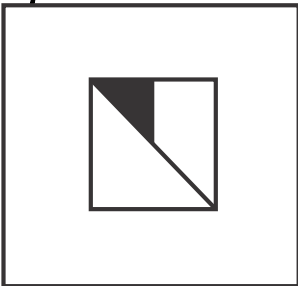

Option 1:

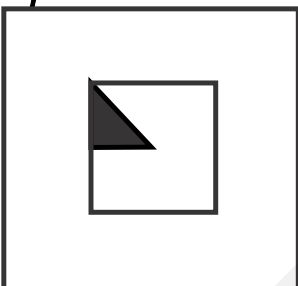

Option 2:

Option 3:

Option 4:

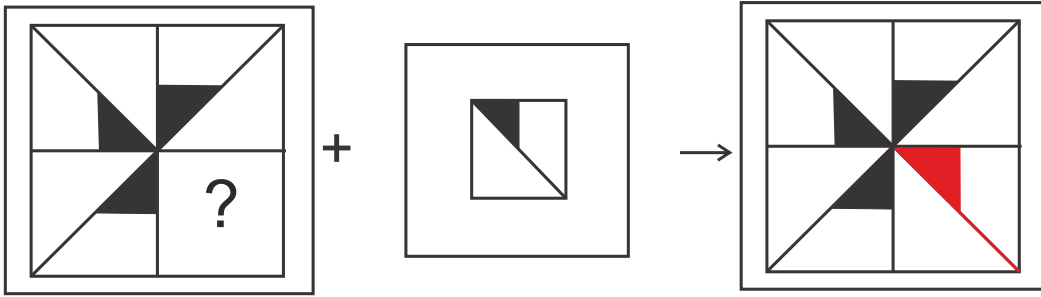

Correct Answer:

Solution:

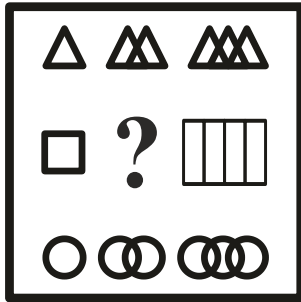

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern –

Hence, the **third option** is correct.

**Q.
100**

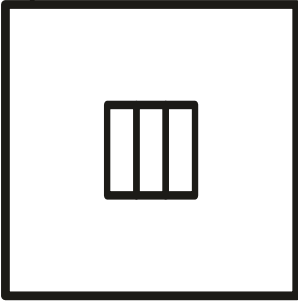

Directions: Choose the correct figure to complete the figure.

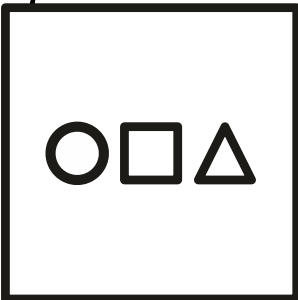

Option 1:

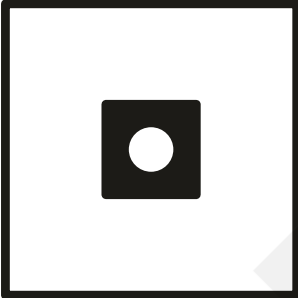

Option 2:

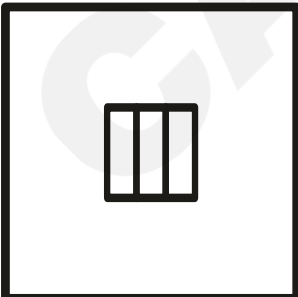

Option 3:

Option 4:

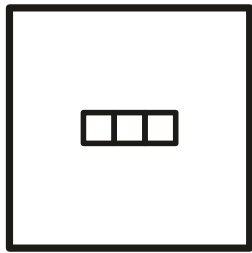

Correct Answer:

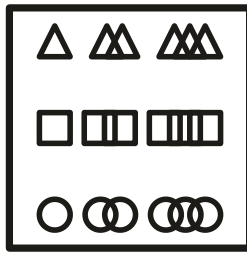

Solution:

Here the pattern is as follows –

1. In the first row number of triangles increases by one.
 2. In the second row number of squares increases by one.
 3. In the third row number of circles increases by one.
- So, the figure in the third option will complete the figure –

↑
Option Figure

↑
Matrix

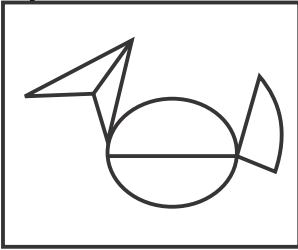

Hence, the **third option** is correct.

Q.
101

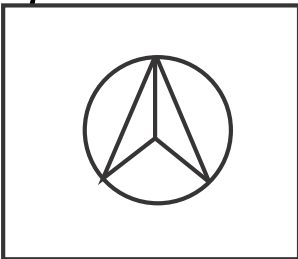

Directions: Among the four answer figures, which one can be formed from the cut pieces given below in the question figure?

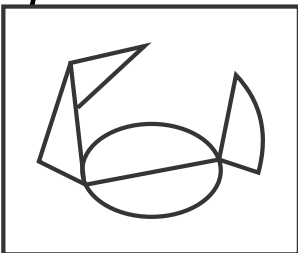

Option 1:

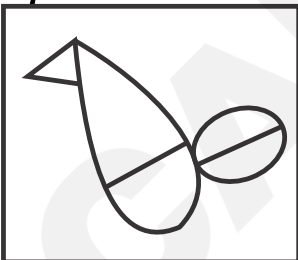

Option 2:

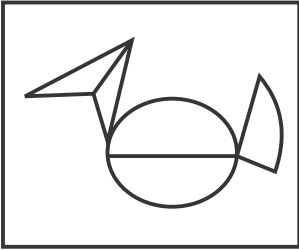

Option 3:

Option 4:

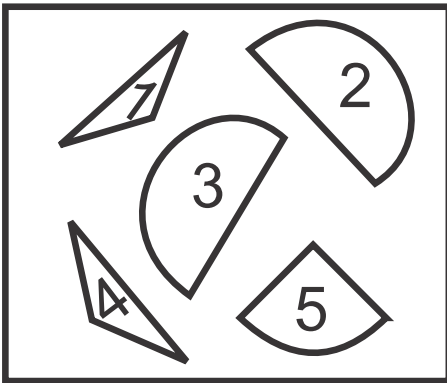

Correct Answer:

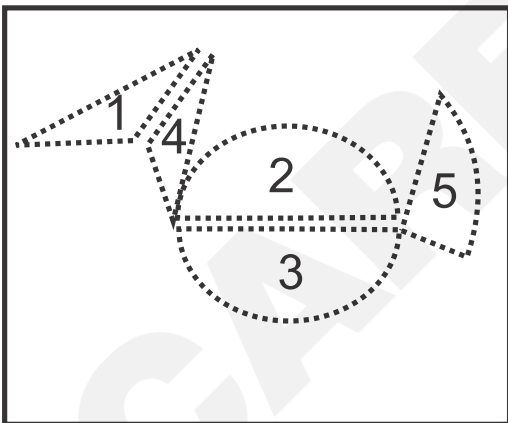

Solution:

The various parts of the figure can be numbered as follows –

The parts can be arranged in the following manner –

Hence, the **first option** is correct.

Q.
102

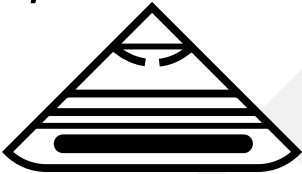

Directions: Select the figure from the options that can replace the question mark (?) and complete the pattern.

Option 1:

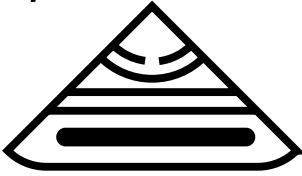

Option 2:

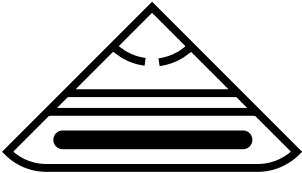

Option 3:

Option 4:

Correct Answer:

Solution:

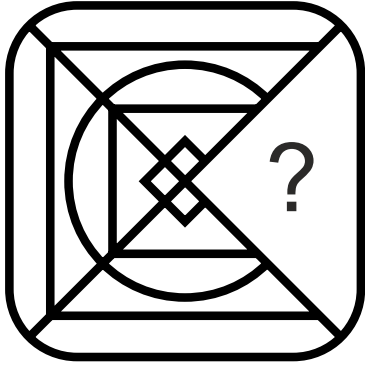

On comparing the question figure and all the answer figures, the following figure will combine and make the complete pattern -

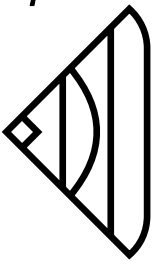

Hence, the **third option** is correct.
