A Note to The Student

Dear Candidate,

Are you in need of a comprehensive mock test to assess your preparation for the highly competitive CUET General Test? Look no further, because your search ends here. We at Careers360 have designed 5 mock tests per the syllabus set by the National Testing Agency. This ebook contains questions on all the topics of the CUET General Test ranging from Quantitative Aptitude to General Awareness. Each question has its answers given in an elaborative manner so that the candidate can refer to it and clear all their doubts.

The major motto of designing this ebook is to help the students understand the structure and pattern of the CUET UG General Test and equip them with the much-needed mock test experience. The difficulty of the paper is also designed by analyzing the previous year's question papers. We hope that this mock test enables the students to understand the structure of the exam in a better way and perform well in the CUET UG examination.

Best Wishes
Team Careers360
