OVERVIEW

National Institute of Fashion Technology (NIFT) provides fashion education along with the knowledge, academics, independence and creative thinking. NIFT has a history of being in existence for 28 years and stands as a testimony to its basics where academics meet excellence. The institute has stood as a sign of serious critical engagement and a key factor in developing competent professionals.

This premier institute has always been committed to excellence and brilliance. The vision to embrace challenges and emerge victorious while being the principal changemaker has only helped in setting the highest academic standards. NIFT continues to strive to be nothing but the best, while announcing admission for the new batch of young enthusiasts in 2025.

History of NIFT

The National Institute of Fashion Technology (NIFT) is a progressive institute and a leader in the world of fashion, which is proud of having the ability to combine knowledge, arts, academics, innovations in design & technology field and creativity. It is continuously leveling up its curriculum to address the ever changing needs of the world offering an Industry-Academia interface providing a learning experience for the students. Helping in building a complex and profound understanding about the industry and its whereabouts.

NIFT is an inspiration to many passionate students who want to transform and excel in the field of fashion. The institute was set up in the year 1986, under the Ministry of Textiles, Government of India, and is a Statutory Institute governed by the NIFT Act 2006. Consideration of academics has always been at the forefront in the expansion plans of the institute. NIFT today has reached the country through its 19 professionally managed [NIFT campuses](#).

National Institute of Fashion Technology (NIFT) provides a favourable environment FOR its students from different parts of the country in achieving their highest potential through the programmes offered. Since its establishment, the institute provided a firm foundation in fashion education in the domains of Design, Management and Technology. The faculty of NIFT is a group of intellectuals who put forth a sense of dynamism in creating a pathway to effective learning for the students. NIFT regularly strengthens its academic strategies, making the institute at the forefront.

NIFT constantly guides the fashion scenario and trends of India. It takes its vision to the global level. As is the requirement for any good curriculum, the syllabus and modules are reviewed regularly to meet the current and future demands of an industry that thrives on transformation and change. NIFT announced the admissions 2025 with an updated curriculum providing creative potential and flexibility. The curriculum offers the concept of Majors and Minors, enhancing specialisations within the programme, leading to individual and unique pathways.

OVERVIEW

NIFT is pioneering thought leadership in design through a network of 16 professionally managed campuses. The Campus at New Delhi was established in 1986 in collaboration with FIT, New York. The campuses at Chennai, Gandhinagar, Kolkata, Hyderabad, Mumbai were set up in 1995 and that of Bengaluru in 1997. The new millennium witnessed the emergence of new campuses in Bhopal, Bhubneshwar, Jodhpur, Kangra, Kannur, Patna, Raebareli and Shillong. The Campus at Srinagar in Jammu & Kashmir is the newly added node to NIFT's network.

Since many years NIFT has also been working as a knowledge service provider to the Union and State governments in the area of design development and positioning of handlooms and handicrafts. The fashion industry is undergoing rapid transformation, and the National Institute of Fashion Technology (NIFT) stands at the forefront of this evolution, preparing students to lead with a combination of tradition and innovation.

Over three decades of excellence, NIFT integrates India's rich textile heritage with cutting-edge global practices, offering students exposure to live industry projects, internships, and collaborative research. Supported by a dedicated faculty of scholars and industry experts, NIFT ensures a world-class education rooted in Indian culture. Aspiring fashion professionals are invited to shape their future of fashion at NIFT, where creativity meets opportunity.

UG ADMISSION

Bachelor's Programmes (B.Des & B.F.Tech)

Before applying for admission into NIFT BDes programmes, candidates must meet the following eligibility criteria.

Bachelor of Design (B.Des) Programme

Who can apply?

Any candidate who is an Indian citizen and fulfils the prescribed age and educational qualification criteria for the programme concerned can apply.

1. Qualifying Age

Maximum age should be less than 24 years as of 1st August of the year of admission. The upper age limit may be relaxed by a period of 5 years for candidates of Scheduled Caste/Scheduled Tribe/ Person with Disability (PwD) categories.

2. Educational Qualification

A. Bachelor of Design (B.Des) Programmes (Accessory Design/Fashion Communication/Fashion Design/ Fashion Interiors / Knitwear Design/Leather Design/ Textile Design)

Passed the plus 2 level examination in the 10+2 pattern of examination from any recognised Central/State Board of Secondary Examination, such as Central Board of Secondary Education/ State Board New Delhi/Council for Indian School of Certificate Examination, New Delhi.

OR

A pass grade in the Senior Secondary School Examination conducted by the National Open School with a minimum of five subjects.

OR
